Proceedings of the 2015 Federated Conference on Software Development and Object Technologies Jan Janech,Jozef

Kostolny,Tomasz Gratkowski,2016-12-14 This book presents the proceedings of the International Conference SDOT which was organized at the University in Žilina, Faculty of Management Sciences and Informatics, Slovak Republic in November 19, 2015. The conference was truly international both in terms of the amount of foreign contributions and in terms of composition of steering and scientific committees. The book and the conference serves as a platform of professional exchange of knowledge and experience for the latest trends in software development and object-oriented technologies (theory and practice). This proceedings present information on the latest developments and mediate the exchange of experience between practitioners and academia.

The Paper Solution Lisa Woodruff,2022-01-25 From the Marie Kondo of paper comes a simple and accessible guide to paper management. Americans are drowning in paper. We keep stacks of it on the kitchen counter, stash it in drawers, and store file cabinets full of documents that we never even look at. Studies show that fully 85 percent of the paper in our lives can be tossed--but which 85 percent? And how do we organize and manage the 15 percent that remains? With *The Paper Solution*, founder of Organize365 Lisa Woodruff delivers a proven, step-by-step guide for what to shred, what to save, and how to sort what's left behind. With her method, you'll learn: • What documents you must absolutely hold on to • Which papers you can dispose of today • How to ditch your bulky filing cabinets and make your vital documents accessible and portable And at the heart of it all is the Sunday Basket: a box that sits on your counter and corrals those stray bills, forms, coupons, and scraps into an easy-to-use paper-management system. The Sunday Basket will become your new weekly habit--one that leads to less paper, less stress, and more time to spend on the things (and people) that matter most.

Animation: The Whole Story Howard Beckerman,2003-09-01 “A valuable and exhaustive guide.”—Animation World Professional animator Howard Beckerman has drawn them all: Popeye, Heckle & Jeckle, even Mickey Mouse. In *Animation*, he offers a road map to the complex art of making an animated feature. Vivid sketches, screen shots, and step-by-step illustrations show how to make a drawing come to life, create storyboards, use form and color, develop a soundtrack, edit, and more. This new edition is also thoroughly updated to reflect the latest trends surrounding digital technology. Animation provides artists and aspiring filmmakers with everything they need to carve their niche in today’s quickly evolving animation industry. • Contains a well-chosen portfolio of 437 visual examples and step-by-step instructions• Copublished with the School of Visual Arts Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Treasury Department Appropriation Bill for 1939 United States. Congress. House. Committee on Appropriations,1938

Global Economic Revolutions , This book constitutes the revised and selected papers of the International Conference on Global Economic Revolutions (ICGER 2023) held in Sharjah City, United Arab Emirates, during February 27-28, 2023. The 18 papers included in this book were thoroughly reviewed and selected from the 105 submissions. The papers focus on topics related to data science and data centers, machine learning, sustainable technologies for a green economy, metaverse in the healthcare education, Predictive Model Analytics using Data mining and Machine learning, blockchain adoption and acceptance, Narrow Band Internet of Things, and enhanced Bubble Sorting Visualizer.

Purge with Passion Jodie Watson,2013-07-23 God cares about your clutter. We’re beginning to understand that we should be organized, but we don’t hear as much on why we should be organized. Why should it matter if our lives are disorganized? *Purge with Passion: Organizing Principles from a Christian Perspective* focuses on that question. This isn’t your average organizing book. If you see organization as a step to a happier and more productive life, then you’re partly right. But, what if there’s more? Our resources and possessions are meant to be used for God, but too often they distract us from God. Jodie Watson helps you free yourself from the clutter with practical and actionable advice. But she also explains that what truly matters is the heart behind your organization. Identify the ways the disorganization in your life can hinder you from pursuing God’s will. Take a deeper look at the things that God has entrusted to you. Adopt a biblical approach to ordering your life for God’s glory. Go beyond the surface and discover what’s at the very heart of your disorganization. God has a specific purpose for you and the world in which you live. Get ready to step out of the mess and step into God’s amazing plan for order.

Reliable Software Technologies - Ada-Europe '97 Keith Hardy,1997-05-21 This book constitutes the refereed proceedings of the 1997 Ada-Europe International Conference on Reliable Software Technologies, held in London, UK, in June 1997. The 25 revised full papers presented were carefully selected for inclusion by the program committee. All current issues explored in the Ada community are addressed; beyond the Ada language aspects, software engineering technologies for reliable and for reactive systems are discussed in a more general context.
