Counting to Perfect Suzanne LaFleur, 2018-10-23 From the author of *Eight Keys* comes a loving story of sisters who are trying to find their way back to each other. Cassie, competitive swimmer and rising seventh grader, plans to spend her summer at the pool with her friends. That way she won't be stuck at home with her sister and her sister's baby. Julia used to be the perfect big sister: she played great games and took good care of Cassie. Now life at home revolves around Julia and her daughter, Addie. No one pays much attention to Cassie--not to her swimming, and not to what's gone wrong with her friends. When Julia confides in Cassie that she'll be leaving with Addie--without telling their parents--Cassie jumps in the car, too. As the days of lumberjack breakfasts and hotel pools start to add up, Cassie has to wonder:

Could the sister who seems to be the source of all her problems also be the friend she's missed the most?

Happy 2nd Anniversary Swift Publishing,2019-08-07 This 2nd Anniversary Gift / Journal / Diary / Notebook makes an awesome unique anniversary card / greeting card alternative! This book is 6 x 9 inches in size with 110 blank lined pages. It's great for writing down notes, ideas, or even sketching.

Getting Organized Stephanie Winston,2009-05-30 A handy guide that has been helping people manage their daily lives since 1978 is revised and updated to apply the principles of organization to today's lifestyles.

The Birthday Almanac Claire Saunders,2021-06-01 Have you ever wondered about the astrological significance of your birthday? Where the stars and planets align in the sky when we are born helps shape our personality and strengths. What does your star sign mean? What are your birth crystals, flowers and lucky talismans? Find out about the folk rituals associated with the month of your birth and their significance. This book will uncover the details of your place in the cosmos by looking to the stars and help you celebrate yours and friends birthday in harmony with your astrological calendar.

What Do We Do? Michael K. Smith,Kathryn R. Smith,2015-08-04 How do children develop emotional intelligence? How do parents improve their ability to relate to others? How can parents and children think more creatively? What Do We Do? Questions on Psychology and Education for Parents addresses these questions and many more with insightful and entertaining articles. Dr. Michael K. Smith, an educational psychologist, and Dr. Kathryn R. Smith, a forensic psychologist, bring different perspectives to these issues of parenting and education. These articles will help parents answer questions about how to parent, how to improve relationships, and how to deal with change.

Miss Manners' Guide to Excruciatingly Correct Behavior

(Freshly Updated) Judith Martin, 2011-02-07 An indispensable manual to navigating life from birth to death without making a false move. Your neighbor denounces cellular telephones as instruments of the devil. Your niece swears that no one expects thank-you letters anymore. Your father-in-law insists that married women have to take their husbands' names. Your guests plead that asking them to commit themselves to attending your party ruins the spontaneity. Who is right? Miss Manners, of course. With all those amateurs issuing unauthorized etiquette pronouncements, aren't you glad that there is a gold standard to consult about what has really changed and what has not? The freshly updated version of the classic bestseller includes the latest letters, essays, and illustrations, along with the laugh-out-loud wisdom of Miss Manners as she meets the new millennium of American misbehavior head-on. This wickedly witty guide rules on the challenges brought about by our ever-evolving society, once again proving that etiquette, far from being an optional extra, is the essential currency of a civilized world.

Nelson English - Blue Level Teacher's Guide John Jackman, Wendy Wren, 2001 This flexible and easy-to-use Teacher's Guide fully supports the programme, giving you all the guidance you need to help your class work through the pupil Books
