The Alpha Kappa Alpha Presence in Southwest Mississippi Lorraine Banks Gayden, 2014-03-07 This book chronicles the timeless service of Phi Mu Omega chapter of Alpha Kappa Alpha from its humble beginnings as Ivy Omega Interest Group in 1998, to its chartering on January 15, 2000, to its present status as a thriving chapter living out the sorority's motto to be Supreme in Service to All Mankind. This history book was a time-intensive and labor-intensive assignment for women who are already busy, career-minded, and community-service oriented , but it truly became a labor of love which International President Carolyn House Stewart requested of each chapter of the sorority. Without her directive, this book, in all certainty, would never have been written. The project has indelibly etched valuable lessons in the minds of the historian and chapter members-- the need for archiving and documenting the chapter's programs, activities, events, and projects. The assignment also refocused attention on previous and current international initiatives issued by each international president. According to historian Earnestine Green McNealey, Ph.D., author of the sorority's definitive history book *The Pearls of Alpha Kappa Alpha: A History of America's First Black Sorority*, until the lion tells its own story, the story will always glorify the hunter. This project forced chapters across the United States and in other countries to tell our own stories from their perspectives and in the context of historical events and social issues

facing the communities we serve. Hopefully, it also reinforced the *raison d'être* for every member, every chapter, every region, and the international sisterhood. The beginning and evolving history of Phi Mu Omega is captured for generations of young women yet to come so that it might inspire and motivate them to become women with a desire to serve all mankind.

*Women of Discriminating Taste* Margaret L. Freeman, 2020-12-01  
*Women of Discriminating Taste* examines the role of historically white sororities in the shaping of white womanhood in the twentieth century. As national women's organizations, sororities have long held power on college campuses and in American life. Yet the groups also have always been conservative in nature and inherently discriminatory, selecting new members on the basis of social class, religion, race, or physical attractiveness. In the early twentieth century, sororities filled a niche on campuses as they purported to prepare college women for "ladyhood." Sorority training led members to comport themselves as hyperfeminine, heterosocially inclined, traditionally minded women following a model largely premised on the mythical image of the southern lady. Although many sororities were founded at non-southern schools and also maintained membership strongholds in many non-southern states, the groups adhered to a

decidedly southern aesthetic—a modernized version of Lost Cause ideology—in their social training to deploy a conservative agenda. Margaret L. Freeman researched sorority archives, sorority-related materials in student organizations, as well as dean of women's, student affairs, and president's office records collections for historical data that show how white southerners repeatedly called upon the image of the southern lady to support southern racial hierarchies. Her research also demonstrates how this image could be easily exported for similar uses in other areas of the United States that shared white southerners' concerns over changing social demographics and racial discord. By revealing national sororities as significant players in the grassroots conservative movement of the twentieth century, Freeman illuminates the history of contemporary sororities' difficult campus relationships and their continuing legacy of discriminatory behavior and conservative rhetoric.

**In Search of Sisterhood** Paula J.

Giddings, 2007-02-27 This history of the largest block women's organization in the United States is

not only the story of Delta Sigma Theta Sorority (DST), but also tells of the increasing involvement of black women in the political, social, and economic affairs of America. Founded at a time when liberal arts education was widely seen as either futile, dangerous, or impractical for blacks, especially women, DST is, in Giddings's words, a compelling reflection of black women's aspirations for themselves and for society. Giddings notes that unlike other organizations with racial goals, Delta Sigma Theta was created to change and benefit individuals rather than society. As a sorority, it was formed to bring women together as sisters, but at the same time to address the divisive, often class-related issues confronting black women in our society. There is, in Giddings's eyes, a tension between these goals that makes Delta Sigma Theta a fascinating microcosm of the struggles of black women and their organizations. DST members have included Mary McLeod Bethune, Mary Church Terrell, Margaret Murray Washington, Shirley Chisholm, Barbara Jordan, and, on the cultural side, Leontyne Price, Lena Horne, Ruby Dee, Judith Jamison, and Roberta Flack. *In Search of Sisterhood* is full of compelling, fascinating anecdotes told by the Deltas themselves, and illustrated with rare early photographs of the Delta women.

*Be My Sorority Sister*-- Dorrie Williams-Wheeler, 2003 Beta Gamma Psi had been a part of Eva Perkins life since birth. When she starts college at Edwin Carver Science and Technology University she takes strides to become a member of the

sorority that both her mother and sister belong to. After years of attending Beta events and pre-pledging at Carver; Eva finally finds herself on line pledging Beta. When rumors of hazing threaten the chapter, the pledge sisters have to bond together to solidify their future within the organization. Eva discovers that a sorority is about hard work, dedication, and building lifelong friendships. *Be My Sorority Sister-Under Pressure* is a story that has never been told. A candid look into the inner personal conflict one faces within the sorority process. Eva deals with identity crisis, pressure from her all Greek family, and the burden of academics and a romantic life. Visit [www.bemysororitysister.com](http://www.bemysororitysister.com)

**The Sorority** Tamara Thorne, 2013-09-01 They are the envy of every young woman--and the fantasy of every young man. An elite sisterhood of Greenbriar University's best and brightest, their members are the most powerful girls on campus--and the most feared. . . Eve She's the perfect pledge. A sweet, innocent, golden-haired cheerleader, Eve has so much to gain by joining Gamma Eta Pi--almost anything she desires. But only a select few can enter the sorority's inner circle--or submit to its code of blood, sacrifice, and sexual magic. Is

Eve willing to pay the price? Merilynn Ever since childhood, Merilynn has had a sixth sense about things to come. She's blessed with uncanny powers of perception--and cursed with unspeakable visions of unholy terror. Things that corrupt the souls of women, and crush the hearts of men. Things that can drive a girl to murder, suicide, or worse. . . Samantha Journalism major Sam Penrose is tough, tenacious--and too curious for her own good. She's determined to unearth the truth about the sorority. But the only way to expose this twisted sisterhood is from within. . . Tamara Thorne has an uncanny knack for combining the outrageous with the shuddery, making for wonderfully scary romps and fun reading. --Chelsea Quinn Yarbro
