**Heiress for Hire** Madeline Hunter, 2020-04-28 In this stunning series debut from New York Times bestselling author Madeline Hunter, a duke's mysterious bequest brings fortune—and passion—to three young women . . . Minerva Hepplewhite has learned the hard way how to take care of herself. When an intruder breaks into her home, she doesn't swoon or simper. Instead she wallops the rogue over the head and ties him up—only to realize he is Chase Radnor, the man who nearly got her convicted of her late husband's murder. Now he's insisting that Minerva has inherited a fortune from his uncle, a wealthy Duke. Only one thing could surprise her more: her sudden attraction to this exasperating man . . . Chase can't decide whether Minerva is a wronged woman or a femme fatale. Either way, he's intrigued. Since the scandal surrounding her husband's death, she has set up a discreet detective business to rival Chase's own. She may be the perfect person to help him uncover the truth about his uncle's demise. But as proximity gives way to mutual seduction, Chase realizes he craves a much deeper alliance . . . Madeline Hunter's novels are: "Brilliant, compelling. . . . An excellent read." --The Washington Post "Mesmerizing." --Publishers Weekly "Pure passion." --Booklist Visit us at [www.kensingtonbooks.com](http://www.kensingtonbooks.com)

**The Middling Sort** Margaret R. Hunt, 2023-12-22 To be one of the middling sort in urban England in the late seventeenth or eighteenth century was to live a life tied, one way or another, to the world of commerce. In a lively study that combines narrative and alternately poignant and hilarious anecdotes with convincing analysis, Margaret R. Hunt offers a view of middling society during the hundred years that separated the Glorious Revolution from the factory age. Thanks to her exploration of many family papers and court records, Hunt is able to examine what people thought, felt, and valued. She finds that early capitalism and early modern family life were far more insecure than their classical models supposed. Commercial needs and social needs coincided to a large extent. The family is central to Hunt's story, and she shows how financial struggles brought conflict, ambiguity, and tension to the home. She investigates the way gender intertwined with class and family hierarchy and the way many businesses survived as precarious successes, secured through the sacrifices made by female as well as male family members. The Middling Sort offers a dynamic portrait of a society

struggling to minimize the considerable social and psychic dislocation that accompanied England's launch of a full-scale market economy.

**History of the Nineteenth Army Corps** Richard Bache Irwin, 1892 Details the regimental history of the Union Army's XIX Corps, Department of the Gulf, created in 1862 comprised totally of men then occupying Louisiana and Eastern Texas. The XIX Corps fought mainly in Louisiana, but took part in the Red River Campaign and Sheridan's Shenandoah Campaign where they suffered heavy losses at Opequon. From there, they were sent to Savannah where the majority were mustered out in March of 1865. The appendix covers rosters, losses in battle, officers killed or mortally wounded, Port Hudson forlorn hope, articles of capitulation, and note on Early's strength.

*The Middling Sorts* Burton J. Bledstein, Robert D. Johnston, 2013-10-31 According to their national myth, all Americans are middle class, but rarely has such a widely-used term been so poorly defined. These fascinating essays provide much-needed context to the subject of class in America.

*Hunter, Healer* Lilith Saintcrow, 2005-11-17 Their first mistake? Kidnapping her lover. Their second? Thinking she wouldn't do something about it. The black-ops government agency known as Sigma has shattered the resistance, destroyed its infrastructure, and taken its best operative captive. It's about as bad as it can get, but Sigma's forgotten one thing: Rowan Price. Rowan is no longer a civilian in the shadow war. Her talents are fully trained, and she's become something she never dreamed of--a cool, clinical, lethal psionic operative. Working as Henderson's second-in-command, she's utterly focused on two things: repairing the Society's infrastructure and rescuing Justin Delgado. Yet under her shell of calm and gentleness, her rage is simmering . . . and it's about to break loose. Delgado knows he can't remember something important. He puts up with Sigma's beatings and questioning, the pain and the torture. Sigma keeps asking him the same question--where is Rowan Price? He doesn't know who this woman is or where she is, but if he can escape Sigma one more time, he's damn sure going to find out. Because Price, whoever she is, holds the key to his fractured memories and destroyed soul. But first, he has to get out. Then he'll find Rowan Price. Unfortunately, that may be the one thing Sigma's counting on. Exciting, great characters and one of the best books I've read this year.--Book Bag Reviews on *The Iron Wyrms* Saintcrow has a gift for making readers really care about her characters' emotional health, not just the story, and, oh, what a story it is.--USAToday.com on *The Hedgewitch Queen* Lilith Saintcrow lives in Vancouver, Washington, with her two children and assorted other strays. She has been writing since she was nine years old. Find her on the web at [lilithsaintcrow.com](http://lilithsaintcrow.com).

*The All Sorts Of Stories Book (Illustrated & Annotated Edition)* Andrew Lang, 2012 For a generation Andrew Lang has delighted the children, and grown-ups too for that matter, with his fairy books. This is of a new sort, for the tales are of many different kinds. Some are true, like the history of the man who met in America the other man whom he had seen hanged for murdering in England. Then we have several stories of adventure that happened to historic personages, besides stories of treasure hunts, Greek mythology, wild witches and red Indians. There are no more delightful fairy tales than those written, translated and adapted by Andrew Lang. He has eliminated the gruesomeness from the old best loved fairy tales, and introduced many less familiar tales of other lands, equally fascinating. These books should be given to every child. -- American Motherhood. This book is fully illustrated and annotated with a rare extensive biographical sketch of the author, Andrew Lang, written by Sir Edmund Gosse, CB, a contemporary poet and writer.

*The Farmer's Kalendar Or, a Monthly Directory for All Sorts of Country Business* Arthur Young, 1771

*A Hidden Fire* Elizabeth Hunter, 2023-03-09 The explosive international bestseller where history, romance, and the paranormal collide. A phone call from an old friend sets immortal book dealer Giovanni Vecchio back on the

path of a mysterious manuscript he's hunted for over five hundred years. He never expected a young student librarian could be the key to unlock its secrets, nor could he have predicted the danger she would attract. Now he and Beatrice De Novo follow a twisted maze that leads from the archives of a university library, through the fires of Renaissance Florence, and toward a confrontation hundreds of years in the making. Elizabeth Hunter's books are delicious and addicting, like the best kind of chocolate. She hooked me from the first page, and her stories just keep getting better and better.

Paranormal romance fans won't want to miss this exciting author! —Thea Harrison, NYT bestselling author
