

# Argentina

Monica Rein

**Argentina and the United States 1810-1960** Harold F. Peterson, 1964-01-01 Dr. Peterson's book is the first, in English or Spanish, to encompass the entire sweep of Argentine-American relations from the time of Argentina's revolt against Spain in 1810 to the close of its 150th year of independence. Through comprehensive analysis and narrative, this study illuminates one of the most enigmatic areas of Western Hemisphere relationships. From what would seem to be a bewildering array of incidents, Professor Peterson isolates the basic undercurrents which mold Argentine policies. Internally, Argentina's path to stability is shown to be marred by developing social stratification and conflict, economic mismanagement, and the deep uncertainty of shifts from dictatorship to democracy. Internationally, the germs of discord with the United States are found in nationalism, anticolonialism, desire for hemispheric leadership, and economic competition. Discussed, too, are the fascinating, crucial weaknesses and errors of human leadership in both countries. *Argentina and the United States 1810-1960* makes an important contribution to an understanding of current, as well as historical, affairs: it greatly helps to explain why in the twentieth century the government and people of the United States frequently face an Argentine problem.

*Imagining Argentina* Lawrence Thornton, 1987 *Imagining Argentina* is set in the dark days of the late 1970's, when thousands of Argentineans disappeared without a trace into the general's prison cells and torture chambers. When Carlos Ruweda's wife is suddenly taken from him, he discovers a magical gift: In waking dreams, he had clear visions of the fates of the disappeared. But he cannot imagine what has happened to his own wife. Driven to near madness, his mind cannot be taken away: imagination, stories, and the mystical secrets of the human spirit. From the Trade Paperback edition.

*Making Citizens in Argentina* Benjamin Bryce, David M. K. Sheinin, 2017-07-21 *Making Citizens in Argentina* charts the evolving meanings of citizenship in Argentina from the 1880s to the 1980s. Against the backdrop of immigration, science, race, sport, populist rule, and dictatorship, the contributors analyze the power of the Argentine state and other social actors to set the boundaries of citizenship. They also address how Argentines contested the meanings of citizenship over time, and demonstrate how citizenship came to represent a great deal more than nationality or voting rights. In Argentina, it defined a person's relationships with, and expectations of, the state. Citizenship conditioned the rights and duties of Argentines and foreign nationals living in the country. Through the language of citizenship, Argentines explained to one another who belonged and who did not. In the cultural, moral, and social requirements of citizenship, groups with power often marginalized populations whose societal status was more tenuous. *Making Citizens in Argentina* also demonstrates how workers, politicians, elites, indigenous peoples, and others staked their own claims to citizenship.

**A Brief History of Argentina** Jonathan C. Brown, 2004 Provides an overview of the history of Argentina spanning 12,000 years, focusing on key events and cultural patterns, and examining the economic and political challenges facing the country today.

*Vino Argentino* Laura Catena, 2011-11-18 In this book—part wine primer, part cultural exploration, part introduction to the Argentine lifestyle—discover where to eat, what to see, and how to travel like a local with Laura Catena, the Argentina-born, United States-educated, globetrotting wine star. The world's fifth largest producer of wine, Argentina is home to malbec, the country's best-known indigenous grape. More than 400,000 Americans and 600,000 Europeans visit Argentina every year to enjoy the mighty malbec, taste unparalleled food, trek the wide-open country, and tango all night long in Buenos Aires. *Vino Argentino* provides insider access to beautiful Argentina.

*Political Violence and Trauma in Argentina* Antonius C. G. M. Robben, 2010-11-24 For decades, Argentina's population was subject to human rights violations ranging from the merely disruptive to the abominable. Violence pervaded Argentine social and cultural life in the repression of protest crowds, a ruthless counterinsurgency campaign, massive numbers of abductions, instances of torture, and innumerable assassinations. Despite continued repression, thousands of parents searched for their disappeared children, staging street protests that eventually marshaled international support. Challenging the notion that violence simply breeds more violence, Antonius C. G. M. Robben's provocative study argues that in Argentina violence led to trauma, and that trauma bred more

violence. In this work of superior scholarship, Robben analyzes the historical dynamic through which Argentina became entangled in a web of violence spun out of repeated traumatization of political adversaries. This violence-trauma-violence cycle culminated in a cultural war that disappeared more than ten thousand people and caused millions to live in fear. *Political Violence and Trauma in Argentina* demonstrates through a groundbreaking multilevel analysis the process by which different historical strands of violence coalesced during the 1970s into an all-out military assault on Argentine society and culture. Combining history and anthropology, this compelling book rests on thorough archival research; participant observation of mass demonstrations, exhumations, and reburials; gripping interviews with military officers, guerrilla commanders, human rights leaders, and former disappeared captives. Robben's penetrating analysis of the trauma of Argentine society is of great importance for our understanding of other societies undergoing similar crimes against humanity.

**Argentina and Her People of To-day** Nevin O. Winter, 2019-12-24 *Argentina and Her People of To-day* is a historical book written by Nevin O. Winter. It presents an account of the customs, tradition, culture, characteristics, amusements, history and advancement of the Argentinians, and the development and resources of their country, named by the Spaniards silvery or silver-like.

*Authoritarian Argentina* David Rock, 1995 Annotation. David Rock has written the first comprehensive study of nationalism in Argentina, a fundamentalist movement pledged to violence and a dictatorship that came to a head with the notorious disappearances of the 1970s. This radical, right wing movement has had a profound impact on twentieth-century Argentina, leaving its mark on almost all aspects of Argentine life--art and literature, journalism, education, the church, and of course, politics.

**The Argentina Reader** Gabriela Nouzeilles, Graciela Montaldo, 2002-12-25 *DIVAn* interdisciplinary anthology that includes many primary materials never before published in English./div

**Argentina: the Beautiful Land** Donald L. Lawrence, 2021-03-22 *The story Argentina: The Beautiful Land* is a fictional story of family, love, conflicts, and challenges beginning in the early 1980s, using the then-coming war between Argentina and Great Britain concerning ownership of the Falkland Islands, off Argentina's east coast, as a backdrop. The story is of the fictional DeCavaliere cattle-ranching family, including those who marry into it, as it builds its businesses and reputation. Argentina's beautiful first city, Buenos Aires, and its environs are the novel's locale. The story also takes account some fictional former Nazi officers who fled Europe in the mid-1940s and removed to South America to escape the advancing Allied Forces in World War II, and the economic gains some seek to achieve in their new country, including in critical mineral mining and, in the essential cattle and beef industry, which the Argentine Intelligence Service is concerned for. The stage is set for conflict between the Argentine DeCavaliere family and others, including the newcomers. The novel, set forth in two parts, promotes the values of character, industriousness, and love, as well as the enduring importance of family which values prior generations of the family pass on to succeeding generations as each continues the family legacy.. Part 1 tells the story of the fifth and sixth generations of the family while briefly relating the history and influence of its first four generations and their contributions to the legacy. Part 2 continues the story of the family's sixth generation and adds the story of its seventh and eighth. As the various challenges to the family described in part 1 and part 2 endanger the lives of some of them, the additional portrayal of the family's seventh padron and his unshakeable love for and commitment to a young woman of similar age, in turn committed to him but forced to give him up, adds a compelling tale of faith and renewal.

**Argentina** James R. Scobie, 1964

**Politics and Education in Argentina, 1946-1962** Monica Rein, 2016-07-01 This study focuses on the formal education system in Argentina during the 1940s, the 1950s, and the early 1960s. It analyzes the link between politics and education against the backdrop of changing social conditions in Argentina under the regimes of Peron, Lonardi and Aramburu (the Liberating Revolution), and Frondizi, by evaluating textbooks, official bulletins, childrens' periodicals, speeches, and personal interviews.

**Pan Americanism and the International Policy of Argentina** Enrique Gil,1916

Argentina Mary Englar,2005-08 Describes the geography, history, economy, and culture of Argentina in a question-and-answer format--Provided by publisher.

**Area Handbook for Argentina** Frederick P. Munson,1969 General study of Argentina - covers historical and geographical aspects, demographic aspects and social structures, living conditions, education, cultural factors, the system of government, foreign policy, the economic structure, trade, economic relations, banking, the infrastructure, mass media, trade unionism, labour relations, the armed forces, etc. Map, references pp. 313 to 329, and statistical tables.

**Immigration and Nationalism** Carl Solberg,2014-11-06 "Dirtier than the dogs of Constantinople." "Waves of human scum thrown upon our beaches by other countries." Such was the vitriolic abuse directed against immigrant groups in Chile and Argentina early in the twentieth century. Yet only twenty-five years earlier, immigrants had encountered a warm welcome. This dramatic change in attitudes during the quarter century preceding World War I is the subject of Carl Solberg's study. He examines in detail the responses of native-born writers and politicians to immigration, pointing out both the similarities and the significant differences between the situations in Argentina and Chile. As attitudes toward immigration became increasingly nationalistic, the European was no longer pictured as a thrifty, industrious farmer or as an intellectual of superior taste and learning. Instead, the newcomer commonly was regarded as a subversive element, out to destroy traditional creole social and cultural values. Cultural phenomena as diverse as the emergence of the tango and the supposed corruption of the Spanish language were attributed to the demoralizing effects of immigration. Drawing his material primarily from writers of the pre-World War I period, Solberg documents the rise of certain forms of nationalism in Argentina and Chile by examining the contemporary press, journals, literature, and drama. The conclusions that emerge from this study also have obvious application to the situation in other countries struggling with the problems of assimilating minority groups.

Dictatorship Trials and Reconciliation in Argentina Mirna D. Goransky,2018-03-20

Through Five Republics (of South America) Percy Falcke Martin,1906

**Argentina** William Alfred Hirst,1910

**Imagining Argentina** Lawrence Thornton,1991-11-01 "Remarkable . . . deeply inventive . . . Thornton has imagined Argentina truly; his inspired fable troubles and feeds our own intriguing imagining."—Los Angeles Times *Imagining Argentina* is set in the dark days of the late 1970's, when thousands of Argentineans disappeared without a trace into the general's prison cells and torture chambers. When Carlos Ruweda's wife is suddenly taken from him, he discovers a magical gift: In waking dreams, he had clear visions of the fates of "the disappeared." But he cannot "imagine" what has happened to his own wife. Driven to near madness, his mind cannot be taken away: imagination, stories, and the mystical secrets of the human spirit. Praise for *Imagining Argentina* "A harrowing, brilliant novel."—The New Yorker "A powerful new novel . . . Thornton seems to have wedded his study of such writers as Borges and Marquez with thy his own instinctive gift for metaphor, and in doing so, created his own brand of magical realism"—The New York Times "Imagining Argentina is a slim volume filled with beautiful writing. It is an exciting adventure story. It is a haunting love story. And it is a story for all time."—Detroit Free Press "The writing is crystalline, the metaphors compelling . . . Its central theme is universal."—The Philadelphia Inquirer "In a time when much North American fiction is contained by crabbed realism, Thornton takes for his material one of the bleaker recent instances of human cruelty, sees in it the enduring nobility of the human spirit and imagines a book that celebrates that spirit."—The Washington Post Book World "A powerful first novel and a manifesto for the memorializing power of literature."—The New York Times Book Review "A profoundly hopeful book."—The Cleveland Plain Dealer

**Argentina** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has are more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **Argentina**, a literary masterpiece that delves deep into the significance of words and their impact on our lives.
