Philip Katcher

### **Army Digest ,1969**

**TRADOC Pamphlet TP 600-4 The Soldier's Blue Book** United States Government Us Army,2019-12-14 This manual, TRADOC Pamphlet TP 600-4 The Soldier's Blue Book: The Guide for Initial Entry Soldiers August 2019, is the guide for all Initial Entry Training (IET) Soldiers who join our Army Profession. It provides an introduction to being a Soldier and Trusted Army Professional, certified in character, competence, and commitment to the Army. The pamphlet introduces Soldiers to the Army Ethic, Values, Culture of Trust, History, Organizations, and Training. It provides information on pay, leave, Thrift Saving Plans (TSPs), and organizations that will be available to assist you and your Families. The Soldier's Blue Book is mandated reading and will be maintained and available during BCT/OSUT and AIT. This pamphlet applies to all active Army, U.S. Army Reserve, and the Army National Guard enlisted IET conducted at service schools, Army Training Centers, and other training activities under the control of Headquarters, TRADOC.

### **U.S. Army Facts and Insignia** Valdemar Edward Paulsen,1918

*A People's Army* Fred Anderson,2012-12-01 A People's Army documents the many distinctions between British regulars and Massachusetts provincial troops during the Seven Years' War. Originally published by UNC Press in 1984, the book was the first investigation of colonial military life to give equal attention to official records and to the diaries and other writings of the common soldier. The provincials' own accounts of their experiences in the campaign amplify statistical profiles that define the men, both as civilians and as soldiers. These writings reveal in intimate detail their misadventures, the drudgery of soldiering, the imminence of death, and the providential world view that helped reconcile them to their condition and to the war.

**The Army (ADP 1)** Headquarters Department of the Army,2019-09-27 ADP 1 and ADP 3-0, Operations, are the two Army capstone doctrinal manuals that serve as the foundation of our professional body of knowledge. It explains our Army's historical significance in the formation and preservation of our Nation and its role today and in the future as a member of the joint force to guarantee the Nation's strength and independence. At the heart of this doctrine is the professional Soldier-our true asymmetric advantage and most valued asset. Today's Soldiers are the legacy of the millions of Soldiers who came before them. They each freely volunteer to serve a higher purpose-an ideal greater than themselves. Soldiers continually demonstrate their character, commitment, and competence to protect our Nation under demanding and complex conditions. The oath they freely take to the Constitution of the United States is our Soldiers' sacred bond to maintain the confidence of the American people as trusted professionals in the world's premier land force.

### Army History ,2000

*Mission and Organization of the Army* United States. Department of the Army,1955

### **Army-Navy-Air Force Register and Defense Times ,1918**

**United States Army in World War II.** United States. Department of the Army. Office of Military History,1960

**Forty-six Years in the Army** John McAllister Schofield,1897

**Army Life in a Black Regiment** Thomas Wentworth Higginson,2002-12-01 Union officer's lively, detailed wartime diary captures the raw humor that develops among the men in combat and paints unforgettable pictures of soldiers, routines of camp life, and southern landscapes.

**Taps for a Jim Crow Army** Phillip McGuire, Many black soldiers serving in the U.S. Army during World War II hoped that they might make permanent gains as a result of their military service and their willingness to defend their country. They were soon disabused of such illusions. Taps for a Jim Crow Army is a powerful collection of letters written by black soldiers in the 1940s to various government and nongovernment officials. The soldiers expressed their disillusionment, rage, and anguish over the discrimination and segregation they experienced in the Army. Most black troops were denied entry into army specialist schools; black officers were not allowed to command white officers; black soldiers were served poorer food and were forced to ride Jim Crow military buses into town and to sit in Jim Crow base movie theaters. In the South, German POWs could use the same latrines as white American soldiers, but blacks could not. The original foreword by Benjamin Quarles, professor emeritus of history at Morgan State University, and a new foreword by Bernard C. Nalty, the chief historian in the Office of Air Force History, offer rich insights into the world of these soldiers.

**Army** ,1967

Avoiding Vietnam: The U.S. Army's Response to Defeat in Southeast Asia ,

**The Army of Northern Virginia** Philip Katcher,2012-07-20 On the 27 June, 1862, with the American Civil War already a year old, General Robert E. Lee assumed personal command of troops engaged in driving the Federal Army of the Potomac out of Richmond – troops which would henceforth be known as The Army of Northern Virginia. Philip Katcher explores in absorbing detail all aspects of the army, including infantry, cavalry, artillery, technical and medical corps, paying particular attention to equipment, weapons and uniforms. Contemporary and museum photographs, together with the author's expert text, combine to a paint a vivid and accurate picture of what life was like for the average confederate soldier.

*Professional Journal of the United States Army* ,1990-04
