The New Art of Ideas Robin Landa,2022-11-08 In a world with a surplus of ideas, what separates a good idea from a bad one? Learn how to cultivate a mindset that produces the kind of ideas people can't turn down. Most professionals cannot generate a solid idea. They either offer up tired or reused ones, or they generate lots of ideas but none that are worth pursuing. A great idea presents a well-formulated thought or plan of action that spurs growth, change, advancement, adaptation, or new insight. Worthwhile ideas move the needle; they change the playing field altogether. The New Art of Ideas is designed to help readers consistently produce worthwhile ideas by becoming nimble and imaginative thinkers better equipped to compete and produce in a global economy. Robin Landa identifies the Three Gs of every good idea: Goal-Your vision for the end Gap-The underdeveloped area that your idea fills Gain-The overall benefits of your goal With explanations and examples of each component, this book demystifies the process of effective ideation and hands you the key to unlock your creative potential.

In chapters accompanied by charming and inviting illustrations, Duggan and Murphy detail how to spark your own ideas and what to do while waiting for inspiration to strike. They show that regardless of the field, innovations happen in the same way: examples from history, presence of mind, creative combination, and resolution to action. *The Art of Ideas* features case studies and exercises that explain how to break down problems, search for precedents, and creatively combine past models to form new ideas. It showcases how Picasso developed his painting style, how Gandhi became the man we know today, and how Netflix came to disrupt the movie-rental business. You Are an Artist Sarah Urist Green, 2020-04-14 “There are more than 50 creative prompts for the artist (or artist at heart) to explore. Take the title of this book as affirmation, and get started.” —Fast Company More than 50 assignments, ideas, and prompts to expand your world and help you make outstanding new things to put into it Curator Sarah Urist Green left her office in the basement of an art museum to travel and visit a diverse range of artists, asking them to share prompts that relate to their own ways of working. The result is *You Are an Artist*, a journey of creation through which you'll invent imaginary friends, sort books, declare a cause, construct a landscape, find your band, and become someone else (or at least try). Your challenge is to filter these assignments through the lens of your own experience and make art that reflects the world as you see it. You don't have to know how to draw well, stretch a canvas, or mix a paint color that perfectly matches that of a mountain stream. This book is for anyone who wants to make art, regardless of experience level. The only materials you'll need are what you already have on hand or can source for free. Full of insights, techniques, and inspiration from art history, this book opens up the processes and practices of artists and proves that you, too, have what it takes to call yourself one. *You Are an Artist* brings together more than 50 assignments gathered from some of the most innovative creators working today, including Sonya Clark, Michelle Grabner, The Guerrilla Girls, Fritz Haeg, Pablo Helguera, Nina Katchadourian, Toyin Ojih Odutola, J. Morgan Puett, Dread Scott, Alec Soth, Gillian Wearing,
