Take the title of this book as affirmation, and get started.” —Fast Company More than 50 assignments, ideas, and prompts to expand your world and help you make outstanding new things to put into it Curator Sarah Urist Green left her office in the basement of an art museum to travel and visit a diverse range of artists, asking them to share prompts that relate to their own ways of working. The result is *You Are an Artist*, a journey of creation through which you'll invent imaginary friends, sort books, declare a cause, construct a landscape, find your band, and become someone else (or at least try). Your challenge is to filter these assignments through the lens of your own experience and make art that reflects the world as you see it. **100 Days of Sunlight** Abbie Emmons,2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her

eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

One can almost feel perspectives opening on her side of the looking glass as children's voices break through the hush, and we come in touch with the unexpected.” —From the Foreword by Maxine Greene, Teachers College, Columbia University “Early childhood teachers will find this well-written, engaging, and easy-to-read book to be a gift!
