But before that, he was a little boy who saw art everywhere: in poetry books and museums, in games and in the words that we speak, and in the pulsing energy of New York City. Now, award-winning illustrator Javaka Steptoe’s vivid text and bold artwork echoing Basquiat’s own introduce young readers to the powerful message that art doesn’t always have to be neat or clean--and definitely not inside the lines--to be beautiful.

📖 **You Are An Artist** SARAH URIST GREEN, 2020-04-14 “There are more than 50 creative prompts for the artist (or artist at heart) to explore. Take the title of this book as affirmation, and get started.” —Fast Company More than 50 assignments, ideas, and prompts to expand your world and help you make outstanding new things to put into it Curator Sarah Urist Green left her office in the basement of an art museum to travel and visit a diverse range of artists, asking them to share prompts that relate to their own ways of working. The result is You Are An Artist, a journey of creation through which you’ll invent imaginary friends, sort books, declare a cause, construct a landscape, find your band, and become someone else (or at least try). Your challenge is to filter these assignments through the lens of your own experience and make art that reflects the world as you see it. You don’t have to know how to draw well, stretch a canvas, or mix a paint color that perfectly matches that of a mountain stream. This book is for anyone who wants to make art, regardless of experience level. The only materials you’ll need are what you already have on hand or can source for free. Full of insights, techniques, and inspiration from art history, this book opens up the processes and practices of artists and proves that you, too, have what it takes to call yourself one. You Are An Artist brings together more than 50 assignments gathered from some of the most innovative creators working today, including Sonya Clark, Michelle Grabner, The Guerrilla Girls, Fritz Haeg, Pablo Helguera, Nina Katchadourian, Toyin Ojih Odutola, J. Morgan Puett, Dread Scott, Alec Soth, Gillian Wearing, and many others.

📖 **Growing an Artist** JOHN PARRA, 2022-05-10 Today Juanito is accompanying his father who is in the landscaping business, and he takes his sketchbook along to draw anything that catches his eye, and gets to help his father plan an entire garden--and then help plant it. Includes an autobiographical note.

📖 **Art Is Life** TAMI LEWIS BROWN, 2020-12-01 Writer Tami Lewis Brown and illustrator Keith Negley present a joyful picture book biography of modern art icon Keith Haring, celebrating the ways his life embodied the message: art is for everyone. Art is life... and life is art. Keith Haring believed that art should be enjoyed by everyone. When Keith first moved to New York City, he rode the subway and noticed how the crowds were bored and brusque, and that the subways were decayed and dreary. He thought the people of New York needed liberating, illuminating, and radiating art. So he bought a stick of white chalk and started drawing...

📖 **Pigskins to Paintbrushes** DON TATE, 2021-08-17 From acclaimed author and illustrator Don Tate, the rousing story of Ernie Barnes, an African American pro football player and fine artist He realized how football and art were one and the same. Both required rhythm. Both required technique. Passing, pulling, breaking down the field—that was an art. Young Ernie Barnes wasn’t like other boys his age. Bullied for being shy, overweight, and uninterested in sports like boys were “supposed” to be, he instead took refuge in his sketchbook, in vibrant colors, bold brushstrokes, and flowing lines. But growing up in a poor, Black neighborhood during the 1930s, opportunities to learn about art were rare, and art museums were off-limits because of segregation laws. Discouraged and tired of being teased, Ernie joined the school football team. Although reluctant at first, he would soon become a star. But art remained in Ernie’s heart and followed him through high school, college, and into the NFL. Ernie saw art all around him: in the dynamic energy of the game, the precision of plays, and the nimble movement of his teammates. He poured his passion into his game and his craft, and became famous as both a professional athlete and as an artist whose paintings reflected his love of the sport and celebrated Black bodies as graceful and beautiful. He played for the Baltimore Colts (1959–60), Titans of New York (1960), San Diego Chargers (1960–62), and the Denver Broncos (1963–64). In 1965, Barnes signed with the Saskatchewan Roughriders in Canada, but fractured his right foot, which ended his professional football career. Soon after, he met New York Jets owner Sonny Werblin, who was impressed by Barnes and his art. In 1966, Barnes had a debut solo exhibition in New York City, sponsored by Werblin at the Grand Central Art Galleries; all the paintings were sold. Barnes became so well-known as an artist that one of his paintings was featured in the opening credits of the TV show Good Times, and he was commissioned to create official posters for the Los Angeles 1984 Summer Olympics. From award-winning author and illustrator Don Tate, Pigskins to Paintbrushes is the inspiring story of Ernie Barnes, who defined himself on his own terms and pushed the boundaries of “possible,” from the field to the canvas. The back matter includes Barnes’s photograph and his official Topps trading card. Also included are an author’s note, endnotes, a bibliography, and a list of websites where Barnes’s work can be seen.

📖 **An Artist’s Story of the Great War** EDWIN FORBES, 2002 Edwin Forbes was born in New York City in 1839. He worked as a sketch artist for Frank Leslie’s Illustrated Newspaper joining the staff at age 22. In 1861 he was attached to the Army of the Potomac, and was one of the youngest and one of the few artists who covered the entire war. Most of his illustrations were of the daily life of the soldiers, but he also depicted battle scenes including the Second Battle of Bull Run, and Hooker’s Charge at Antietam. As a young man, Forbes was a student of Arthur Fitzwilliam Tait, and from 1861 to 1882, exhibited at the National Academy of Design. Originally he started his career as an animal painter and then did some genre and landscape, but after the Civil War, drew primarily upon his sketches from that period for his paintings and etchings. Late in his career, his right side was paralyzed, and he learned to paint left handed. His drawings won a medal at the Centennial Exposition of 1876. Forbes died in 1895.

📖 **Edna Hibel** MILLIE CLARKSON, EDNA HIBEL, THEODORE PLOTKIN, 2006 Edna Hibel📖 s’ distinguished career as an artist, humanitarian, and international diplomat. Edna Hibel, best known for her Mother and Child series of paintings, has earned international acclaim as an artist of extraordinary sensitivity and profound humanistic concern. Her work is exhibited in prestigious museums and galleries in more than 20 countries, including national museums in Brazil, China, Costa Rica, Russia, and the United States.

📖 **The Country Artist** DAVID R. COLLINS, 2012-01-01 Tea with a hedgehog and supper with a rabbit? Beatrix Potter entertained guests that most people--certainly Beatrix Potter’s proper Victorian parents--would have thought belonged in a meadow, not in a London nursery. Such unlikely companions were company for lonely Beatrix, and she spent much of her time sketching and making up stories about these small creatures. Beatrix was so well acquainted with the characters of her various animal friends that when she was older it seemed natural to write and illustrate small books about their delightful adventures. Generations of children all over the world have gotten to know and love Beatrix Potter’s animal friends--Benjamin Bunny, Mrs. Tiggy-Winkle, Squirrel Nutkin, Peter Rabbit, and many more. David Collins’s lively text and Karen Ritz’s striking illustrations combine to tell the wonderful tale of this gentle, creative woman who had a special feeling not only for animals, but also for children.

📖 **Makin’ Art, A Street Artist’s Story** RICK GALLUP, 2014-04-22 Art fairs change shape and move around, but I think of them as one place because their essential essence stays the same. The location might be a city I’ve never been in, but I’m at home as soon as I get there. Exhibit canopies go up, familiar faces go by, and for two or three days a little village of artists comes together and then disappears. This village is where I have lived most weekends, from May to October for over thirty years. The other place I live is a small historic village in Ohio where my wife and I raised a family. I also have a little art gallery and picture framing business in our hundred year old house. My story is partly about the double life street artists lead, being part of two very different communities.

📖 **The In-Between Artist** DAVID F. D’ORAZI, 2020-04-08 The successes and struggles of influential twentieth century artist Tony D’Orazi are detailed in this first-ever biography, The In-Between Artist: The Story of Tony D’Orazi, from his early years as a child prodigy in Missoula, Montana, to his ascension into an award-winning artist by way of New York City and Chicago and his days working for Disney to ultimately becoming the radio and television personality known as Uncle Tony O’Dare, the first cartoonist of the air. Tony’s personal struggles would repeatedly attempt to derail his artistic ambitions, but the art would always find a way to persevere. Along his ascent, he would also meet his true love, whom he formed a vaudeville act with, which found them entertaining crowds across America. From there, he became a husband and father of four, who constantly struggled to find balance between his roles as a visual artist and family man, all while battling with severe bouts of mental illness. This is a portrait of an artist and entertainer which also includes later chapters of his life, in which he went on to become a successful salesman and character actor, all while still pursuing his need to create. In the end, despite all these roles he played and the countless hurdles he faced, Tony remained an artist in between. Ultimately, his story proves that no matter what obstacles he faced, his art always found a way.

📖 **Bob the Artist** MARION DEUCHARS, 2016-04-26 Bob the bird is just like all his friends, apart from his skinny legs. When Bob is teased, he decides to try and change himself to fit in. But little does he know where all his efforts will lead him... An affirming picture book for age 3+ about the power of art and of being confident enough to be yourself.

📖 **The Artist’s Way** JULIA CAMERON, 1995 With this book you can discover how to unlock your latent creativity and make your dreams a reality. It provides a 12-week course that guides you through the process of recovering your creative self.

📖 **ANYWHERE ARTIST** Nikki Slade-Robinson,2018 I don’t need paint or paper. I can make art anywhere. My imagination is all I need. In spare, delightful text and illustrations, an exuberant artist makes art from found objects and the world around her. This sprightly picture book celebrates creativity and will inspire readers to find art all around them, unleash their imaginations, and make their own artistic creations.

📖 **JUST BEING DAL**📖 Amy Guglielmo,2021-02-09 This kid-friendly picture book biography celebrates the irrepressible individuality of surrealist artist Salvador Dalí. Salvador Dalí just couldn’t help being himself. When he was little, he wasn’t like the other children; he was a daydreamer who liked to play pretend. When he grew up, he became an artist, but he didn’t want to make art that looked like everyone else’s. He became the most famous painter of his time after he made a picture of melting clocks. He liked to do wild, attention-grabbing things: He drove a fancy car stuffed with 1,000 pounds of cauliflower. He gave a speech inside a deep-sea diving suit. And he took his pet ocelot Babou to lunch at snooty restaurants. He designed lollipop wrappers in exchange for free candy, a lobster phone that really worked, and a hat made out of a shoe! Here’s the true story of the one and only Salvador Dalí, an artist who never stopped being himself.

📖 **REASON 2 BELIEVE** Marti Somers,2015-04-28 Marti Somers is a Northern California contemporary artist. Punctuated throughout this 154 page narrative that spans over a decade, Somers shares 92 color plates of her paintings
