Shards of Ashley, Book 5 of the Family Heirlooms Series Karen Wiesner, 2014-08-13 Ashley Savage grew up in a troubled home with a competitive, pampered sister and an abusive mother who played at being a Christian when she needed to...and led Ashley to more addictions than one child could handle. As an adult, Ashley tells herself she's put the extreme fears of the past behind her, but she spends most of her time repairing the crumbling wall holding back the horrors she's not willing to face ever again. The one man who has the annoying habit of getting through her defenses is Jay Samuels, a military chaplain and soon-to-be pastor. Much as Ashley wants to leave him behind, Jay is ambitious to a fault where she's concerned. He hears only what he wants to hear-and he doesn't want to hear that she doesn't love him as much as he loves her. But even Jay doesn't realize the extent of all she's buried...and what keeps her from giving herself willingly to the God she knows is drawing her inexorably to Himself, to the one place she can't run, where she can no longer hide...

Matters of the Heart Ashley Farley, 2022-01-04 The genie is out of the bottle. After decades of secrecy, Stella has finally made her resort's natural hot springs available to guests. Little does she know, the waters have magical healing powers. Not only do the springs cure physical ailments, but matters of the heart as well. When word gets out, she has a riot of opportunity seekers on her hands. Presley could use a bit of that healing magic. She returns to the inn for an unexpected visit, pregnant, planning to stay for the summer, and refusing to talk about her new husband. Did she leave Everett's concert tour because of the pregnancy? Or is there trouble in paradise already? Also on a collision course are Cecily and Lyle who've been living together for six months. Things aren't working out as they'd hoped. Their separate roads in life rarely cross. Cecily knows she may have to yield if their paths are to merge. But at what cost? Is she willing to give up the career she's worked so hard for? Ollie is new on staff, hired by Stella to manage the Wellness Center. After a messy divorce and losing her family's vineyard in a fire, she's moved from California to Hope Springs in search of a fresh start. Most newcomers to Hope Springs are running, hiding, or searching. In Ollie's case, it's all three. The magical healing waters of Hope Springs are powerful. But are they enough to set this group of sojourners on the paths that will

lead to their ultimate happiness?

The Will Kristen Ashley, 2014-04-08 Early in her life, Josephine Malone learned the hard way that there was only one person she could love and trust: her grandmother, Lydia Malone. Out of necessity, unconsciously and very successfully, Josephine donned a disguise to keep all others at bay. She led a globetrotting lifestyle on the fringes of the fashion and music elite, but she kept herself distant. While Josephine was trotting the globe, retired boxer Jake Spear was living in the same small town as Lydia. There was nothing disguised about Jake. Including the fact he made a habit of making very bad decisions about who to give his love. But for Josephine and Jake, there was one person who adored them. One person who knew how to lead them to happiness. And one person who was intent on doing it. Even if she had to do it as her final wish on this earth.

All About Forever Ashley Erin, The moment she walked into his clinic, Ryan knew he was in trouble. It wasn't his idea to hire Reese, and the woman who walks in his door is definitely a surprise, an unwelcome one at that. Reese has worked in a male-dominated field for ten years. She's always kept business separate from pleasure. Easily. That is, until Ryan. He's strong and sexy. He awakens a part in Reese that died when she signed her divorce papers four years ago. She doesn't want to be attracted to her boss, she wants to focus on getting herself out of debt and finding her happiness. Wreck My World Victoria Ashley, 2019-06-12 From New York Times Bestselling Author Victoria Ashley, comes an emotional friends-to-lovers/brother's-best-friend Romance. The feeling I have in this very moment, after not seeing her for so long, will haunt me forever, reminding me why I left to begin with. For as long as I can remember, Easton Crews has been off-limits. As much as it kills me, that's never going to change. After his little disappearing act three years ago, then suddenly showing up out of nowhere, I shouldn't want anything to do with him. It doesn't matter how beautiful he still is. Or how close we once were. It shouldn't matter that my entire body lights on fire with need whenever he gets close. He chose the worst possible time to leave without so much as a goodbye. However, just like the first day he walked into our home, I'm drawn to him, needing him near me just as badly as I need air to breathe, and I can't stand it. I want to hate him. I know I should hate him. But hating him is the last thing he'll let me do. I push, he pulls harder, until I'm completely wrapped up in him, my mind lost in the one person who is forbidden—the one person I've always loved, even when he belonged to someone else. Easton was never meant to be mine. It took me years to come to terms with that and now that I finally have, he's here, right in front of me, more irresistible than ever. The part I fear the most about that—he's the one person capable of completely wrecking my world. I'm not leaving until you take all of your hate out on me. Let me feel it. All of it. Every dirty look. Every nasty word. I will have it all before I leave. Stop hiding from me.

Saved by the Woodsman Eddie Cleveland, 2017-02-12 I turned my back on society, walked off the grid and never looked back. So, why can't I let her go? Sawyer: Ashley represents everything I hate in society. A spoiled brat, a media princess, a woman who would rather record her life than live it. It's people like her that are responsible for the bullshit on the internet, bullshit that cost the lives of everyone I've ever loved. But one taste of her makes me question how I could ever live in a world without her in it. Ashley: Sawyer offers me nothing more than a hard body and a warm bed. He's just an escape from my humiliation and betrayal. He can never provide me the lifestyle that I worked so hard to obtain. Then why am I considering throwing away my fame and fans to hide away from the world that embraced me when no one else would?
