Shards of Ashley, Book 5 of the Family Heirlooms Series Karen

Wiesner,2014-08-13 Ashley Savage grew up in a troubled home with a competitive, pampered sister and an abusive mother who played at being a Christian when she needed to...and led Ashley to more addictions than one child could handle. As an adult, Ashley tells herself she's put the extreme fears of the past behind her, but she spends most of her time repairing the crumbling wall holding back the horrors she's not willing to face ever again. The one man who has the annoying habit of getting through her defenses is Jay Samuels, a military chaplain and soon-to-be pastor. Much as Ashley wants to leave him behind, Jay is ambitious to a fault where she's concerned. He hears only what he wants to hear-and he doesn't want to hear that she doesn't love him as much as he loves her. But even Jay doesn't realize the extent of all she's buried...and what keeps her from giving herself willingly to the God she knows is drawing her inexorably to Himself, to the one place she can't run, where she can no longer hide...

Matters of the Heart Ashley Farley,2022-01-04 The genie is out of the bottle. After decades of secrecy, Stella has finally made her resort's natural hot springs available to guests. Little does she know, the waters have magical healing powers. Not only do the springs cure physical ailments, but matters of the heart as well. When word gets out, she has a riot of opportunity seekers on her hands. Presley could use a bit of that healing magic. She returns to the inn for an unexpected visit, pregnant, planning to stay for the summer, and refusing to talk about her new husband. Did she leave Everett's concert tour because of the pregnancy? Or is there trouble in paradise already? Also on a collision course are Cecily and Lyle who've been living together for six months. Things aren't working out as they'd hoped. Their separate roads in life rarely cross. Cecily knows she may have to yield if their paths are to merge. But at what cost? Is she willing to give up the career she's worked so hard for? Ollie is new on staff, hired by Stella to manage the Wellness Center. After a messy divorce and losing her family's vineyard in a fire, she's moved from California to Hope Springs in search of a fresh start. Most newcomers to Hope Springs are running, hiding, or searching. In Ollie's case, it's all three. The magical healing waters of Hope Springs are powerful. But are they enough to set this group of sojourners on the paths that will lead to their ultimate happiness?

Finding Ashley Danielle Steel,2021-04-27 #1 NEW YORK TIMES BESTSELLER • In this blockbuster novel from Danielle Steel, two estranged sisters get the chance to connect again and right the wrongs of the past. Melissa Henderson is leading a quiet life. Once a bestselling author, she now pours all her energy into renovating a Victorian house nestled in the foothills of rural New England. Six years ago, she lost her young son to cancer, and her marriage dissolved. She stopped writing. It was only when she bought the old house that Melissa found a purpose, and came alive as she made it beautiful again. After a wildfire that threatens her home appears on the news, Melissa receives a call from her sister, Hattie. They were close once, but that was

before Melissa withdrew from the world. Now Hattie, who became a nun at twenty-five, is determined to help Melissa turn a new page, even if it means reopening one of the most painful chapters of her life. At sixteen, a pregnant Melissa was sent to a gloomy convent in Ireland to have—and give up—her baby, to spare the family shame. All these years later, Hattie feels compelled to embark on a journey that will change both their lives forever, and track down the child Melissa gave up. Finding Ashley is a masterpiece of contemporary drama and tells a gripping story of the strength of the human spirit to chase an impossible dream. It is the story of two strong, brave women turning wrenching loss into reconnection, and a family reunited after bringing dark secrets into the light.

All About Forever Ashley Erin, The moment she walked into his clinic, Ryan knew he was in trouble. It wasn't his idea to hire Reese, and the woman who walks in his door is definitely a surprise, an unwelcome one at that. Reese has worked in a male-dominated field for ten years. The cold welcome she receives her first day isn't unexpected. She's used to working twice as hard to prove she's just as good or better than her male counterparts. She's always kept business separate from pleasure. Easily. That is, until Ryan. He's strong and sexy. He awakens a part in Reese that died when she signed her divorce papers four years ago. She doesn't want to be attracted to her boss, she wants to focus on getting herself out of debt and finding her happiness. Ryan isn't willing to give his heart to someone again, but the connection he feels with Reese is hard to deny. They both struggle to resist the temptation, but one way or another, things are about to implode.

Saved by the Woodsman Eddie Cleveland, 2017-02-12 I turned my back on society, walked off the grid and never looked back. So, why can't I let her go? Sawyer: Ashley represents everything I hate in society. A spoiled brat, a media princess, a woman who would rather record her life than live it. It's people like her that are responsible for the bullshit on the internet, bullshit that cost the lives of everyone I've ever loved. But one taste of her makes me question how I could ever live in a world without her in it. Ashley: Sawyer offers me nothing more than a hard body and a warm bed. He's just an escape from my humiliation and betrayal. He can never provide me the lifestyle that I worked so hard to obtain. Then why am I considering throwing away my fame and fans to hide away from the world that embraced me when no one else would?

Lust & Wrath Ashley Mayfield,2022-01-08 In her debut title Lust & Wrath: A Collection of Poetry and Short Stories, breakout poet Ashley Mayfield takes a lyrical and poetic approach towards the blurred lines between lust and love, love and wrath.

Make It Out Alive Ashley Vogel,2011-08-24 It was quiet in my house, and I think I found the only flaw in having someone know about me. The quiet was deafening, I used to take comfort in the silence and now it was just this vast...nothingness. I logged onto my computer and stole a neighbors wireless. There were a bunch of people online I could talk to but the clicking of my keys didn't really fill the room with any sort of comfort. Evan was off on a rant about his sixteen year old sister being pregnant, Ryan was regaling me with horrible math jokes, and Claire was saying little but usually gave me updates on what they were doing. Until finally I decided to go over there – just to get away from the black hole that was my house.

Shannon's worst fears are realised when his intolerant, homophobic parents back him into a corner, leaving him no option but to fight for his escape. This is only the beginning of his troubles. His friend Elise isn't faring any better. Her romance with Aiden is hardly that, and she is in turmoil over a long held secret she has been keeping from her sister and flatmate, Tempest. When these troubled souls cross paths, each becomes entangled in predicaments concerning the other three, and before long, secrets are magnified and new ones created. Once these secrets rise to the surface, not even the cold-hearted may be able to emerge from the chaos unscathed.

Now that YaYa is out of the picture, she's ready to step into her shoes and have the life she always dreamed of. When tragedy brings her back into his world, Eli moves mountains to help Emersyn get back onto her feet by finding her a job as a backup singer for Jacob's Ladder. At first, Eli is thrilled that Emersyn is along on tour, and he sets out to do his best to help her forget her sorrow through a range of crazy friend dates. But after spending so much time with her in such close quarters, Eli finds his feelings beginning to shift. He no longer sees Emersyn as the once awkward young girl he played some of his first songs with. Soon it's not only his body that reacts to her, but it's also his heart. He's about to learn what a dangerous game it is to dry a widow's tears. After losing her husband and singing partner in a tragic accident, Emersyn Wallace spent the last eight months drowning in a sea of grief. With the bills piling up and her family and friends concerned about her emotional welfare, she reluctantly agrees to join the Jacob's Ladder's tour. But as the anniversary of her husband's death approaches, she finds herself in turmoil over her new amorous feelings for Eli.
