Magic Awakens Lucia Ashta, 2022-04-28 In nineteenth century Norland, magic is forbidden, punishable by death. But it's coming for Clara... Clara was born to the nobility at a time when rank and power are often more valuable than the bonds of family. Her parents have plans for her, none that she wants, all involving her arranged marriage to a suitor selected for her, without her input. From her birth, her entire life has been planned out for her, from lessons with her governess in academics—only what a future wife in society needs to know, of course—to etiquette and needlepoint. Every step of her path is meant to end with her walking down an aisle and then popping out heirs, to eventually begin the cycle anew. Her true feelings shared only with one of her sisters, Clara cringes at the thought of her destiny, doing all she can to accept the fate her parents have chosen for her. Only then, for the first time in her life, something unexpected happens. Clara falls gravely ill, and none of the usual methods, including leeching, can save her. With their daughter on

the brink of death, when her future alliance is already settled, her desperate father finally calls on a mysterious man whose expertise is in the banned arts. It's a dangerous move, one that threatens all that her parents have built. Now, an illegitimate wizard is Clara's only hope of survival. And under his secret care, an unforeseen side effect develops. Magic awakens in Clara, gifting her with a second chance. Her entire life, she has resisted the lure of magic, doing what has been expected of her. Nothing has prepared her to deny the temptation of the only man willing to save her ... from herself. * Magic Awakens is the first book in the Witching World, a complete series of six full-length novels and one prequel novella. These books are young adult historical fantasy and are suitable for all ages. Each book ends in a cliffhanger, but the series finale wraps up in an uplifting happily-ever-after. * The suggested reading order for the Witching World series is the following: Magic Awakens The Five-Petal Knot The Merqueen The Ginger Cat The Scarlet Dragon Spirit of the Spell - prequel novella Mermagic Andalon Awakens T.B. Phillips, 2019-06-24 ***** Winner! 2021 Independent Press Award! *****

Two Worlds Collide in Andalon Here is the first volume of T.B. Phillips' action-packed series Dreamers of Andalon. Critics agree that his characters are so vivid they come to life, driving the reader to tears of both dread and celebration as he paints a world directly into your mind. This modern fantasy combines magic with emotion while promising political intrigue and adventure. Each page transports you to a realm of dueling worlds, one advanced and the other locked in the age of sail and pirates. Andalon Awakens Many years from now, in a world in which we have all been forgotten, the Caldera of Cinder erupts and Andalon descends into chaos. Pirates and outlaws ally against tyranny as magical powers awaken at alarming rates, unraveling the plans of the evil Falconers. These dark administrators harvest children who could potentially manipulate the elements, stealing their abilities for a darker purpose. The heroes of this tale include Eusari Thorinson, kidnapped and sold at a young age. She must choose vengeance against those responsible for the pain she endured in evil hands, or choose to challenge the Falconers beside Braen Braston - a quiet outcast from the northern kingdom of Fjorik. Across the continent Robert Esterling fights to come of age and struggles with physical limitations while leading a civil war against his usurper brother - the leader chosen by the Falconers. He must decide the fate of thousands of refugees from the west, the hated and feared Pescari and their powerful goddess of fire. Follow these unlikely heroes as they face political intrigue and work through personal barriers. Read along as they learn to use their powers without destroying the very people they feel compelled to save. Gasp as they discover a much more dangerous foe than Andalon ever dreamed. Andalon Awakens is an emotional ride that will lead you to laughter, tears, and gasps along the way. T. B. Phillips is a craftsman who toys with your heart and leads you by the hand through expert world building, putting you inside each of his characters. Sometimes you read a book and realize you're reading art. This book does that. I was absolutely blown away by the rich descriptions and well-formed action sequences. This book is a clinic in writing artistry. It was outstanding in every regard. If there was an option for a sixth star, this book should get it. This book was turned up to 11 all the way to the end. Nice Work. - ZombieTex, ★★★★★ A fantastic tale with pirates, sword fights, magic, love, betrayal, secrets and more! TB Phillips is becoming a master-craftsman weaving a beautiful tapestry of characters, adventure and wonder. The imagery of the battles at sea, the Pescari people, and even the evil that lurks behind the book cover is magnificently written. You will latch onto each character and hope your beloved favorites survive to the end of the series. Phillips has a vivid imagination that compels the reader to turn the pages faster and faster until they finish with a desire to read more. - Maria Thompson, ★★★★★

Butterfly Awakens Meg Nocero, 2021-09-07 One woman's dark night leads her on a journey to find her light. Butterfly Awakens depicts the story of the extraordinary transformation of a forty-something Italian American attorney as she moves through unimaginable grief and sadness watching her beloved mother lose her battle to breast cancer. This tumultuous life experience shifts her world, causing her to question her life choices and opening her up to her soul's calling. Nocero brings readers along on her journey through a dark night of the soul as she deals with the grieving process, a toxic work environment, and intense stress that results in depression, anxiety, and an acquired somatic nervous disorder called tinnitus. Through it all, she never gives up, instead looking for the

help she needs to start to heal and find her light. In the end, like the metamorphosis from caterpillar to butterfly, this story is a beautiful love letter that honors Nocero's mother's legacy while detailing the awakening of her own. There are many stories about breast cancer and grief, but none are quite like this one. Throughout her tale, Nocero pulls the reader deep into her story through the intensity of her emotions; and in the end, after resigning from her career as a federal prosecutor due to a toxic administration, she searches for the lighthouse she saw in a vision when her mother died. Embarking on a spiritual pilgrimage on El Camino de Santiago in Northern Spain to get to the lighthouse at Cap Finisterre, she sets out to wake up and live again; the butterfly connection and stark honesty of her writing offers readers important lessons learned from moving through grief so that each person can shine their light again.

The Myth Awakens Ken Derry, John C. Lyden, 2018-09-13 The trailers for Star Wars: The Force Awakens made a strong impression on fans. Many were excited by what they saw as a return to the spirit of George Lucas's 1977 creation. Others—including several white supremacy groups—were upset and offended by key differences, most notably the shift away from a blond, blue-eyed, male protagonist. When the film was finally released, reactions similarly seemed to hinge on whether or not The Force Awakens renewed the “mythic” aspects of the original trilogy in ways that fans approved of. *The Myth Awakens* examines the religious implications of this phenomenon, considering the ways in which myth can function to reinforce “traditional” social and political values. In their analyses the authors of this book reflect on fan responses in relation to various elements of (and changes to) the Star Wars canon—including toys, video games, and novels, as well as several of the films. They do so using a variety of critical tools, drawing from studies of gender, race, psychology, politics, authority, music, ritual, and memory.

That Which Awakens Me Ananda Kiamsha Madelyn Leeke, 2009-11-17 In the poetic memoir *That Which Awakens Me*, Ananda Kiamsha Madelyn Leeke shares her journey of self-discovery from a law school graduate to a creative woman who learned to open the door to authentic living. When Leeke graduated from law school in 1989, she was a twenty-something with a life plan focused on becoming a successful attorney. Through poetic reflection and personal stories, she shares the lessons that taught her to trust her intuition, expand her spiritual practices, heal emotional wounds, tap into her creativity, discover her passions, open her eyes to hidden opportunities, volunteer and serve her local community, travel the world, and heed her calling as a writer, artist, creativity coach, yoga teacher, Reiki Master practitioner, radio host, blogger, social media strategist, and innerpreneur. *That Which Awakens Me* provides insight for anyone seeking guidance on how to both handle and benefit from the ups and downs of their own life journey.

He Awakens Me Shirley Hudson, 2006-12 *He Awakens Me* is a collection of weekly meditations composed by Shirley Hudson. They are in the form of soliloquies. Interacting with happenings and observations, she finds analogies that speak to the territory of Christian experience. To facilitate greater practical and devotional usage, the writer has provided not only a topical list of the subjects covered, but also an index of the related scriptural passages that figured in each soliloquy. The soliloquies were first sent out on a weekly basis via email to an ever-increasing mailing list. Many who received them expressed appreciation and suggested that they be published in book form in order to reach a wider audience. The author prays that these personal meditations will not only reach a wider audience, but that they will help produce in every reader that quality of life that truly honors and glorifies her Savior, the Lord Jesus Christ.

The World Awakens John Michael Chambers,2022-10-19 Do you trust our government, media, education, healthcare, technology, entertainment, banking, and investments? Should you? The small, untrustworthy group of people who own and control every one of those industries hope you will not even entertain the questions, let alone put in the time to explore the answers. These two volumes of *The World Awakens* are an encyclopedia of trusted sources who give their honest overview of our real history, the world today, and what lies ahead. You will get the forty-thousand-foot view from deep researchers, truth tellers, and patriots like myself, General Michael Flynn, Juan O Savin, Sidney Powell, General Thomas McInerney, Lin Wood, Patrick Byrne, Mike Lindell, Clay Clark, Praying Medic, Patel Patriot, Mike Adams, Laura Logan, the late Robert David Steele, and many many more. World war is not just on the way. This is no simulation. It is here. Today's threat is real, making *The World Awakens* critically important for widely exposing uncomfortable truths. These two books are not about politics; instead, they put the evidence before you, showing how we are all participants in this conflict that continues the struggle of good against evil, life versus death. Many have woken up to the threat, but a large portion of the masses are still unaware, leaving everyone vulnerable to a relative few whose ultimate goal is complete control of the world—actually, they have had it for decades and longer—as they continue working at ways to slowly terminate us through methods that a busy, uninterested

society will not stop to learn. Today's covert battle involves a planet full of average, honorable people fighting a relatively-tiny group of world-controlling depopulationists. They desire to dominate. It's us or them. Good people must help. Please join the fight. When your children and grandchildren ask: "What were you doing as global governance was being thrust down the throat of America and the world?" What will be your answer?

Seemingly alone and defenseless, divine intervention would reveal itself time and time again to turn the tide in her favor to insure not only her survival, but her thrival. It is a feminine perspective and survivor's guide when you find yourself confronted with the dark side of the supernatural, intended to lighten the load of a burden she carried for twelve years. The battles were supernatural, the fight with the unseen forces was never fair or provoked, and came out of the blue and at random. The choices of others and the universal laws of attraction had unleashed a war zone in her personal life after the events of 9/11, and she had to discover for herself how to cleanse, clean, and clear it out of her life. This is a journey of discovery of the self. We heal, we reveal, we recover to assist others who struggle with dark days and deeds.

The Global Heart Awakens Anodea Judith,2013-07-01 Positing that modern society is an adolescent culture, driven by greed and power and lying on the cusp of an era of spiritual growth and shifting values, this book explores mythic themes in various historical eras to explain the past, present, and future of the human experience. It suggests that the world is facing a rite of passage into adulthood and that a time of cooperation, stabilization, and sharing is approaching. With an original theory of history based on developmental psychology, including an analysis of masculine and feminine archetypes, this thoughtful guide weaves the narratives of human history and individuals' experiences into a path of enlightenment and a way to catalyze social change.
