Bahamut 1 Rima Abunasser,Darin Bradley,2015-06-18 Bahamut 1 is a biannual print journal featuring works of fiction, nonfiction, and drama that explore the fringes of identity, nationality, culture, and voice through writing by authors from around the world. Derived from behemoth, the title, Bahamut, is a mythological Arabian creature, a giant fish acting as one of the layers that supports Earth. Borges writes of it that [all] the seas of the world, placed in one of the fish's nostrils, would be like a mustard seed laid in the desert.

Oracle of Tao Samantha Rinne Hooker,2020-01-19 In Earth's distant future, most of its religions known today decline or change. As a result of this spiritual upheaval, the barrier between the spiritual world and the physical one falter, and ghouls and demons are loosed upon the earth. Ultimately, most of these are resealed by the new religions, but one such demon named Belial, requires nothing short of sealing by angels to put back to rest. Thousands of years later, a beggar named Ambrosia Brahmin picks herself off the street only to be sent on a fetch quest by God, joined by swordsman, a shaman, a thief, a druid, an exorcist, an angel, and a demon. Meanwhile, the demon from eons before, sealed in a jar, is slowly being unsealed by a duped wizard, given false promises of rewards that await him...

50 Years of Boss Fights Daryl Baxter,2024-08-30 50 Years of Boss Fights celebrates a fading art in modern games. Author Daryl Baxter has written about 51 bosses that have made the greatest impact, ever since the first boss debuted in 1974. Full of interviews and insights from the developers who helped made the bosses as memorable as they are, includes those who have worked on Mario 64, DOOM, Bioshock, Star Wars, Half Life and many more. Some explained how they came to be, what was scrapped, and, ultimately, if they were happy with them, looking back. The book goes into detail about the first ever boss from the start, called the Golden Dragon in dnd, which first debuted in 1974. Heralded as the first ever boss in a video game, Daryl spoke to its creators about how it came to be, and how they feel about creating a standard in games. The book sheds light on what was scrapped in other bosses, and how some bosses were so illegal, they had to be updated in rapid fashion to avoid a potential lawsuit. Full of photos that showcase how the bosses work and how to beat them, it's a 50-year record of the best, the most challenging, and the most memorable that you may or may not have beaten so far. It's 70,000 words that celebrate the past 50 years of bosses, while giving insight by the developers who helped make them possible.

A Hero's Legacy Fabian Johnson,2010-01-15 At seventeen, Michael is the newest member of the dragon riders, an elite force that stands between humanity and total destruction. Though his father was a great hero who sacrificed his life in the line of duty, Michael isn't sure he has what it takes to follow in his footsteps. Maxwell is by far the most talented of the riders. He is also the son of the man who betrayed Michael's father and his fellow knights a decade ago. Maxwell has been the object of everyone's hatred for most of his life...and he has a score to settle. As the riders continue their training, the necromancer Ranmar has set a new plan in motion to exterminate every human who walks the earth. But if Michael and Maxwell are to prevail against the forces of darkness, they must first learn to trust each other.

Region Locked Matt Barnes,Dazz Brown,Greg S-C,2021-07-08 Not all games are released equal. The barriers of language and culture can leave our world divided, and this includes the video games that we get the chance to play. Matt Barnes, Dazz Brown and Greg Seago-Curl of DidYouKnowGaming? created the YouTube series Region Locked to offer an insight into the weird and wonderful titles that never left their home countries, and now they bring their expertise to you, the gaming reader. Encounter masterpieces you never knew existed from your favourite series and developers, as well as some utterly bizarre creations that seem so outlandish you might wonder how on earth they were released in the first place, from the trippy, meandering dreamscapes of 1998's LSD: Dream Emulator to The Mysterious Murasame Castle, released in 1986 by Nintendo, and the intergalactic adventures of Crime Crackers (1994). The authors explore what it's like to play these games, and investigate the fascinating characters and maverick designers behind them to discover why such remarkable creations never enjoyed international exposure. For the casual gamer, keen developer, intrigued reader and hardcore fan alike, Region Locked is the key to a surreal and adventurous journey through the lost world of video games.

The Haunting of the Immortal Killer Kyro Dean,Laya V Smith,2022-06-20 Strange things happen when you make friends with Evil. Masterfully told, beautifully written, dreamlike world to submerge your senses. - Amazon Review Princess Serap is the only frail human seeking courtship in Qaf, a magical world full of long-lived djinn. Sure that her shorter life span is the reason her romances fail, Serap runs away from the palace to find the secret to eternal life said to be held by the terrifying Immortal Killer. But if there's a forbidden box, Serap can't help but open it--and in the end, her hapless curiosity enrages the very one she sought for help. Locked in a dungeon by a cruel captor, a parade of haunted house guests and embodied secrets threaten her mortality more than living ever did. Trapped where logic is lost, fantastical magic runs amuck, and Evil speaks in the ghastly dark, her innocent naivety and desire to be loved may be the only thing that could save her. The problem? The Immortal Killer thinks so, too . . . **** Haunting of the Immortal Killer is a sweet, first love, clean fantasy romance (romantacy) that takes place in medieval historical Spain. GoodRead and Amazon Reviews ... wrapped in magic, wonder, and a touch of horror. Trust me, it's more than just another fantasy story—it's an adventure of a lifetime. Two thumbs way up! Remarkably entertaining read from the very beginning of the series. . . . magic, mystery, complex character-building, and straight-up whimsy. I couldn't put it down! ***** The Fires of Qaf is mythical historical fantasy series consisting of standalone epic fantasy romance novels that all tie together in a larger world of magic and djinn fire. These adaptations of Middle Eastern, African, and European djinn folklore each follow their own hero and strong heroine couple that embark on a magical, romantic, and sometimes dark fantasy journey. Bahamut Introduction

In the digital age, access to information has become easier than ever before. The ability to download Bahamut has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bahamut has opened up a world of possibilities. Downloading Bahamut provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bahamut has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bahamut. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bahamut. Some websites may offer pirated or illegally obtained copies of copyrighted

material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bahamut, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Bahamut has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
