Letting Loose the Hounds: Stories Brady Udall, 2010-06-28 "Funny, unpredictable, and abounding with strange beauty . . . a fierce new voice of the American West."—Outside Exploding with an unsettling exuberance, Brady Udall's stories traverse a geography of lost love, fragmented lives, and satisfying revenge. From the night a six-foot-three Apache Indian holding a goat steps into a moonlit Arizona backyard in *Midnight Raid* to the pivotal moment when a man, delirious from a dental extraction, gets rescued by a stranger in the title story, Udall injects his stories and characters with equal parts darkness and humor. These are sad and sweet stories, moving from the familiar to surprising destinations. But even when disaster looms, Udall's fine comic sense sustains his men and women in their sometimes extravagant efforts to connect and cope. Plunged in the moment, these stories have velocity; they spray gravel as they take off.

Shorties Engelbert Thaler, 2016-08-15 Short narrative texts are good for the language classroom because they are short and narrative. Therefore this volume treats the teaching potential of Shorties on a theoretical level (part A), a methodological level (part B), and a practical level (part C). Part A highlights the topic from the perspectives of different academic disciplines, in this case from a TEFL as well as from a linguistic and literary viewpoint. In part B, methodological contributions on selected texts, media and procedures are assembled. Part C is a collection of concrete sample lessons for teaching English at various levels. These lesson plans have been designed at university, carried out and evaluated by 11 experienced teachers, and finally revised by the editor.

Cut & Run Madeleine Urban, Abigail Roux, 2008-09-01 A series of murders in New York City has stymied the police and FBI alike, and they suspect the culprit is a single killer sending an indecipherable message. But when the two federal agents assigned to the investigation are taken out, the FBI takes a more personal interest in the case. Special Agent Ty Grady is pulled out of undercover work after his case blows up in his face. He's cocky, abrasive, and indisputably the best at what he does. But when he's paired with Special Agent Zane Garrett, it's hate at first sight. Garrett is the perfect image of an agent: serious, sober, and focused, which makes their partnership a classic cliché: total opposites, good cop-bad cop, the odd couple. They both know immediately that their partnership will pose more of an obstacle than the lack of evidence left by the murderer. Practically before their special assignment starts, the murderer strikes again - this time at them. Now on the run, trying to track down a man who has focused on killing his pursuers, Grady and Garrett will have to figure out how to work together before they become two more notches in the murderer's knife.

Collected Stories of Lorrie Moore Lorrie Moore, 2020-03-03 A beautiful hardcover edition of the collected stories of one of America's most revered and admired authors. BBC Culture's Best Books of the Year Kirkus Reviews Best Books of the Year, Best Short Fiction Collected here for the first time in one volume are forty stories by Lorrie Moore—originally published in the acclaimed collections *Self-Help*, *Like Life*, *Birds of America*, and *Bark and*

including three additional stories excerpted from her novels. Moore is one of America's most revered writers, and this career-spanning collection showcases her exceptional talent for leavening tragedy with humor, for blending sorrow with subversive wit. Her keenly observed stories are peopled by a variety of lost souls—husbands, wives, lovers, tourists, professors, students, even a ghost—who are often grappling with pain or disappointment: a divorced man obsessed with self-help books, a washed-up Hollywood actress living in a hotel, a woman with a terminal illness. But however lovelorn or dislocated the characters—from the wisecracking wedding guest in “Thank You for Having Me” to the self-deluded musicians in “Wings” to the complicated parent-child pairs in “How to Talk to Your Mother (Notes)” and “The Kid’s Guide to Divorce”—their stories are always grounded in insight and compassion. Moore’s portraits of the parents of a seriously ill child in “People Like That Are the Only People Here” and of a woman haunted by guilt over the death of her friend’s baby in “Terrific Mother” achieve a notably unsentimental and yet quietly devastating power. Whether moving or darkly funny, all of these pieces channel the messiness of the human condition through Moore’s characteristically knowing, wry voice, and together they confirm her as a master of the short story.

After the end of Civil War in 1865, more than four million slaves were set free. There were several efforts to record the remembrances of the former slaves. The Federal Writers' Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves. The resulting collection preserved hundreds of life stories from 17 U.S. states that would otherwise have been lost in din of modernity and America's eagerness to deliberately forget the blot on its recent past. Liberty's Chain David N. Gellman, 2022-04-15 In *Liberty's Chain*, David N. Gellman shows how the Jay family, abolitionists and slaveholders alike, embodied the contradictions of the revolutionary age. The Jays of New York were a preeminent founding family. John Jay, diplomat, Supreme Court justice, and coauthor of the *Federalist Papers*, and his children and grandchildren helped chart the course of the Early American Republic. *Liberty's Chain* forges a new path for thinking about slavery and the nation's founding. John Jay served as the inaugural president of a pioneering antislavery society. His descendants, especially his son William Jay and his grandson John Jay II, embraced radical abolitionism in the nineteenth century, the cause most likely to rend the nation. The scorn of their elite peers—and racist mobs—did not deter their commitment to end southern slavery and to combat northern injustice. John Jay's personal dealings with African Americans ranged from callousness to caring. Across the generations, even as prominent Jays decried human servitude, enslaved people and formerly enslaved people served in Jay households. Abbe, Clarinda, Caesar Valentine, Zilpah Montgomery, and others lived difficult, often isolated, lives that tested their courage and the Jay family's principles. The personal and the political intersect in this saga, as Gellman charts American values transmitted and transformed from the colonial and revolutionary eras to the Civil War, Reconstruction, and beyond. The Jays, as well as those who served them, demonstrated the elusiveness and the vitality of liberty's legacy. This remarkable family story forces us to grapple with what we mean by patriotism, conservatism, and radicalism. Their story speaks directly to our own divided times.

Fish Stories Karen Kennedy Samoranos, 2007-11-01 Unassuming Crescent County, California, is infested with murder, incest, mayhem, greed and self-serving political factions, artfully concealed by virtue of its charming facade. It is an isolated realm of superficial religious conservatism, where murky characters exploit the law, and manipulate truth in the local media, stubbornly embracing the Good Ol' Boy mentality in one of the most progressive regions of the United States. *Fish Stories Live From Saraville* is the fourth novel from author and California native Karen Kennedy Samoranos, and encompasses the darker, fatal side of author Samoranos' Saraville Series. From an abusive manipulator; a judge on the take; a homicidal police-chief, and the rebirth of white supremacy; to a failed high school shooting with a lethal twist, *Fish Stories* travels down the murky backroads of humanity. With its stark narrative of unrequited lust, avarice, political favor and damaged psyches, *Fish Stories* endures as an evocative and candid examination of the malignant architecture of human behavior, in this fictional recount of life in northeastern California.

African Short Stories: Vol 2 Chin Ce,2015-09-04 Bequeathing an enduring tenet for the creative enterprise, African Short Stories vol 2 boldly seeks to upturn the status quo by the art of narration. Whether they are stories of the whistle blower estranged and yet sounding the warning for heaven and earth to hear, or a ragtag army fleeing in the wake of a monstrous reptilian onslaught upon her peace, there pervades a sense of ultimate victory in this collection. We can feel the gentle kick of a baby in the womb of a maiden in desperation, or we can muse at the two adolescent genii on the trail of their dreams from the sunset of mutual deceit into the daylight of true becoming. Victory is laid out in that awesome kindness of a total stranger which affirms the divinity latent in even our most harrowing existence. With thirty five stories in two parts these literary experiments compel attention to the courageous hearts and minds that brighten the African universe of narration. Their vibrant notes coming from all corners of north, west, east and south fill us with encouragement and optimism for the contemporary short fiction in Africa.
