Life's Curve Balls Courtney Fraser,2023-08-30 There are many struggles and challenges in life. We all have different terms for life's struggles and challenges. I am a huge sports fan and a Christian, so I go between the terms curveball and storms. We also all consider different things to be storms and curveballs. One such positive storm in my life was finding out I had another uncle when I was 36 years old. Curveballs and storms change our views on life in general.

Ball Lightning Mark Stenhoff,2005-12-16 Down comes a deluge of sonorous hail, Or prone-descending rain. Wide-vent, the clouds Pour a whole flood, and yet, its flame unquenched, Th'unconquerable lightning struggles through. Ragged and fierce, or in red whirling balls, And fires the mountains with redoubled rage. Black from the stroke, above, the smould'ring pine Stands a sad shattered trunk; and, stretched below, A lifeless group the blasted cattle lie. James Thompson, "The Seasons" (1727) have been investigating ball lightning for more than two decades. I published a ball lightning report in Nature in 1976 that received worldwide publicity and I consequently many people wrote to me with accounts of their own experiences. Within a very short time, I had accumulated about 200 firsthand accounts, and the file has continued to grow steadily since then. Several things impressed me. Few of those who wrote to me had any detailed foreknowledge of ball lightning at the time of their observation. Nonetheless, once reports of other phenomena such as St. Elmo's fire had been eliminated, the remaining descriptions were remarkably consistent. Furthermore, nearly all who contacted me were keen to have an explanation of what they had seen and seemed entirely sincere.

White Storm Phil Ball,2003 White Storm charts the history of Real Madrid from its foundations to the golden period of Di Stefano and Puskas, from the hippy years to the latest embodiment of Madridismo - Raul, ending with an analysis of the arrival of David Beckham and what it might mean for the future of the club.

He's shocked to find not just Storm McCrory living in poverty, but his son. The son he never knew. Both shunned by most of the town. The Rites of Cricket and Caribbean Literature Claire Westall,2021-07-01 This book analyses cricket's place in Anglophone Caribbean literature. It examines works by canonical authors - Brathwaite, Lamming, Lovelace, Naipaul, Phillips and Selvon - and by understudied writers - including Agard, Fergus, John, Keens-Douglas, Khan and Markham. It tackles short stories, novels, poetry, drama and film from the Caribbean and its diaspora. Its literary readings are couched in the history of Caribbean cricket and studies by Hilary Beckles and Gordon Rohlehr. C.L.R James' foundational *Beyond a Boundary* provides its theoretical grounding. Literary depictions of iconic West Indies players - including Constantine, Headley, Worrell, Walcott, Sobers, Richards, and Lara - feature throughout. The discussion focuses on masculinity, heroism, father-son dynamics, physical performativity and aesthetic style. Attention is also paid to mother-daughter relations and female engagement with cricket, with examples from Anim-Addo, Breeze, Wynter and others. Cricket holds a prominent place in the history, culture, politics and popular imaginary of the Caribbean. This book demonstrates that it also holds a significant and complicated place in Anglophone Caribbean literature.
