Until now, collectors of Lucite and other plastic bangles had no information about these attractive collectibles. Chapters cover the identification of plastics, techniques, designers, manufacturers, fakes and knock-offs, and collectible plastics of the future. All have current market value ranges.

**Broken Bangles** Hanifa Deen,1999 Broken Bangles is the story of how I found a place in the corner of these women's lives for a short while. From the eccentric comforts of Mona Lisa guest house in Dhaka to the dusty frontier town of Peshawar, Hanifa Deen traveled through Bangladesh and Pakistan to discover the many faces of Muslim women today, meeting and talking to mavericks, feminists and starry-eyed foreign wives; actresses and socialites; urban professionals and rural women who had never left their villages. With humour, compassion and insight, Hanifa Deen relates stories of their fight against oppression, of the friendships of women, of the joys and frustrations of the extended family, of the unwritten laws that govern women's lives and the violence that can threaten them. She also stumbles on the trail of a mystery—the murder of Yasmeen, an innocent girl whose death galvanized a nation and symbolizes the danger women face when they step outside the circle of protection. Broken Bangles is a much-needed book in the subcontinent today, when women's voices are often the last to be heard and their concerns almost an afterthought.

**Golden Bangles Hidden Tears** Nighat Naseer,2014-03-19 This book paints a haunting picture of a young Pakistani girl's life. It chronicles her journey from Burma to Pakistan and ends in the US. From a young age Nighat rebelled against the chains of religious and cultural rigidity. She had witnessed the wretched fate of her two elder sisters. The husband of one of these sisters stole her two young daughters and placed them far beyond her reach. Nighat often wished she had been born a boy. It is a remarkable testimony of a tormented but optimistic young woman's unbreakable spirit and tremendous courage to become an outspoken defender of women rights. Anyone with an interest in human rights and the struggle to overcome hardship and suffering will find this book at once distressing and heart-warming.

**Conch-bangles and Vermillion** Rāmanātha Tripāṭhī,2005 A tender and moving story of unfulfilled love of an innocent Brahmin girl, holy like the Ganga, pure like milky juice of raw coconut. But it was rejected by her lover in favour of a voluptuous Muslim woman he was enamoured of. He converted and on the day of marriage married the Muslim woman instead. Taking the vow of eternal virginity the Brahmin girl expressed her agony in many ballads that are still sung at the Phuleshvari banks, now in Bangladesh & there are meaningful suggestions to eliminate the Hindu-Muslim communal rift & The novel reads like a long lyric with its arresting imagery, interspersed with several folk-songs. Tripathi has skillfully woven a beautiful tapestry with threads of the Rama legend, Behula, Manasa, Chandravati and devotional songs. There are two kinds of Muslims, liberal like Baul Mian singing Hindu bhajans and fanatic like Abdulla bhai. Baul Mian says, It is land of Bengal, not Arabia. There are not only date trees but also areca and banana & coconut trees carrying juice-boxes on their head & we have fragrance of flower-laden mango trees whence coo koels & There are no blood-thirsty desert, nor life-philosophy. As date is sweet, so is religion here. If here is Koran, so is Purana. If there is Allahji, so is Ramaji. The novel with its pastoral setting and elements of nature creates beauty that goes with the narrative. The novel is based on Bangla ballads Geetika. Tripathi with finesse weaves anguish of Sita and Chandravati. On small canvas of novella he has presented successfully ruthless dacoit Kenarama, the fearless Brahmin Vanshidas who changes his heart, Machharanga the shrew, voluptuous Ashamani, chaste but cold Chandra, liberal Baul Mian who is killed by a Muslim, fanatic Abdulla, Malo and other characters. The novel has amorous moments too. Conch-bangles and Vermillion is a lyrical prose narrative. It is regional historico-cultural novel of a new genre.

Bangles are easy to make with common shop tools and a small lathe, if you have the right techniques. This book, starting with bangles' basic design steps, and how to build fixtures for your lathe that are designed to accurately cut segments, takes you all the way through the finishing steps. A bonus chapter describes methods for using special techniques to make your bangles unique. Because of their small size, bangles requires less additional woodworking equipment, and they lend themselves to shortcuts that are not possible with larger segmented projects. With the shortcuts detailed in this book, you can turn unique and complicated-looking bangles in a very short time.
