

# Barack

Marlene Targ Brill

Barack Obama in his Own Words Lisa Rogak, 2008-12-16 Since delivering his keynote speech at the 2004 Democratic National Convention, Barack Obama has been hailed as the clear savior of not only the Democratic party, but of the integrity of American politics. Despite the fact that he burst onto the national scene seemingly overnight, his name recognition has grown by leaps and bounds ever since. *Barack Obama in His Own Words*, a book of quotes from the Illinois Senator, allows those who aren't as familiar with his politics to learn quickly where he stands on abortion, religion, AIDS, his critics, foreign policy, Iraq, the War on Terror, unemployment, gay marriage, and a host of other important issues facing America and the world.

**Barack Obama** Jill C. Wheeler, 2009-01-01 The United States president preserves, protects, and defends the U.S. Constitution. Each president's term influences events in America and around the world for years to come. This biography introduces young readers to the life of Barack Hussein Obama Jr., beginning with his childhood in Hawaii and Indonesia. Information about Obama's education at Occidental College, Columbia University, and Harvard Law School, where he became the first African-American president of the Harvard Law Review, as well as his early career as a community organizer and lawyer in Chicago is discussed. In addition, his family and personal life is highlighted. Easy-to-read text details Obama's political career as an Illinois state senator, where he served on the Public Health and Welfare Committee and helped pass the Earned Income Tax Cut, and the U.S. Senate, where he served on the Foreign Relations Committee, the Veterans Affairs Committee, and the Environment and Public Works Committee and opposed the Iraq War. Finally, students will get a closer look at the 2008 campaign when Democrats Barack Obama and Joe Biden defeated Republicans John McCain and Sarah Palin. Beautiful graphics showcase the primary source documents and photographs. A timeline, fast facts, and sidebars help put essential information at students' fingertips. In addition, a quick-reference chart provides easy access to facts about every U.S. president. Checkerboard Library is an imprint of ABDO Publishing Company.

**Barack Obama** Beatrice Gormley, 2015-09-08 Learn all about the life of the 44th President of the United States in this updated biography of Barack Obama, specially written for a younger audience. University Professor. Nobel Peace Prize Winner. First African American President of the United States. President Obama was born on August 4, 1961, in Honolulu, Hawaii. With relatives in Kenya, Ireland, Indonesia, and Kansas, President Obama has referred to his family as "a mini-United Nations." He attended college on both coasts, first at Occidental in California, then at Columbia in New York City. After graduating from Harvard Law School, he practiced and taught law in Chicago. In 2005 Barack started his political career when he became the senator for Illinois. President Obama was inaugurated on January 20, 2009. His many efforts in the first 100 days of his presidency earned him a Nobel Peace Prize and, in 2012, he was reelected for a second term. Originally published in 2012, this revised biography of the 44th President of the United States includes eight pages of photos as well as a timeline and index.

*The Black Presidency* Michael Eric Dyson, 2016-02-02 A provocative and lively examination of the meaning of America's first black presidency, by the New York Times-bestselling author of *Tears We Cannot Stop*. Michael Eric

Dyson explores the powerful, surprising way the politics of race have shaped Barack Obama's identity and groundbreaking presidency. How has President Obama dealt publicly with race—as the national traumas of Tamir Rice, Trayvon Martin, Michael Brown, Eric Garner, Freddie Gray, and Walter Scott have played out during his tenure? What can we learn from Obama's major race speeches about his approach to racial conflict and the black criticism it provokes? Dyson explores whether Obama's use of his own biracialism as a radiant symbol has been driven by the president's desire to avoid a painful moral reckoning on race. And he sheds light on identity issues within the black power structure, telling the fascinating story of how Obama has spurned traditional black power brokers, significantly reducing their leverage. President Obama's own voice—from an Oval Office interview granted to Dyson for this book—along with those of Eric Holder, Al Sharpton, Jesse Jackson, Andrew Young, and Maxine Waters, among others, add unique depth to this profound tour of the nation's first black presidency. “Dyson proves...that he is without peer when it comes to contextualizing race in twenty-first-century America... A must-read for anyone who wants to better understand America's racial past, present, and future.”—Gilbert King, author of the Pulitzer Prize-winning *Devil in the Grove* “No one understands the American dilemma of race—and Barack Obama's confounding and yet wondrous grappling with it—better than [Dyson.]”—Douglas Blackmon, author of the Pulitzer Prize-winning *Slavery by Another Name*

Barack Obama F. Erik Brooks, MaCherie M. Placide, 2019-10-07 An essential resource for readers analyzing the presidency of Barack Obama, this book provides a comprehensive summary of the life of 44th president of the United States. Barack Obama stated, Our destiny is not written for us. It is written by us. Was the former president talking about himself and his rise to the American presidency? On January 20, 2009, Barack Obama was inaugurated as the 44th president of the United States, the first African American to be elected to this office. Former President Obama's politics of unity appealed to many segments of American society. When Obama became president, the United States faced challenges at home and abroad. Internationally, the country was stalled in two wars in Afghanistan and Iraq. Domestically, the country faced a financial and banking crisis, and poverty was on the rise. Undaunted by these colossal challenges, former President Obama noted, We did not come to fear the future. We came to shape it. *Barack Obama: A Life in American History* discusses the life of Barack Obama chronologically and discusses his post-presidential life. Readers of all levels with an interest in Barack Obama, politics, political parties, political ideology, presidential elections, government, and the U.S. presidency will find this book compelling.

*Barack Obama: President of the United States* Blane Conklin, 2011-08-15 Describes the life and achievements of Barack Obama, from his childhood and early career in politics to his life as President of the United States.

**Barack Hussein Obama ....Few Are Chosen** Sam, 2012-10-02 Barack Hussein Obama *Few Are Chosen*. The *Obamanating Spirit and Remembered Stories* is an inspired book written about Barack Hussein Obama, President of the United States of America. The book consists of several topics that I hope the reader will find enlightening. It is a look backwards, in that I tell the audience about the segregated South and a look forward, the place where we must

strive to be. Nevertheless, I hope that each individual will enjoy reading my book, which incorporates biography, humor, historical facts, scripture, and religious beliefs. It is not an attack on anyone or any group. It is intended to be an eye-opener in that it deals with several topics that relate to the President including birth, patriotism and religion. Each chapter discusses what I believe is an American peoples concern. Some people might see my book as a book on race relations and to some degree it is, but gently. There are thirteen chapters. In Chapter Five I discuss the forty year prophesy of the coming of Barack Obama; while in Chapter Seven I discuss the struggles of African Americans then and now, the African American churches, including Rev. Wright, Rev. Dr. Martin Luther King (among other things); Chapter Nine, Forcing Scared Against The President discusses how the politicians work overtime to portray President Obama illegitimately to the American Public, and Chapter Ten, disputes the assertion that Barack Obama is a radical (Really?); Chapter Eleven, Will the Real Mr. Speaker Stand, questions the heart of John Boehner and Chapter Twelve, Guess Whos Coming To The Tea Party warns the Tea Party that they could very easily become the terror group of the past. Chapter One, I Saw An Angel is the foundation for the book and how it all got started.

*Barack Obama* Beatrice Gormley, 2015-09-08 Highlights the life and achievements of the Harvard Law School graduate, legislator, and civil rights lawyer who became the forty-fourth president of the United States and describes his accomplishments since taking office in 2009.

*Barack Obama* Sophie Schrey, 2009 The story of the first African American U.S. President, Barack Obama. Teaches early vocabulary.

**Barack Obama** Steven J Niven, 2009-02-16 Affordable, readable, and indispensable, this pocket biography of Barack Obama allows you to put the story of our 44th President right in your back pocket. Written in a clear and concise style, this biography is accessible for anyone interested in a brief yet thorough introduction to Barack Obama. Steven J. Niven of the W. E. B. Du Bois Institute at Harvard University chronicles President Obamas personal biography and his political rise, as well as examining his relationship with race and his role in history. The book also includes an introduction by the world-renowned scholar Henry Louis Gates Jr. and a bibliography for further reading to help readers know where to go for more information. In addition, the book includes a transcript of Obamas famous A More Perfect Union speech on race in America. This book is the perfect, quick introduction to Barack Obama, Americas 44th President.

**Who Is Barack Obama?** Roberta Edwards, Who HQ, 2009-12-24 As the world now knows, Barack Obama has made history as our first African-American president. With black-and-white illustrations throughout, this biography is perfect for primary graders looking for a longer, fuller life story than is found in the author's bestselling beginning reader *Barack Obama: United States President*.

Barack Obama Bob Carlton, Ariele Gentiles, 2009-07-13 Middle school and teen readers can explore the life of the 44th president of the United States in this factual and informative biography of Barack Obama's life leading up to his historic election. The life of Barack Obama is an inspirational story for anyone who has ever felt abandoned,

alone, different, or who has wanted to do great things and make a difference in the world. Learn about the life-shaping experiences Barack Obama faced as he was raised by a single mom and his grandparents. Discover how he rose to the top of his class at Harvard law and accepted a faith that gives his life deeper meaning. And explore the tough choices President Obama faced when he left a lucrative career in law to work in public service. In 1967, Martin Luther King, Jr. spoke out about the state of our country and its leadership, saying, "We are confronted with the fierce urgency of now." Forty years later Barack Obama stood in the same place Abraham Lincoln once stood, and announced he was running for president because of Dr. King's words. He recognized a country in turmoil and a nation looking for something different, something better. As you read about the life of Barack Obama, look at the world around you and see how you too can participate in creating change for the better. Barack Obama: uses a factual presentation that makes this book perfect for school assignments provides a non-biased look at Barack Obama's life leading up to his election explores Barack Obama's faith and the values his family instilled at a young age contains inspiring quotes from throughout his life and first presidential campaign

The Presidency of Barack Obama Julian Zelizer, 2018-03-13 An original and engaging account of the Obama years from a group of leading political historians Barack Obama's election as the first African American president seemed to usher in a new era, and he took office in 2009 with great expectations. But by his second term, Republicans controlled Congress, and, after the 2016 presidential election, Obama's legacy and the health of the Democratic Party itself appeared in doubt. In *The Presidency of Barack Obama*, Julian Zelizer gathers leading American historians to put President Obama and his administration into political and historical context. These writers offer strikingly original assessments of the big issues that shaped the Obama years, including the conservative backlash, race, the financial crisis, health care, crime, drugs, counterterrorism, Iraq and Afghanistan, the environment, immigration, education, gay rights, and urban policy. Together, these essays suggest that Obama's central paradox is that, despite effective policymaking, he failed to receive credit for his many achievements and wasn't a party builder. Provocatively, they ask why Obama didn't unite Democrats and progressive activists to fight the conservative counter-tide as it grew stronger. Engaging and deeply informed, *The Presidency of Barack Obama* is a must-read for anyone who wants to better understand Obama and the uncertain aftermath of his presidency. Contributors include Sarah Coleman, Jacob Dlamini, Gary Gerstle, Risa Goluboff, Meg Jacobs, Peniel Joseph, Michael Kazin, Matthew Lassiter, Kathryn Olmsted, Eric Rauchway, Richard Schragger, Paul Starr, Timothy Stewart-Winter, Thomas Sugrue, Jeremi Suri, Julian Zelizer, and Jonathan Zimmerman.

*The Scandalous Presidency of Barack Obama* Matt Margolis, 2018-04-03 "I'm proud of the fact that [...] we're probably the first administration in modern history that hasn't had a major scandal in the White House." So President Barack Obama boldly declared before leaving office, and numerous times since. But is it true? Not according to Matt Margolis, bestselling co-author of *The Worst President in History: The Legacy of Barack Obama*. Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored, downplayed, or covered-up by the mainstream media. From "Fast and Furious," to the illegal IRS targeting of

conservative groups, to the recent NSA spying outrage, Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance. While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics, it's critically important that Americans understand the truth—Barack Obama brought to Washington corrupt Chicago-machine politics of cronyism and corporate payoffs, combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents. Obama's legacy will be discussed and debated for decades. But in the early months after he left office, more scandals have been uncovered—most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian-backed terrorists. Far from being a virtuous New Camelot, the Obama administration abused its power like few others.

Barack Obama: 44th U.S. President Joeming Dunn,2011-09-01 Graphic Planet is bringing the Presidents of the United States to BioGraphics! World-class art presents young readers a pictorial chronology of Barack Obama's life, background on his campaign to be president, major influences on the country, and his influence on history. A timeline, Fast Facts, the president's cabinet, and a glossary provide report information for young readers. Bring the Oval Office to your classroom!

**The Secret Life of Barack Hussein Obama** Mondo Frazier,2012-10-02 Journalist Frazier tells the hidden story of the President, divulging little-known details of President Barack Obama's past. Frazier exposes unexplained details and answers. This illuminating work is the unrevealed story of the President--the one readers won't get from their morning paper.

**Barack Obama** Marlene Targ Brill,2009-01-01 On a cold day in February 2007, Barack Obama - the popular African American senator from Illinois - announced that he was running for president of the United States. He made the announcement in Springfield, Illinois, where almost 150 years earlier Abraham Lincoln had warned Americans of the danger of living in a country divided by slavery. Obama said that day, Few obstacles can withstand the power of millions of voices calling for change. By ourselves, this change will not happen. Divided, we are bound to fail. But the life of a tall, gangly, self-made Springfield lawyer tells us that a different future is possible. In 2007, many people doubted the junior senator had a chance of winning the Democratic Party's nomination, much less the presidential race. But Obama toughed it out over many months of campaigning on promises of change to eventually gain the highest office in the land, becoming the first African American president of the United States in 2009.

President Barack Obama John K. Wilson,2019-11-11 Barack Obama's improbable quest has become a fact of American life and a benchmark in American history. Striving now toward a more perfect union, Obama and the nation confront obstacles unforeseen at the outset of the 2008 electoral campaign. John K. Wilson tracks the sweep of this progress from the beginning of Obama's political career through his move into the White House. With his critical journalistic eye and his sympathetic native son perspective, Wilson shows us a side of Obama we haven't seen as well as a view of the media we need to understand-even more now as the Obama administration begins to govern. The

paperback edition of this popular book includes a new introduction, updates throughout, and two new chapters on the electoral victory and the transition from campaigning into governing. New photos and new insights include a focus on the continued importance of race in American politics.

National Geographic Readers: Barack Obama Caroline Crosson Gilpin, 2014-08-05 What biography series is complete without a title on the current U.S. President: Barack Obama? The election of an African American president was truly a monumental day in American history. His legacy will live on as a barrier-breaker and a pioneer. Learn all about our 44th President in this fascinating leveled reader.

Barack Obama Sarah Parvis, 2009-10-20 In the incredibly giftable little book Barack Obama, readers get an inside look at the remarkable 44th president of the United States. Barack Obama is the first African American U.S. president and the first politician to bring 21st-century technology to an election and the presidency. He brought change to a nation and changed history. From local community reformer to Oval Office tenant, Barack Obama has lived the American dream. This is his story in pictures and in words. Amazing candid photos and insights make this Little Book a big must-have for any American.
