United States. Congress. House. Committee on Appropriations

The Great Book of BASE Matt Gerdes,2014-05-01

**Earth Space Moon Base** Ben Joel Price,2014-08-26 Outer space, a moon base, and . . . bananas? Discover Ben Joel Price's quirky extraterrestrial world and its unusual trio of guardians. A spaceman, a robot, and a cheeky monkey use a most unusual method to protect Earth from hungry, googly-eyed moon aliens. Ben Joel Price's offbeat rhymes and colorful, retro-style illustrations evoke a funny little world away from ours, which will captivate readers young and old.

*Base Politics* Alexander Cooley,2012-07-23 According to the Department of Defense's 2004 Base Structure Report, the United States officially maintains 860 overseas military installations and another 115 on noncontinental U.S. territories. Over the last fifteen years the Department of Defense has been moving from a few large-footprint bases to smaller and much more numerous bases across the globe. This so-called lily-pad strategy, designed to allow high-speed reactions to military emergencies anywhere in the world, has provoked significant debate in military circles and sometimes-fierce contention within the polity of the host countries. In *Base Politics*, Alexander Cooley examines how domestic politics in different host countries, especially in periods of democratic transition, affect the status of U.S. bases and the degree to which the U.S. military has become a part of their local and national landscapes. Drawing on exhaustive field research in different host nations across East Asia and Southern Europe, as well as the new postcommunist base hosts in the Black Sea and Central Asia, Cooley offers an original and provocative account of how and why politicians in host countries contest or accept the presence of the U.S. military on their territory. Overseas bases, Cooley shows, are not merely installations that serve a military purpose. For host governments and citizens, U.S. bases are also concrete institutions and embodiments of U.S. power, identity, and diplomacy. Analyzing the degree to which overseas bases become enmeshed in local political agendas and interests, *Base Politics* will be required reading for anyone interested in understanding the extent-and limits-of America's overseas military influence.

**Base Closures** United States. Congress. House. Committee on Armed Services. Subcommittee on Military Installations and Facilities,1991

*Base Realignment and Closure* United States. Congress. Senate. Committee on Armed Services,1989

**Cat Kid Comic Club** Dav Pilkey,2020-12 Welcome to the Cat Kid Comic Club, where Li'l Petey (LP), Flippy, and Molly introduce twenty-one rambunctious, funny, and talented baby frogs to the art of comic making. As the story unwinds with mishaps and hilarity, readers get to see the progress,

**General Accounting and Finance Systems at Base Level** United States. Department of the Air Force,1991

**Class I Dairy Base Plan** United States. Congress. House. Committee on Agriculture. Subcommittee on Dairy and Poultry,1969

**Military Construction Appropriations for 1998: Justification of the budget estimates, base realignment and closure** United States. Congress. House. Committee on Appropriations,1997

**Performance Evaluation of Open Graded Base Course with Doweled and Non-doweled Transverse Joints on USH 18/151, STH 29, and USH 151** Robert L. Schmitt (Ph.D.),2010

**At the Mountain's Base** Traci Sorell,2019-09-17 A family, separated by duty and distance, waits for a loved one to return home in this lyrical picture book celebrating the bonds of a Cherokee family and the bravery of history-making women pilots. At the mountain's base sits a cabin under an old hickory tree. And in that cabin lives a family -- loving, weaving, cooking, and singing. The strength in their song sustains them through trials on the ground and in the sky, as they wait for their loved one, a pilot, to return from war. With an author's note that pays homage to the true history of Native American U.S. service members like WWII pilot Ola Mildred Millie Rexroat, this is a story that reveals the roots that ground us, the dreams that help us soar, and the people and traditions that hold us up.

Los Angeles Air Force Base (AFB) Closure and Relocation of Space Systems Division ,1990  
Air Force bases. ,

*Bananas, Beaches and Bases* Cynthia Enloe,2000 New analysis of international politics.

*Military Bases* David R. Warren, Barry W. Holman, Kay D. Kuhlman, Marian H. Harvey, 1998-12  
 Focuses on lessons learned from four rounds of base realignments and closures (BRACs) held in 1988, 1991, 1993, and 1995. Addresses the applicability of these lessons to future BRACs as related to savings, costs, and economic impact; legislative actions needed to authorize future BRAC rounds; and what improvements would be needed in the Department of Defense's process for identifying bases for realignment and closure. Charts and tables.

Beale Air Force Base During the Cold War James B. Quest, 2014 KLAXON! The alarm immediately sent the aircrews at Beale Air Force Base, California, scrambling to their alert aircraft in a race to get airborne first. The KC-135 tankers were usually the quickest to taxi out, with the B-52 bombers following closely behind. Soon, the air filled with the rumble of engines as aircraft roared down the runway trailing great clouds of exhaust and disappeared into the skies of Northern California. It was a dramatic scenario practiced many times during the Cold War and one that Universal Pictures filmed at Beale AFB for its movie *A Gathering of Eagles*, starring Rock Hudson and Rod Taylor.

Acids and Bases Brian G. Cox, 2013-01-31 This book seeks to enhance our understanding of acids and bases by reviewing and analysing their behaviour in non-aqueous solvents. The behaviour is related where possible to that in water, but correlations and contrasts between solvents are also presented.

**Base Nation** David Vine, 2015-08-25 American military bases encircle the globe; from Italy to the Indian Ocean, from Japan to Honduras. The far-reaching story of the perils of the U. S. military bases and what these bases say about America today.

*Bases Loaded* Costas Panagopoulos, 2020-10-14 Presidential campaigns in recent years have shifted their strategy to focus increasingly on base partisans, a shift that has had significant consequences for democracy in America. Over the past few decades, political campaign strategy in US elections has experienced a fundamental shift. Campaigns conducted by both Republicans and Democrats have gradually refocused their attention increasingly toward their respective partisan bases. In *Bases Loaded*, Costas Panagopoulos documents this shift toward base mobilization and away from voter persuasion in presidential elections between 1956 and 2016. His analyses show that this phenomenon is linked to several developments, including advances in campaign technology and voter targeting capabilities as well as insights from behavioral social science focusing on voter mobilization. Demonstrating the broader implications of the shift toward base mobilization, he links the phenomenon to growing turnout rates among strong partisans and rising partisan polarization. A novel, data-rich account of how presidential campaigns have evolved in the past quarter century, *Bases Loaded* argues that what campaigns do matters--not only for election outcomes, but also for political processes in the US and for American democracy.

Report on the Inspection of U.S. Military Bases in Puerto Rico, Cuba, and the Panama Canal Zone of the Committee on Armed Services, House of Representatives, Ninety-sixth Congress, Second Session William L. Dickinson, United States. Congress. House. Committee on Armed Services, 1980
