Beautiful Storm Megan Isaacs, 2015-12-05 He was my salvation. Interviewing the notorious owner of 'Ignition' should have been simple. When asked to go home with him, I should've said 'no.' But Noah Hamilton's tattooed, hard body and rugged features were impossible to resist. I wanted him to touch me. And I longed to be loved again. I craved the escape and was desperate to know him. Much like his lifestyle, our heated affair took off at warp speed, proving to be stronger than either of us anticipated. Trapped between my past and future, there was only one decision to make. So I ran... She was my downfall. From the moment Lizzie Ryder stepped into my shop, I wanted her. Had to have her. A reserved journalist with a body of sin and mesmerising eyes was all it took for me to fall. Hard. The night she let me touch her, taste her, I knew I was done for. I never deserved her, but needed to make her mine. She found the heart I never knew I had, brought it to life, and then crushed it to dust. And just like her storm-filled eyes, I drowned in the flood of her desertion. Reaching my breaking point, I struggled to forget the only woman I ever foolishly fell for and dove headfirst into my dark past, barely surviving her. And now she's back. What happens when our weaknesses become our strengths? Do we reveal and fight...or keep our secrets and run? And can we withstand the devastation left after the *Beautiful Storm*? Due to sexual content, possible triggers, and explicit language reader discretion is advised.

Beautiful Storm Kyra Gates,2018-06-22 Her skin the color of the smoothest dark chocolate, brown eyes that he seemed to get lost in every time he looked at her. Long black hair fell to the center of her back and that cute dimple on the right side of her cheek drove him crazy each and every time she smiled. What was it about her? Why was it always her? Why after more than thirteen years did he have to start having these uncontrollable urges to dive deep inside her and lose himself? She was like a sister to him, his best friend. His mind was spinning and his heart was pounding as she stood just in front of him, with a smile that punched his gut and eyes that held so much promise. To say that she had him wrapped around her finger was an understatement, for some reason she was embedded in the very core of his soul and like the love sick fool that he was, he catered to her every need. How this all happened, when it all happened the hell if he knew. But his heart will forever belong to her and she had absolutely no idea.

This limbo between dimensions appears to be her private sanctuary, but it may just be her purgatory. No one escapes fate without sacrifice, but is the price more than Carly is willing to pay?

Fierce Beauty Eric Meola,2019-10-31 Eric Meola became interested in storms during a 1977 road trip across Nevada to photograph an album cover for musician Bruce Springsteen. While driving on a long dirt road in the desert they encountered a violent storm, and Springsteen wrote a song about the experience called 'The Promised Land'. Meola was transfixed as well by the display of nature's fury: I always wanted to go back to that day when we drove up on a hilltop and watched as lightning revealed the valley floor. Meola began to photograph the tornadic storms of the Great Plains - the area in America's heartland west of the 98th meridian and east of the Rockies. Driving through the area known as Tornado Alley - from the Rio Grande in southern Texas, north to the Canadian provinces of Alberta and Saskatchewan - he photographed a forbidding landscape where atmospheric instability collides with moisture from the Gulf of Mexico and spectacular cumulonimbus clouds form at twilight. Over a period of several years he documented a landscape of elemental forces, where immense storms percolate miles above the ground, rotating with energy until tornadoes spin on the horizon. And he discovered a country of haunting beauty where the wail of coyotes and the glow of constellations fill the prairie's void with simple graces. *Fierce*

Meola's photographs are included in the archive of the American Society of Media Photographers (ASMP), the National Portrait Gallery in Washington, DC, the International Center of Photography in New York City, and the George Eastman Museum in Rochester, New York. His previous books include *Born to Run: The Unseen Photos* (Insight Editions, 2006), and *INDIA: In Word & Image* (Welcome Books, 2008). He has won numerous awards, including the 'Advertising Photographer of the Year' award in 1986 from the American Society of Media Photographers. In 2014, he received the 'Power of the Image' George Eastman award as part of ceremonies and an exhibition in Beijing, China. Eric and his wife, photographer Joanna McCarthy, live in Sagaponack, New York, on the south shore of Long Island.
