Mrs Sandi J McReynolds

Butterflies at the Window Mrs Sandi J McReynolds,2016-04-29 The date is May 22, 2011. Elly's very good graduation day becomes even better when three enormous butterflies appear at her bedroom window; incredibly beautiful, almost other-worldly in their splendor. Her first thought is, Thank You, Jesus! You know how I love butterflies. But when Elly, then her mother, then other members of the McConnell clan begin to see them in the most unlikely places, their presence begins to feel strangely ominous. And when they appear to be watching the family's every move, it's hard to avoid a growing sense of foreboding. On this perfect spring Sunday, when families across southwest Missouri are celebrating their high school graduations, could these exquisite creatures actually be harbingers of looming tragedy? Then a rare and massive EF5 tornado unexpectedly turns that bright day in May dark and deadly. As the storm of the century bears down, can the McConnell family survive? And in the midst of unspeakable terror and devastation, why are so many children of the tornado seeing butterfly people? Sandi McReynolds is a life-long resident of Southwest Missouri who found herself intrigued by the butterfly people stories that abounded after the monstrous Joplin Tornado of May, 2011; and more than inspired by the generosity and faith of her community. *Butterflies at the Window* is a novel recounting some of those stories based on true and very personal events involving family and friends.

BUTTERFLY STORM Kate Frost,2016-12-12 Is love enough? Contemporary women's fiction novel, *The Butterfly Storm*, set in Greece and on the north Norfolk coast, is a heartwarming story about relationships, family and belonging.

Butterfly Storm Suzanne Maxwell,2011-08-09 ...[A] charming story of a spunky woman doing her best to deal with a spate of life-altering events... [Butterfly Storm is a] heartwarming tale of a woman's physical transformation and spiritual journey. - Kirkus Indie Reviews. With a name like Angie Gabriel, a double angel name, you'd think I would have gone straight to heaven. Gabriel came from my ex-husband, Mark, and I haven't given it back to him, at least not yet. I like the sound of it better than Ervine, which sounds too much like a small white rodent. I always pictured heaven with choruses of brilliant white-clad angels and beautiful people living together in harmony. That's not what I experienced. I've been to heaven so many times in my dreams that sometimes I think the heaven part is real and this life is the illusion. I should have died that day. Maybe I did, and maybe I have over and over and the dreams of heaven aren't dreams at all, but are real. And so begins *Butterfly Storm*, Suzanne Maxwell's debut novel that describes Heaven and what it might look like. If this is afterlife, it's quite possibly a long road to a new beginning.

How the Butterfly Got Her Colours Jade A. Blayk,2021-05-05 In a nearby forest, there lives a butterfly with bright white wings. While those around her think she is beautiful, the butterfly does not feel beautiful. All day she admires the colours of the flowers, the grass, and the other animals, longing to share those beautiful colours on her wings. One day, when a storm sets in, the butterfly's friends find themselves in danger. The butterfly rushes to save them, her white wings visible in the flashes of lightening. The storm clears to reveal a rainbow, and the butterfly flies toward it, enticed by its beautiful colours. But the storm has not entirely passed, and the butterfly is struck by a raindrop that sends her tumbling to the ground. It is now up to the butterfly's friends to save her. *How the Butterfly Got Her Colours* is an interactive children's book meant to teach young readers that beauty is about more than our outward appearance. Through lessons in self-expression and self-acceptance, author Jade A. Blayk encourages young readers to embrace what makes them beautiful.

The Birdsong Promise: (the Butterfly Storm Book 2) Kate Frost,2018-11-07 When the past threatens to destroy happiness, will love be enough? Set on the Greek island of Cephalonia and on the wild and beautiful north Norfolk coast, *The Birdsong Promise* is a story about family, friends, relationships, motherhood and love.

The Beautiful Butterfly Krystal Edhouse,2022-06-08 Once there was a beautiful butterfly, She had travelled a very long way to attend a very important occasion. She had come from a faraway land and travelled over the rolling oceans and gigantic seas. Only resting when she could on passing ships, being caught in storms and blackened by the smoke from the ships. Finally, she arrived in a new

DAY LIFE CHANGED Tara M. Rigsbee, 2016-10-04 No one ever thinks that when they leave home for the day that they won't return. A picture-perfect day in July, how could anything negative come from such a beautiful day? The best friend that would take me on my first ride of the summer season on a motorcycle was something that we looked forward to that day. Nothing was better than being on the back of a motorcycle and knowing that I would spend the day riding through town like we had done for so many years. The day would start off with excitement, joy, and peace. However, the day would turn tragic, when a distracted driver makes a left turn that would change my life forever. The life that I once knew was over, and the beginning of a new and unexpected journey was created. Tears, pain, fear, and depression would consume my life and turn me into a caterpillar. However, the power of silence, prayer, faith, and a new voice would turn tragedy into a remarkable recovery that would bloom me into a beautiful butterfly. The gift of sharing my story and bringing others hope and inspiration has changed my life forever. No storm that passes through your life is meant to last forever; it's meant to do exactly what it says, pass through.

Cape May Monarch Butterflies (Cape May Book 7) Claudia Vance, 2021-10-30 October is approaching, and it's the perfect time to be in Cape May, where thousands of monarch butterflies stop during their famous migration south for the winter. A Pittsburgh gardening club has rented out the entire Seahorse Inn to see the monarch butterflies, but the problem is Margaret and Liz are not prepared for the viewing activities that were promised to them. On top of scrambling to come up with ways for the group to see the butterflies, a hurricane looms, headed straight down the coast towards Cape May. In the midst of the chaos, Dave wonders if he and Margaret will ever get around to planning their wedding. Meanwhile, Sarah is in for a rude awakening when she and Chris attempt to ride the hurricane out inland at Chris's parents' house. Donna and Dale agreed to start over with their relationship, and their first order of business is to redo their first date—but how many redos will it take? In Book 7 of the Cape May Series, ride out the hurricane, experience the wonder of the monarch butterfly migrations, and take in the beauty of the shore town while everyone discovers things have a way of working themselves out. This is Book 7 in the Cape May series. It is recommended to start at Book 1, The Cape May Garden.

How Butterflies Got Colored Wings Lawrence I. Berkove, 2017-01-17 Did you ever wonder... how butterflies got their beautiful colors? Follow a white butterfly on its quest to help a beautiful flower weather a bad storm, it takes all of the butterfly's courage and love to help the flower, and in the end the flower shows its gratitude by giving the butterfly a magnificent gift of color. This charming fable about courage, love, and gratitude is told in a beautiful picture book that parents (and grandparents) will enjoy reading and rereading with children.

Winged Obsession Jessica Speart, 2012-03-27 One of the world's most beautiful endangered species, butterflies are as lucrative as gorillas, pandas, and rhinos on the black market. In this

cutthroat \$200 million business, no one was more successful—or posed a greater ecological danger—than Yoshi Kojima, the kingpin of butterfly smugglers. In *Winged Obsession*, author Jessica Speart tells the riveting true story of rookie U.S. Fish and Wildlife Agent Ed Newcomer's determined crusade to halt the career of a brazen and ingenious criminal with an almost supernatural sixth sense for survival. But the story doesn't end there. Speart chronicles her own attempts, while researching the book, to befriend Kojima before betraying him—unaware that the cagey smuggler had his own plans to make the writer a player in his illegal butterfly trade.

The Storm's Betrayal Corry L. Lee,2021-04-27 For the rebellion to succeed, the great Stormhawk—Bourshkanya's paranoid, seemingly unkillable fascist leader—must die.
