**Bizarre Brews 101** Vance Hanna, 2011-05-05 For bizarre beer brewers, its all about breaking down the style barriers and getting creative with brewing. In *Bizarre Brews 101*, author Vance Hanna not only shares novel tips and advice for home brewers, but also provides an array of recipes that are truly unique creations that may not fit the typical style. Hanna, who has been creating fermented beverages of one kind or another for eighteen years, delves into the world of bizarre beer brewing, including a recipe for a brown ale using oats as the base malt and a German take on the English Porter style. *Bizarre Brews 101* includes recipes for a vast variety of beers, such as Hop Bomb, Silky Double IPA, Imperial Saison Porter, Imperial Milk Cream Ale, Gingered Ale, Barley Wine, Multigrain Bomber, Sassafras Wheat Oat Porter, and Oatmeal Coffee Stout. In addition to his recipes, Hanna incorporates basic information about equipment and ingredients and offers a selection of tips from other home brewers. *Bizarre Brews 101* tears down the stereotype that rigid guidelines must be followed when selecting brewing ingredients to make great beer. It shows how you can make a wonderful tasting beer that doesn't fit the bill for the style.

*Managing a Global Workforce* Charles Vance,Yongsun Paik,2006 This comprehensive text provides balanced and contemporary coverage of human resource management in the international marketplace. Directed at future general managers and international executives, rather than HR specialists, it is designed to help students as well as professionals recognize the critical human resource issues underlying the cultural and economic challenges they face. The book will enhance their skills in making effective HR decisions to cope with business challenges and opportunities.The book's approach is truly global in nature, not just focused on expatriates from the home country. The authors also recognize contemporary trends in the global business arena, including the growing use of contingent workers, strategic alliances, and offshore outsourcing arrangements, and the need to have an active influence on (if not manage directly) the workforce in these new organizational relationships.The text's practical, real-world emphasis is enhanced by

student friendly tools in each chapter, including an opening case scenario to attract interest and emphasize topic importance; two additional end-of-chapter short cases to promote class discussion; Global Workforce Challenge vignettes; a profile of an international professional working in each chapter topic area; and recommended online resources for further reference and details.
