The Secret of the Storm Anne Belle, 2013-05-16

Elora Castain finds out that there are worse things than learning that your estranged grandmother has passed away. Finding out that you're not as normal as your life makes you out to be is just the tip of the iceberg for the Boston Globe staff writer. What she learns when she returns to Slauson Cove will change her life completely. Finding love, friends, and time to work on an artistic endeavor will only lead to a fulfillment of her destiny. Can she find the truth and stop her adversary from continuing to murder people in the Cove in time to prove the prophecy laid down by her ancestor true?

Quiet After the Storm Faith Loveright, 2016-08-04

It was a reunion that Belle had never intended on attending, but the choice had been taken away from her when her twin sister announced that she'd already RSVP'd for both of them. Now, Arianna was too sick to go and Belle was stuck going by herself. The small jazz choir that they'd both been a part of had made the decision to get together out at a cabin in the woods that the lead singer had booked ahead of time. The main reason why Belle was so determined not to go was the fact that, back in High School, she'd been very much involved with the tenor she'd been paired with in the choir, and things between the two of them had not ended well when they'd graduated and headed in two different directions. When Belle gets to the cabin; unfortunately, a storm is brewing outside and only one other member of the choir other than herself had managed to get there before the roads

leading out to it had been closed, due to fallen trees.... And that person, aggravatingly enough, was Sean... The very person she'd been determined to keep her distance from. With no power Belle's extreme fear of storms, things are bound to heat up between these two; reigniting the passion that had sparked to life when they'd been teenagers, only now with even more strength than it ever had before... But what will happen once the storm passes? Will Belle still look at Sean the same way in the quiet after the storm?

Belle Cameron Dokey, 2011-01-04 The story of Beauty and the Beast finds new life in this magical and imaginative retelling that's filled with romance and adventure. By the time her sixteenth birthday comes around, Belle feels more convinced than ever that she is being called by the wrong name. Unlike her older sisters Celeste and April, whose names suit them perfectly, Belle knows that she is not beautiful. She begs to be called by her given name, Annabelle—or even Anna for short—but to no avail. Her solace is her wood-carving hobby, and she longs to find the Heartwood tree: Legend has it that, when carved by the right hands, it can reveal the face of one's true love. One day, during a fierce storm, Belle's father stumbles upon the fabled tree—only to become

ensnarled by it and come face-to-face with a terrifying and lonely Beast, who will set him free on one condition: that Belle carves the Heartwood. Belle agrees, never dreaming that she and the Beast have the same wish: to be seen not with the eyes of the mind, but of the heart.

Weather the Storm Jean Ferris, 2005-09 When Raider takes Rosie to England she finds no living kin-and long buried family secrets. Storm Siren Mary Weber,2014-08-26 The award-winning novel that started it all. "A riveting tale from start to finish. Between the simmering romance, the rich and inventive fantasy world, and one seriously jaw-dropping finale, readers will clamor for the next book—and I'll be at the front of the line!" —Marissa Meyer, New York Times bestselling author of the Lunar Chronicles In a world at war, a slave girl's lethal curse could become one kingdom's weapon of salvation. If the curse—and the girl—can be controlled. "I raise my chin as the buyers stare. Yes. Look. You don't want me. Because, eventually, accidentally, I will destroy you." As a slave in the war-weary kingdom of Faelen, seventeen-year-old Nym isn't merely devoid of rights, her Elemental kind are only born male and always killed at birth—meaning, she

shouldn't even exist. Standing on the auction block beneath smoke-drenched mountains, Nym faces her fifteenth sell. But when her hood is removed and her storm-summoning killing curse revealed, Nym is snatched up by a court advisor and given a choice: be trained as the weapon Faelen needs to win the war or be killed. Choosing the former, Nym is unleashed into a world of politics, bizarre parties, and rumors of an evil more sinister than she's being prepared to fight . . . not to mention the trainer whose dark secrets lie behind a mysterious ability to calm every lightning strike she summons. But what if she doesn't want to be the weapon they've all been waiting for? Set in a beautifully eclectic world of suspicion, super abilities, and monsters, Storm Siren is a story of power. And whoever controls that power will win. "Intense and intriguing. Fans of high stakes fantasy won't be able to put it down." –CJ Redwine, New York Times bestselling author of the Ravenspire series "Mary Weber has created a fascinating, twisted world. Storm Siren sucked me in from page one—I couldn't stop reading! This is a definite must-read, the kind of book that kept me up late into the night turning the pages!" –Lindsay Cummings, author of the Androma Saga "A riveting read! Mary Weber's rich world and heartbreaking heroine had me from page one. You're going to fall in love with this love story." –Josephine Angelini, internationally bestselling author of the Starcrossed trilogy "Elegant prose and intricate world-building twist into a breathless cyclone of a story that will constantly keep you guessing. More please!" –Shannon

Jared was a star in our town, and I didn't want to shine just because of his light. Besides, I had my own secrets to keep. He moved away to become a hockey star, and I stayed in New Orleans. I thought I'd live there forever. Just like I thought I'd never sleep with Jared Storm. But sometimes life takes a hard left turn. And you have to be ready for the bumps along the way.

Devil Storm Theresa Nelson, 2017-03-14 "The great hurricane that devastated Galveston in 1900 is the centerpiece of [this] tightly knit novel. The writing is powerful. A fine work, integrating nature with character." –The Horn Book, starred review "Nelson's strong sense of place, poetic style and inspired characterization make this far more than just an enthralling adventure." –Kirkus Reviews

Angelique's Storm Paula Millet, 2016-08-10 When the beautiful plantation-born socialite Angelique Latour is swept off her feet and quickly wedded to a swarthy scoundrel, her world is turned upside down. Although schooled to be a charming, proper Creole belle, her fine education does not prepare her for the cruel irony that leaves her penniless and alone. Haunted by loss and betrayal, she refuses to be a victim, tapping into her own resourcefulness to save herself in a world where men traditionally hold the power and position. And just as a unique opportunity for reinvention, redemption, and romance presents itself, forces of

nature and the universe plot to spoil her happiness, driving her hopes with a hurricane's fury into the wide expanse of the Gulf of Mexico. Angelique's Storm weaves a powerful tale of suspense, treachery, and survival against the backdrop of pre-Civil War South Louisiana.
