Shorty Rossi

Big Shorty Ken Harper, 2023-06-05 An adventure novel about the trials and trepidations of Winston Saddleworth, Big Shorty's favorite grandson Big Shorty is a humorous coming of age novel full of action and suspense. It centers on family life in the 1950's and 1960's. We follow Winston Saddlesworth from being an 11year old Yankee boy shooting rattlesnakes in the pecan groves of his grandmother's farm in Florida, back to Chicago where he in high school gets involved with gangsters in order to romance the alluring Camilla. His trespasses costs him a scarred nose and a send off as an enlisted soldier first with a stint in Bolivia to catch Che Guevara, next to Vietnam towards the end of the war where he gets involved with the Phoenix program. Some magical realism keeps the reader alert throughout the book. The tales are tall and entertaining. Harper's clever fiction mirrors the strangeness of life. Winston returns home wounded from the war and suffering from PTSD. It is the group meetings with fellow soldiers and the heart warming no nonsense love of his grandmother that brings him back to life.

Shorty Spooner Max Blue, 2009-03-01 In the 1950s, racial loathing is rearing its ugly head and the country is a miasma of hatred. The White Citizens Councils and the Ku Klux Klan are enraged by the United States Supreme Court ruling that schools must be desegregated. Alabama is a boiling pot of dissension and distrust, and fear plagues this southern state as never before. In Max Blue's controversial and poignant tale, four different points of view are expressed. Witnessed by four individuals is the country's painful process of overcoming stereotypes, and racial division. In the end, the civil rights movement forever changed the mindset and political atmosphere of the United States of America. Shorty Spooner is a son born from a Creek Indian mother and a racist, violent father, and his aspirations will lead him to the highest office in the country

Four Feet Tall and Rising Shorty Rossi,2012-01-10 Luigi Francis Shorty Rossi, the tough-talking, fedora-wearing star of Animal Planet's hit show Pit Boss, may stand only four feet tall but that hasn't stopped him from living large, becoming a successful businessman and an outspoken advocate for pit bulls, the most misunderstood breed of dog in the world. A third generation dwarf, ex-gang member, and ex-con, Shorty knows what it's like to be misunderstood and in this candid memoir, he shares his personal story for the first time. No one expected Shorty to live let alone succeed, and yet he has, overcoming every challenge, from an abusive home to the violent streets and gangs of South Central LA, to the notorious cell blocks of Folsom Prison where he was imprisoned for attempted murder. After 10 years, 10 months, and 10 days behind bars, Shorty gained his freedom and the chance to put his entrepreneurial and negotiation skills to the test. He cut the ribbon on his own business, Shortywood, with three goals: to turn his life around, act as a talent agent for little people and establish and fund charities that advocate for, rescue and place abandoned or abused pit bulls into safe homes. In the process, he became a reality-TV star. Now, with Hercules, his rescued pit bull and newly trained service dog by his side, Shorty continues to save pits from the basements and backyards of breeders and abusers while taking on new and even bigger challenges. And nothing is gonna stand in his way. Shorty Rossi is four feet tall—and rising.

Get Shorty Elmore Leonard, 2009-10-13 "A Hollywood hit....Taut, inimitable prose and characters who could have only sprung from the mind of Elmore Leonard." —Detroit News The Chicago Tribune has dubbed Elmore Leonard, "the coolest, hottest writer in America." In the same league as the legendary great ones—John D. MacDonald, Dashiell Hammett, James M. Cain—the "King Daddy of crime writers" (Seattle Times) demonstrates his remarkable mastery with *Get Shorty*, one of the most adored of his forty-plus novels. The basis of the hit movie starring John Travolta and Danny DeVito, *Get Shorty* chronicles the over-the-top, sometimes violent Hollywood misadventures of a Florida mob loan shark who chases a deadbeat client all the way to Tinseltown and decides to stick around and make movies. *Get Shorty's* shylock protagonist, Chili Palmer, is a truly inspired creation—as memorable as another unforgettable Leonard hero, U.S. Marshal Raylan Givens of the hit TV series *Justified*—and readers will relish his moves and countermoves in this electrifying, funny, bullet train-paced winner from "the greatest crime writer of our time, perhaps ever!" (New York Times Book Review)

The Big Short: Inside the Doomsday Machine Michael Lewis, 2011-02-01 The #1 New York Times bestseller: It is the work of our greatest financial journalist, at the top of his game. And it's essential reading.—Graydon Carter, *Vanity Fair* The real story of the crash began in bizarre feeder markets where the sun doesn't shine and the SEC doesn't dare, or bother, to tread: the bond and real estate derivative markets where geeks invent impenetrable securities to profit from the misery of lower- and

middle-class Americans who can't pay their debts. The smart people who understood what was or might be happening were paralyzed by hope and fear; in any case, they weren't talking. Michael Lewis creates a fresh, character-driven narrative brimming with indignation and dark humor, a fitting sequel to his #1 bestseller *Liar's Poker*. Out of a handful of unlikely-really unlikely-heroes, Lewis fashions a story as compelling and unusual as any of his earlier bestsellers, proving yet again that he is the finest and funniest chronicler of our time.

Shorty's Story Ron Herrett, 2012-03-06 This story takes place in south eastern Alberta about nineteen fifteen (1915), along the western edge of the Cypress hills. Shorty Stout, a drifting cowboy arrives at the A-X ranch, (the AXE), and is given a meal and a bunk. The ranch belongs to Xavier Forrest and his wife Angela, hence the name, A-X. Shorty isn't the kind to lie around so the next morning he is out working and fixing. The first thing he does is to fix the windmill which has been making a racket for weeks. Because he is such a handy person with tools and can do almost any work, he is given a job on the ranch. When spring comes he attends a dance in town with the other hands and on the way back to the ranch he meets up with a widow and her son, Dawn and Matt Ryan. He stops to help them cut some firewood and soon he is working for them every weekend. He fixes fences, builds a log bunkhouse, puts running water in the house and many other jobs that have been neglected because there was no one to do them. When the bunkhouse is completed, a dance is held to show how much everyone's help has been appreciated. Meanwhile, out on the range, Shorty and his riding partner Gus, find a hidden valley in the hills, filled with Dawn Ryan's cattle. The valley is believed to be the floor of an ancient lake which drained out through the dry gully that is the only entrance. The cattle are separated and some are sold, bringing them some sorely needed cash to help keep the ranch going. Shorty, Dawn and Matt do some exploring and discover a small inner valley that is a small

corner of paradise. This small valley is so beautiful that anyone entering it find it hard to even speak until they are back in the main valley. Matt discovers there is fish in the lake in the large valley, and he uses some improvised gear to catch a trout and cook it in the fire after coating it with clay. He and the school teacher, Karen Carter, take a group of students on a survival trip to teach them how to survive if they got lost, and to live off the land. Dawn and Shorty eventually realize they were meant for each other; a fact known to Matt and Angela, Dawns older sister, for some time. Dawn asks Shorty to marry her and he agrees, but before getting married, they ride north to Medicine Hat to file for a homestead, taking in the Lost Valley. The day of the wedding arrives and afterwards, a huge reception and dance is held at the schoolhouse just outside town. About midnight, Matt and the school teacher help the newlyweds escape the party and go off by themselves. The weekend after the wedding, the three homesteaders head for Lost Valley, to get an idea of the land surrounding the valley. This valley has the richest soil and the best grass in Alberta and covers an estimated three hundred acres. Normally, a person is allowed to file on one hundred and sixty acres, but this area , being in the hills is described as waste land and they are allowed to file on a half section , or three hundred and twenty acres each. The government will pay to have the land surveyed, so a surveyor is found to do the job for them. When the land is surveyed and registered in their name, they need to find a way to make a wagon road to the valley, as the only way in is the dry watercourse that had drained the former lake in times long past. Many friends arrive to help with this task, which has to be done before building materials can be hauled into the valley. With much work over a long weekend, a road is made to the valley and the first wagon to ever enter the valley rolls over the newly constructed road. They are now ready to find a site to build a home on the Lost Valley Ranch. Shorty and Dawn spend a night in the Heavenly inner valley and in the morning she tells

him he is to be a daddy and that nine months down the road a little girl named Allie will be born, because of one night spent in this enchanted valley.

Constant Visions Alan Hines, 2019-02-21 Constant Visions is a variety of different poems in an enchanting array of how I vision things.

The Short Stories of John Joseph Mathews, an Osage Writer John Joseph Mathews, 2022-06 Susan Kalter presents seventeen previously unpublished short stories by John Joseph Mathews and skillfully intertwines literary analysis, author biography, and archival research with his journals and personal correspondence. Mathews is considered one of the founders and shapers of the twentieth-century Native American novel, yet literary history has largely ignored his work. An Osage writer from Oklahoma, Mathews also spent time in Los Angeles and Europe. The stories in this volume were written at the dawn of the nuclear age by an author who exposed the social dynamics of an emerging world order, an author who had also published explicitly about the ways he observed the East Coast establishment suppressing southwestern writers. This work shows us the aesthetics we missed out on as a result. Topics range from adulterous murder to Cherokee removal, from the thrill of the hunt to the cultural impasses between U.S. citizens in Mexico and their hosts, from the modern Middle East to the fantastical future. The stories bear the consciousness of a postwar

world--its confusions and regrets, its orthodoxies and hypocrisies--as well as the mark of a practiced and prolific writer. The Short Stories of John Joseph Mathews, an Osage Writer sheds light on the complexity of Native American experiences of the last century and the ripple of these stories today.

Reflections of Love Alan Hines,2020-03-12 Love poetry in abundance, the art of time, the art of loving.
