**Lost and Found** Bill Harley, 2017-04-18 Courage yields unexpected surprises when Justin visits his school's dreaded lost and found. A witty, award-winning story about childhood fears from Bill Harley and Adam Gustavson. When Justin loses the special hat his grandmother made for him, he looks everywhere for it. Everywhere, that is, except the lost and found. Mr. Rumkowski, the old school custodian, is the keeper of all the lost and found items, and everyone is afraid of him—including Justin. When he finally musters the courage to enter Mr. Rumkowski's domain, he discovers a whole world of treasures. But things keep getting weirder and weirder, until way down at the bottom of Rumkowski's giant box, Justin unearths something completely unexpected...

**Bill W** Robert Thomsen, 2010-08-12 Robert Thomsen's biography describes the story of Bill W., a stirring spiritual odyssey through triumph, failure, and rebirth, with vital meaning for men and women everywhere. This is the story of a man whose discovery and vision have changed the lives of millions of people throughout the world. Robert Thomsen's biography takes readers through the events of Bill W.'s life, all the while detailing Bill's growing dependence on alcohol. Thomsen writes of the collapse that brought Bill to the verge of death and of the luminous instant of insight that saved him. This turning point led Bill to the encounter in 1935 with Dr. Bob and the start of what was to be a new beginning for countless others who despaired of finding rescue and redemption. Every night at Alcoholics Anonymous meetings around the world, a speaker says, Our stories disclose in a general way what we used to be like, what happened, and what we are like now. This describes the story of Bill W., a stirring spiritual odyssey through triumph, failure, and rebirth, with vital meaning for men

and women everywhere.

**Don't Push the Button!** Bill Cotter, 2013-11  
There's only one rule in Larry's book: don't push the button. (Seriously, don't even think about it!) Even if it does look kind of nice, you must never push the button. Who knows what would happen? Okay, quick. No one is looking... push the button. Uh, oh.

American Scream Cynthia True, 2008-09-04 He was a radical stand up who dared to question the values of small town America and the evils of American foreign policy. Ruthlessly honest, a voice of reason in what he saw as an insane world, Hicks refused to compromise in spite of the censorship he faced for most of his career. His entire act was once banned from The Late Show with David Letterman because he made fun of pro-lifers and the Pope. In American Scream Cynthia True gets under the skin of Hicks, the heavy-drinking, chain-smoking, drug-taking philosopher who was also gentle and kind, a good friend and a comic genius who packed enough adventure into his three decades to last three lifetimes. Hicks died of pancreatic cancer in 1994 but his comedy is more relevant today than ever. This vivid, funny, insightful book shows why. 'Conscientious, perceptive and affectionate . . . [True] understands her subject perfectly' Independent 'Intelligent and tightly researched' Guardian

*Bill W.* Francis Hartigan, 2001-10-12 When Bill Wilson, with his friend Dr. Bob Smith, founded Alcoholics Anonymous in 1935, his hope was that AA would become a safe haven for those who suffered from this disease. Thirty years after his death, AA continues to help millions of alcoholics recover from what had been commonly regarded as a hopeless addiction. Still, while Wilson was a visionary for millions, he was no saint. After cofounding Alcoholics Anonymous, he stayed sober for over thirty-five years, helping countless

thousands rebuild their lives. But at the same time, Wilson suffered from debilitating bouts of clinical depression, was a womanizer, and experimented with LSD. Francis Hartigan, the former secretary and confidant to Wilson's wife, Lois, has exhaustively researched his subject, writing with a complete insider's knowledge. Drawing on extensive interviews with Lois Wilson and scores of early members of AA, he fully explores Wilson's organizational genius, his devotion to the cause, and almost martyr-like selflessness. That Wilson, like all of us, had to struggle with his own personal demons makes this biography all the more moving and inspirational. Hartigan reveals the story of Wilson's life to be as humorous, horrific, and powerful as any of the AA vignettes told daily around the world.

*Cinderella Story* Bill Murray, George Peper, 2000-05-16 One of the funniest, most beloved, and most often quoted entertainers in the world tells his tale of Life and Golf--and of somehow surviving both. With his brilliant creation, groundskeeper Carl Spackler, and the outrageous success of the film *Caddyshack* firmly etched into the American consciousness, Bill Murray and golf have become synonymous. Filled with Murray's trademark deadpan and dead-on humor, *Cinderella Story* chronicles his love affair with golf from the life lessons he learned as a caddy--how to smoke, curse, play cards. But more important, when he--to his escapades on the Pro-Am golf circuit at the Augusta National and as a fan at the Masters, the U.S. Open, and the Western Open. An up-by-the-bootstraps tale of a man, his muse, and our society's fascination with a little white ball, *Cinderella Story* is one pilgrim's bemused path through the doglegs.

The New American Story Bill Bradley, 2007-03-27 "Politics is stuck," writes Bill Bradley, in this insightful, informative, and provocative book

about America at a crossroads, but "idealism isn't dead. It can be reawakened." What will it take to make America a better, stronger, truer country? asks the bestselling author, former Knicks star, and onetime presidential candidate. Bill Bradley believes that America is at a teachable moment when we are compelled to reevaluate our political system, our leadership, our agenda as a nation, and ourselves as citizens. With clarity and urgency, Bradley shows why the story we are being told now about who we are as a people is not true. He then offers a new story about our nation, based on America's rich heritage and his belief in the character of the American people. Bradley explores what changes need to be made in our parties, in our politics, and in citizen activism to ensure America's future. He asserts that the American people are ready for the truth and suggests that the party that chooses to embrace this new story will be in power for a generation. Writing from his own experience in politics and drawing on his knowledge of history, Bradley shows how the Republican Party has built a solid pyramid structure since the 1970s, at the base of which are money, ideas, and media, whereas the Democratic Party's structure is an inverted pyramid, with too much emphasis put on the need for a charismatic leader to hold the pyramid up. Each party, for different reasons, fails to deal with the real issues that now confront America. This informed and inspiring call to action is addressed not only to the parties and elected leaders, but to citizens as well. Bradley proposes things every American can do to shape our nation's future. He points out that if eighty percent of the electorate voted, instead of fifty percent, it would be the most important change in American politics since women got the vote. Now more than ever, he says, we need to embrace an "ethic of connectedness," a combination of collective action

and individual responsibility, to solve our nation's most pressing problems, and he argues that the fate of all countries is bound together as never before. Writing today with the freedom of a private citizen, Bradley provides this transformative and eye-opening book about the danger and the promise of America's choice at this crucial moment in the nation's history.

*The Bill the Cat Story: A Bloom County Epic* Berkeley Breathed, 2016-09-13 The Pulitzer Prize-winning creator of the hilarious Bloom County comic strip is back! To help celebrate, here is the first ever Bloom County picture book, featuring fan-favorite Bill the Cat in an origin story. (Ack ack!) The perfect gift for Bloomers old and new. An Amazon Best Book of the Year and NY Times bestseller! Almost thirty-five years ago Berkeley Breathed launched a little-known yet laugh-inducing comic strip called Bloom County that was full of characters who instantly entered the public consciousness--none more so than Opus (the penguin) and Bill the Cat. Bloom County's popularity soared, it was soon syndicated nationally, had millions of daily readers, and before long its creator was awarded a Pulitzer Prize. Then, nine years later, Bloom County sadly came to a close. It had simply ceased being fun for Berkeley Breathed. Now, more than twenty-five years after it ended, Bloom County has returned in full force and humor online, with an ever-growing fanbase every bit as zealous as it was in the strip's heyday. For the comic's youngest fans, and for those who never stopped wishing for its return, here is an all-new, kid-friendly story for anyone who ever wanted to know the origin story of Bill the Cat. Bloom County has never been more fun! Praise for *The Bill the Cat Story* The illustrations, a mixture of cartoons, eye-popping virtual paintings, and pencil sketches, will pull

inquisitive audiences of all ages into the story.--

Bill's Story William Zimmer, 2016-08-08 For Bill

Zimmer's children, a trip to The Ranch was an event. It meant Grandma and Grandpa, aunts and uncles, and lots of cousins to play with in and around a wonderful old house. They scarcely knew their father had grown up there or how that house came to be. This is Bill's story, in his own words, produced with patience, dedication and love, for the benefit of those who knew him.

23 Minutes in Hell Bill Wiese, 2017-05-02 New York Times Best Seller and Over 1 million copies sold! Over 750 5-Star reviews Wiese's visit to the devil's lair lasted just twenty-three minutes, but he returned with vivid details etched in his memory, capturing the attention of national media, including the Christian Broadcasting Network, Daystar Television Network, Trinity Broadcasting Network, the Miracle Channel, Sid Roth's It's Supernatural!, Sean Hannity's America, Charisma News, and many others. Awaken to the realities of hell, the afterlife and the urgency to live for Christ in your short time here on earth.. Bill Wiese experienced something so horrifying it continues to captivate the world. He saw the searing flames of hell, felt total isolation, smelled the putrid and rotting stench, heard deafening screams of agony, and experienced terrorizing demons. Finally the strong hand of God lifted him out of the pit. This expanded anniversary edition includes more than 150 Bible verses referencing hell for further study. Also included is the new section, "Wrestling With the Big Questions" where Bill answers these and many others questions: Why do some people who have a near-death experience see a bright light? Will those who never heard about Jesus go to hell? Is hell eternal, or are those in hell simply annihilated?

**Bill & Dave** Michael Shawn Malone, 2007 The

definitive history of Hewlett-Packard and its legendary founders, based on unprecedented access to private archives. This is the most authoritative version ever of the most famous start-up story in business history. In 1938, working out of a small garage in Palo Alto, California, two young Stanford graduates named Bill Hewlett and Dave Packard built their first product, an audio oscillator. It was the start not only of a legendary company but of an entire way of life in Silicon Valley, and, ultimately, our modern digital age. Others have written about the rise of Hewlett-Packard, including Packard himself in a bestselling memoir. But acclaimed journalist Michael S. Malone is the first to get the full story, based on unlimited and exclusive access to corporate and private archives, along with hundreds of employee interviews. Malone draws on his new material to show how some of the most influential products of our time were invented, and how a culture of innovation led HP to unparalleled success for decades. He also shows what was really behind the groundbreaking management philosophy 'the HP Way' that put people ahead of products or profits. There have been attempts in recent years to discredit the HP Way as soft and outdated. But Malone argues that the HP Way was a hard-nosed business philosophy that combined simple objectives, trust in employees to make the right choices, and ruthless self-appraisal. It created an innovative and ferociously competitive company, arguably the world's greatest company. This business adventure story will be perfect for entrepreneurs, young managers, and students, not to mention the tens of thousands of current and former HP employees.

**Story/Time** Bill T. Jones, 2014-09-07 An autobiographical meditation on art from the world-renowned dancer and choreographer In this

ceaselessly questioning book, acclaimed African American dancer, choreographer, and director Bill T. Jones reflects on his art and life as he describes the genesis of *Story/Time*, a recent dance work produced by his company and inspired by the modernist composer and performer John Cage. Presenting personally revealing stories, richly illustrated with striking color photographs of the work's original stage production, and featuring a beautiful, large-format design, the book is a work of art in itself. Like the dance work, *Story/Time* the book is filled with telling vignettes—about Jones's childhood as part of a large, poor, Southern family that migrated to upstate New York; about his struggles to find a place for himself in a white-dominated dance world; and about his encounters with notable artists and musicians. In particular, Jones examines his ambivalent attraction to avant-garde modernism, which he finds liberating but also limiting in its disregard for audience response. As he strives to make his work more personal and broadly engaging, especially to an elusive African American audience, Jones—who is still drawn to the avant-garde—wrestles with questions of how an artist can remain true to himself while still caring about the popular reception of his work. A provocative meditation on the demands and rewards of artistic creation, *Story/Time* is an inspiring and enlightening portrait of the life and work of one of the great artists of our time.

Learn about the luminaries behind one of the greatest social movements of our time through the never-before-published recordings, letters, and

stories found in this intimate multimedia retrospective. This unique book and audio CD draw on letters, journal entries, and speeches from Alcoholics Anonymous (AA) conferences, and recorded conversations to tell the personal stories of AA cofounders Dr. Bob and Bill W. The book and CD reveal the cofounders' unique contributions to the creation and development of AA, the Big Book, and the Twelve Steps and Twelve Traditions. The book explores their lives, starting with their early drinking days, while the audio recordings begin with their first speeches in the 1940s and continue through Bill W.'s last talk given at the Miami International Convention in 1970, just months before he died. AA historian and archivist Michael Fitzpatrick used his research conducted at Stepping Stones (the former home of Bill W.) and Dr. Bob's home, excerpts from the AA Grapevine, and his own private collection to offer this multimedia retrospective.
