**Combustion** Billy Storm /Sidda Lee Rain,2016-09-17 Being a former Commanding Officer of an elite Delta Force squadron may have prepared Axle for his role as President of the IGNITION INFANTRY, but it sure as sh\*t hadn't prepared him for her...Charlene, his Cherry Pie. Sweet, sassy and so damn sexy it hurt. Charlene's a luscious forbidden fruit that he'd give anything to sample. Axle now understood how Adam fell for Eve.He's done being rejected by the very woman who haunts his every thought. Cherry makes him want things he'd never wanted before...an old lady, a wife, one round with his child who was outta his league but still wore his tags like a f\*cking badge of honor. Everything in him wanted to own her. Could Cherry live riding on the back of his bike and with everything that comes with club life or will she be the one who leaves his bed cool, heart bruised and Axle in the rearview mirror?WARNING: The Ignition Infantry is a series for those who want to bathe in guilty pleasures and live to read another day.Love comes FAST...Love comes HARD...Love comes KINKY...And, so do these bikers.Breeding, Insta-love, public sex, menage-nothing's off limits in the INFANTRY.

Storm Wilson Hickman,2009-10 Dennis Wilson Jason's normal life is thrown out the window when he gets into a bit of a mishap involving a thunderstorm and a machine at a science demonstration. Horrible foes with powers that match Storm's rise up, and he faces one after the other, determined to fight each battle through and save the world again and again.

*Extinguish* Billy Storm,Sidda Lee Rain,2016-11-12 WHEN IN DOUBT THROTTLE THAT F\*CKER OUT!Former Delta Force, IGNITION INFANTRY patch holder, private security specialist...all have prepared Chains for this job. Security for one of rocks great up and coming bands, Deep Bend.Pamela Myers was the new personal assistant brought in to save Deep Bend from certain disaster. Letting the tailored pant suit, black rimmed glasses, and severe tight bun fool him and the band for that matter, Chains was surprised when she was far from the delicate flower he'd taken her for. And, more than a little turned on to tell you the truth.She looked more like a librarian than a woman about to embark on a four and half month rock tour.He'd put money on the fact that there was more to Miss Pamela Myers than meets the eye.Of course he wasn't blind, Chains could appreciate her abundant curves. Nice rounded hips, tapered waist and a killer rack. But, that doesn't matter anyhow. He doesn't do relationships and she had commitment written all over that pantsuit of hers.Chains tended to lean towards women who were covered with ink, too much makeup and a helluva lot less clothing. Not to mention less inhibitions...exactly the opposite of the new PA.Or so he thought...WARNING: The Ignition Infantry is a series for those who want to bathe in guilty pleasures and live to read another day.Love comes FAST...Love comes HARD...Love comes KINKY...And, so do these bikers.Breeding, Insta-love, public sex, menage-nothing's off limits in the INFANTRY.

Billy Joel Fred Schruers,2015-11-17 The all-access biography and unprecedented look at the life, career, and legacy of a pint-sized kid from Long Island who became a music legend. “A funny, revealing, and poignant look at [Billy] Joel’s long career.”—Boston Globe Exhibiting unparalleled intimate knowledge, Schruers chronicles Joel’s rise to the top of the charts, from his working-class origins in Levittown and early days spent in boxing rings and sweaty clubs to his monumental success in the seventies and eighties. He also explores Joel’s creative transformation in the nineties, his dream performance with Paul McCartney at Shea Stadium in 2008, and beyond. Along the way, Schruers reveals the stories behind all the key events and relationships—including Joel’s high-profile marriages and legal battles—that defined his path to stardom and inspired his signature songs, such as “Piano Man,” “Scenes from an Italian Restaurant,” “New York State of Mind,” and “She’s Always a Woman.” Throughout, he captures the spirit of a restless artist determined to break through by sharing, in his deeply personal lyrics, the dreams and heartbreaks of suburban American life. Comprehensive, vibrantly written, and filled with Joel’s memories and reflections—as well as those of the family, friends, and band members who have formed his inner circle, including Christie Brinkley, Alexa Ray Joel, Jon Small, and Steve Cohen—this is the definitive account of a beloved rock star’s epic American journey.

Phil Spector: Wall Of Pain Dave Thompson,2010-03-04 In 2009 Phil Spector, the legendary record producer, was sentenced to life imprisonment for the murder of B-movie actress Lana Clarkson. It was an ignominious climax to a life of staggering highs and scarcely believable lows. Wall of Pain, Dave Thompson's biography of Phil Spector, has now been updated to include important details of the seemingly interminable trial. The architect of the Wall Of Sound, Spector's already iconic status in the music world was enhanced by his work with The Beatles. Writer and producer of countless hits, his innovative genius in the studio revitalised music production in the 1960s and changed the way we listen to music forever. But there was always a dark side to Phil Spector. His success became over-shadowed by his reputation for eccentricity and excess, his fractious personality and fascination with handguns eventually proving a lethal combination. Featuring interviews from those closest to him, including former wife Ronnie Spector, Wall of Pain concludes the painful tale of pop's tortured genius.

**Billy Joel** Hank Bordowitz,2011-03-01 (Book). Billy Joel: The Life and Times of an Angry Young Man is a look at the superstar's entire career, including his troubled youth as a gang member; the controversy surrounding his first hit, Captain Jack; his legal problems; his storied marriage with Christie Brinkley; and his continued artistic frustration. The Beatles did 'Michelle' and 'Yesterday,' he has said. They also did 'Revolution' and 'Helter Skelter' and they weren't pegged as balladeers. But because I had hit singles that were ballads, I became known as a balladeer. I've always resented it. Joel one of the top ten touring takes of the decade has continued his standing road date with Elton John on the never-ending Two Pianos tour.

**Poverty Row Studios, 1929-1940** Michael R. Pitts,2015-09-17 From the beginning of the sound era until the end of the 1930s, independent movie-making thrived. Many of the independent studios were headquartered in a section of Hollywood called Poverty Row. Here the independents made movies on the cheap, usually at rented facilities where shooting was limited to only a few days. From Allied Pictures Corporation to Willis Kent Production, 55 Poverty Row Studios are given histories in this book. Some of the studios, such as Diversion Pictures and Cresent Pictures, came into existence for the sole purpose of releasing movies by established stars. Others, for example J.D. Kendis, were early exploitation filmmakers under the guise of sex education. The histories include critical commentary on the studio's output and a filmography of all titles released from 1929 through 1940.

**The Shout and the Avalanche** Fred Madeo,2002-02-01 1938-39: Europe is in arms. Britain and France mobilize their citizens and provide them with gas masks, and London sends its children north to safeguard them from air attacks. Meanwhile, Billy Wonder, a young messenger working in Manhattan, inadvertently finds himself locked in the cross hairs of two terrorist groups, witnesses the theft of a diplomatic attach case, and is taken hostage in a Manhattan office building because he is suspected of being an FBI informant. Little does Billy know how unprepared he is for the startling revelations that lie ahead of him.

**Thunder Snow of Buffalo** Don Purdy,Billy Klun,2021-06-07 The City of Buffalo, New York, is known for its snowy reputation, but the snowstorm of October 2006 was beyond unexpected. It caught Buffalonians so off guard that it merits this book of true stories from citizens, including a foreword by Hall of Fame Coach Marv Levy and remarks from Mayor Byron Brown. Don Purdy, a longtime executive with the Buffalo Bills, shares how he, his family, and the football organization overcame the surprise storm, which occurred Friday the 13th and remains the most destructive in Buffalo’s history. Over thirty players, coaches, and staff deliver their own fascinating memories, such as leaving their families behind without power or heat to travel to Detroit for a regular season game, along with never-before shared accounts of the inner workings of One Bills Drive and the National Football League. Meteorologists from all three major local television networks reveal their personal and professional experiences, notably how the Storm happened and...how they missed it. Dozens of other prominent members of radio, police, medical, clergy, insurance, business, education, and Buffalo’s NHL Sabres hockey team vividly recall their reactions and subsequent decisions. Co-Author Billy Klun delivers superb literary framing throughout and even takes the reader inside his then fourteen-year-old mind struggling to make sense of a landscape turned upside down over night. In the overwhelming aftermath, the city’s recovery efforts were boosted by a pair of highly inventive, altruistic volunteers determined to replant the 55,000 lost trees and provide the downed tree carcasses a proud second life – Buffalo style. In addition to the Bills organization’s quick-thinking and innovative operational adjustments, Thunder Snow of Buffalo offers plenty of humor and laughs, including rookie players from the South asking, “If this happens in October, what will the real winter months be like?”

**One Came Home** Amy Timberlake,2014-01-07 A Newbery Honor Book An ALA-ALSC Notable Children's Book Winner of the Edgar Allan Poe Award for Best Juvenile Novel “An adventure, a mystery, and a love song to the natural world. . . . Run out and read it. Right now.”–Newbery Medalist Karen Cushman In the town of Placid, Wisconsin, in 1871, Georgie Burkhardt is known for two things: her uncanny aim with a rifle and her habit of speaking her mind plainly. But when Georgie blurts out something she shouldn't, her older sister Agatha flees, running off with a pack of pigeons trailing the passenger pigeon migration. And when the sheriff returns to town with an unidentifiable body–wearing Agatha's blue-green ball gown–everyone assumes the worst. Except Georgie. Refusing to believe the facts that are laid down (and confined) before her, Georgie sets out on a journey to find her sister. She will track every last clue and shred of evidence to bring Agatha home. Yet even with resolute determination and her trusty Springfield single-shot, Georgie is not prepared for what she faces on the western frontier.

**Storm Warning** Billy Graham,2011-05-09 Billy Graham offers hope and biblical wisdom for today's challenging problems. The daily news is jammed with alarming headlines of conflict in the Middle East, economic crisis, and terrorist threats around the world. In Storm Warning, Billy Graham – the best-known evangelist of our time – examines today’s most challenging problems and adds his voice and perspective to what the Bible says about the storms we are facing... and the storms yet to come. Since its original publication, Graham has added nearly two decades to his ministry and has lived through several more storms. This completely revised and updated book highlights Graham's recent experiences, insights, and renewed sense of urgency as he examines the book of Revelation in light of current events–and sees prophetic events become reality. “Now in the twenty-first century, we see accelerated growth of unrestrained greed and corruption on Wall Street, financial mismanagement in the halls of government, and fraud and perversion at the highest levels of both church and state. While keeping an eye on the showdown that many observers feel may be brewing even now in Europe, the Middle East, Asia, and North America, many people sense the possibility of an even greater unraveling in the world. Can we find any hope in the current world situation? Will there be lasting peace? How should we live in the face of our nation’s new challenges and the magnitude of the world’s crises? These are important–even vital–questions, and I invite you to come with me as we discover the answers God has given us.” –Billy Graham
