Incognito Khaled Talib,2021-04-21 Pope Gregoire XVII was last
seen waving to the crowd at Saint Peter's square from the famous
Apostolic Palace window. Despite several layers of tight security,
neither the Gendarmerie nor The Entity (the Vatican's secret service)
or the Swiss Guards claim to know anything about his sudden
mysterious disappearance. As the world mourns for the pope, a frantic
search begins in Italy and beyond its borders amid speculation that the
Holy See may know more than they are telling. Ayden Tanner, a
former British SAS commando officer — who is officially dead — is
dispatched with two other crew members to find the Supreme Pontiff
by The League of Invisible Knights, a covert division of Anonymous.
But trouble unexpectedly starts from the moment Ayden arrives in
the city that winter day...In a gasping chase that races from the snowy
mountains of Switzerland to the secret passages under Saint Peter's
Basilica to the hilly terrains of Istanbul to the harsh desert air of
Egypt, Ayden and his crew are forced to match wits with lethal
assassins as they struggle on a desperate quest to prevent a terrifying
tomorrow.

Oil! Upton Sinclair, 2023-06-20T00:55:35Z James Arnold Ross Jr., nicknamed "Bunny," is the son of a self-made oil millionaire. As he

comes of age, Bunny's sympathies for oilfield workers and socialists often clash with his father and his father's business partners, forcing him to confront the ethical implications of his family's wealth and power. As Bunny witnesses the devastating consequences of his father's unethical business practices, including accidents and a worker strike, he finds himself torn between loyalty to his family and his burgeoning friendship with an oilfield worker, Paul Watkins. Paul, influenced by his experiences in post-World War I Siberia, becomes a fervent advocate for labor rights and embraces communism. The novel explores the complex dynamics of family, loyalty, and the pursuit of justice in a society driven by oil and power. Sinclair's narrative satirically critiques the flaws and weaknesses of all the characters, shedding light on the human condition in the face of greed and inequality. The book offers a profound examination of societal issues, delving into themes of corruption, greed, and the struggle for workers' rights. *Oil!* inspired the 2007 film *There Will Be Blood*. The novel's enduring relevance lies in its exploration of the interplay between wealth and morality and its scathing commentary on the oil industry. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
