Count Me In!: Resources for Making Music Inclusively with Children and Young People with Learning Difficulties Adam Ockelford,Sophie Gray,Jon Cohen,Max Mai,2023-03-20 This engaging, practical resource sets out twelve original projects for making music inclusively with children and young people of all ages who have special abilities or needs, including those with profound and multiple learning difficulties, those on the autism spectrum, those who have a vision or hearing impairment, and those with social, emotional, and mental health needs. Created by leaders in the music and special needs field working with music industry professionals, Count Me In! includes projects with a wide range of musical styles and genres, and there is an accompanying website with hundreds of freely downloadable audio files. The resource is based on the Sounds of Intent framework, which encourages teachers and others to target activities at their pupils' and students' particular levels of musical development. The pieces of music are 'deconstructed' into separate activities that are individually targeted at sound-makers, pattern-makers, motif-makers and song-makers so that all young people can join in at the same time. Count Me In! is a must-have resource for class teachers, teaching assistants and other non-music-specialist staff supporting children with learning difficulties in special and mainstream schools and colleges, as well as musicians from music services, music hubs and other arts organisations who visit schools. It can be used without needing to be able to read music, though there are scores in simplified and standard notation, as well as chord charts.

**Bollywood Kitchen** Sri Rao,2017-11-07 "Rao gives new meaning to 'dinner and a movie' by creating menus inspired by classic Indian films."—Houston Chronicle Indian cuisine and Indian cinema (known as Bollywood) share much in common—bold colors and flavors with plenty of drama. But to the uninitiated, they can seem dizzying. Let Sri Rao be your guide. As one of the only Americans working in Bollywood, Sri is an expert on Indian musical films, and as an avid cook, he's taken his mom's authentic, home-cooked recipes and adapted them for the modern, American kitchen. In this book you'll find dinner menus and brunch menus, menus for kids and menus for cocktail parties. Along with each healthy and easy-to-prepare meal, Sri has paired one of his favorite Bollywood movies. Every one of these films is a musical, packed with dazzling song-and-dance numbers that are the hallmark of Bollywood, beloved by millions of fans all over the world. Sri will introduce each film to you, explaining why you'll love it, and letting you in on some juicy morsels from behind the scenes. "Rao has created more than a book of recipes. There is seldom a cookbook that voracious readers can flip through for story; this one feeds the eye and imagination. One can run their thumb and forefinger over technicolor pages featuring decadent film and food stills. The narrative also unearths the author: cheeky, perceptive, honest."—Edible Brooklyn "Full of humor and insight, Bollywood Kitchen makes a great read, even if neither Bollywood nor cooking are your passions. A

delightful read.”—News India Times
