*Sàngó in Africa and the African Diaspora* Joel E. Tishken, Toyin Falola, Akintunde Akinyemi, 2009-06-22 Sàngó in Africa and the African Diaspora is a multidisciplinary, transregional exploration of Sàngó religious traditions in West Africa and beyond. Sàngó—the Yoruba god of thunder and lightning—is a powerful, fearful deity who controls the forces of nature, but has not received the same attention as other Yoruba orishas. This volume considers the spread of polytheistic religious traditions from West Africa, the mythic Sàngó, the historical Sàngó, and syncretic traditions of Sàngó worship. Readers with an interest in the Yoruba and their religious cultures will find a diverse, complex, and comprehensive portrait of Sàngó worship in Africa and the African world.

**Hello, Little One: A Monarch Butterfly Story** Zeena Pliska, 2020-05-12 Caterpillar crawls from leaf to leaf, eating and waiting, all alone in a big, green world. Then Orange appears—Orange floats, and flits, and flies, graceful and beautiful. In this sweet, moving story of intergenerational friendship, a small caterpillar is befriended by a glorious monarch butterfly, and together they learn to see the world through each other's eyes.

*La Mariposa* Francisco Jiménez, 2000-09-26 In his first year of school, Francisco understands little of what his teacher says. But he is drawn to the silent, slow-moving caterpillar in the jar next to his desk. He knows caterpillars turn into butterflies, but just how do they do it? To find out, he studies the words in a butterfly book so many times that he can close his eyes and see the black letters, but he still can't understand their meaning. Illustrated with paintings as deep and rich as the wings of a butterfly, this honest, unsentimental account of a schoolchild's struggle to learn language reveals that our imaginations powerfully sustain us. *La Mariposa* makes a subtle plea for tolerance in our homes, our communities, and in our schools.

**Butterflies Belong Here** Deborah Hopkinson, 2020-08-04 *Butterflies Belong Here* is a powerful story of everyday activism and hope. In this moving story of community conservation, a girl finds a home in a new place and a way to help other small travelers. This book is about the real change children can make in conservation and advocacy—in this case, focusing on beautiful monarch butterflies. • From Deborah Hopkinson and Meilo So, the acclaimed team behind *Follow the Moon Home* • An empowering, classroom-ready read • The protagonist is a girl whose family has recently immigrated to the United States. I know what to look for: large black-and-orange wings with a border of small white specks, flitting from flower to flower, sipping nectar. But though I looked hard, I couldn't find even one. I wondered if monarch butterflies belonged here. I wondered if I did, too. *Butterflies Belong Here* is proof that even the smallest of us are capable of amazing transformations. • Equal parts educational and heartwarming, this makes a great book for parents and grandparents, as well as librarians, science teachers, and educators. • Those interested in beautiful butterflies and everyday activism will find this lovely book both motivating and inspiring. • Perfect for children ages 5 to 8 years old • You'll love this book if you love books like *Thank You, Earth: A Love Letter to Our Planet* by April Pulley Sayre, *The Honeybee* by Kirsten Hall, and *Greta and the Giants: Inspired by Greta Thunberg's Stand to Save the World* by Zoë Tucker

**Glasswings** Elisa Kleven, 2013-04-18 Claire, a glasswing butterfly whose transparent wings reflect her lush home, finds herself lost in the city after being separated from her family. She doesn't know how they will ever see her, but she finds new city friends, a pigeon, an ant, and a ladybug, who search for the flowers Claire needs to live. They come upon a tiny urban garden, and as Claire drinks from the flowers' nectar, she pollinates more flowers. Soon the garden—and Claire's clear wings—fill with color, allowing her family to recognize her at last. Together they create an oasis for all to enjoy. Facts about glasswing

butterflies and pollination complete this beautiful and educational picture book. Kleven's latest offering is as colorful and delicate as a butterfly's wings—a treasure that can be cherished for years.

**The Story of Rufino** João José Reis, Flávio dos Santos Gomes, Marcus J. M. Carvalho, 2019-01-16 A finalist for the Brazilian Book award and winner of the Casa de las America Prize for Brazilian Literature, *The Story of Rufino: Slavery, Freedom, and Islam in the Black Atlantic* was written by three experts in the history of slavery in Brazil and reconstructs the lively biography of Rufino Jose Maria, set against the historical context of Brazil and Africa in the nineteenth century. This book narrates the life of a Yoruba Muslim named Rufino Jose Maria, born in the kingdom of Oyo, in present-day Nigeria. Enslaved as an adolescent by a rival ethnic group, he was acquired by Brazilian slave traffickers and taken across the Atlantic. He spent eight years as a slave in the city of Salvador, in the northeast of Brazil, where he arrived in 1823. Rufino was later sold to the southernmost province of Rio Grande do Sul, where he became the slave of the local chief of police. Five years later, in 1835, he bought his freedom with money he saved as a hired-out slave in the streets of Salvador, in Bahia, and Porto Alegre, in Rio Grande do Sul. He may also have earned part of the money from making Islamic amulets, as he was a literate Muslim. 0.
