This Harlequin Heartwarming box set includes: **THE DOC'S INSTANT FAMILY** Bachelor Cowboys by New York Times bestselling author Lisa Childs Genevieve Porter has always wanted to feel needed. She can't pass up the chance to help Doctor Collin Cassidy foster his little patient—by marrying him! But what happens when it begins to feel like a real family? **REUNITED WITH THE RANCHER** Love, Oregon by Anna Grace When Whitman Benton runs for county commissioner to protect his hometown from development, he doesn't realize pretending to date city girl Piper Wallace will be part of the campaign. A relationship might lend him credibility...but can it lead to forever? **THE COWBOY'S SECOND CHANCE** The Fortunes of Prospect by USA TODAY bestselling author Cheryl Harper She's a burned-out doctor looking for quiet, and he's renovating a ranch into a home for foster

kids. Keena Murphy and Travis Armstrong have nothing in common—except the spark between them. Is this enough to keep Keena in Prospect permanently? **THE COWGIRL'S HOMECOMING** The Cowgirls of Larkspur Valley by Jeannie Watt Tanner Hayes has three years to turn the family ranch around—or he'll have to sell. Hiring Whitney Fox, recently unemployed, should be nothing but a business arrangement. Until he can't imagine running the ranch without Whitney at his side. Look for 4 compelling new stories every month from Harlequin® Heartwarming!

Fated Mates Series Box Set Kitty Thomas,Zoe Winters,2023-11-14 The full COMPLETE 6 book Fated Mates Series: BOOK 1 BLOOD LUST: (3 novellas that introduce the world. You can read this first or Book 2: Incubus Awakened first, but both should be read before the third book, Hunted) The blood is everything... Kept: Cat shifter blood is sought after to enhance spells and potions, but due to a quirk of her birth, Greta's blood is potent enough to kill for. When she learns she will be sacrificed, Greta is forced to ally herself with Dayne, the dangerous local sorcerer, and the only person strong enough to protect her. Claimed: Charlee wakes in a strange bed without any memory of who she is. All she knows is that a man who claims to be a doctor and is there to help her, doesn't seem to want to let her go. And maybe this is just her imagination, but does he have fangs? Mated: Jane isn't a vampire, but their blood runs through her veins, making her a target for those who resent a human being "kindred". When she's given to the leader of the werewolf pack to satisfy a gambling debt, she discovers her blood has a far greater impact on her destiny than she ever could have imagined. BOOK 2: INCUBUS AWAKENED: This title was previously published as Save My Soul. All he's asking for is

her soul... After buying the historic home she's fantasized about since childhood, Anna Worthington discovers she isn't alone. Luc, a dangerously seductive incubus, has been trapped by a curse for the last fifty years, and Anna is willing to do almost anything to get rid of her problem house guest. All she has to do is resist him long enough to break the spell so they can go their separate ways. If she doesn't, she could die. And that would be the best case scenario. BOOK 3: HUNTED: It started with one lost pup; it may end in a war... Panthers don't do responsibility. They don't do long-term relationships. They definitely don't raise kids. But when Z discovers a young wolf in the forest, he takes him in, unaware of the powerful beings hunting the pup. Fiona is a witch who can't leave her house; the birds have told her something bad will happen, and the birds are always right. The mailbox is as far as she'll go, but even that may provide more danger than she's bargained for. When a wolf pup stumbles into her garden, her safe, wrapped-up world heads for a free fall. But along with danger, the pup brings a chance at love—a chance an agoraphobic witch and a bachelor panther aren't likely to find on their own. BOOK 4: BAD MAGIC: Immortality can be a bitch... Tamara has lived nearly two

thousand years, trapped by a spell of her own creation. Hunted by her enemy and former lover, she knows there is only one man strong enough to release her from the curse. But will Cain honor her death wish, or keep her for himself, whatever the cost? Two ancient souls. Two weary fighters torn between love and hate, forced to decide if the other could be worth living for. BOOK 5: FORBIDDEN: To see him again is forbidden... Angeline knows Father Hadrian will never forgive her for their ugly history. Taking him from his calling and turning him into a monster... no one should forgive that. When the king of the vampires seeks vengeance for Hadrian's recent betrayal, she'll risk everything to protect the vampire she still loves. But when Angeline agrees to give Hadrian her blood, all Heaven will break loose. BOOK 6: CAGED MOON: Can two souls trapped in separate cages ever find each other? Twenty-six years have passed since the link between heaven and earth was severed and all hell broke loose. The fighting raged until the human magic users took over the cities, driving most of the preternaturals into hiding. This is the world Syndey Burgess has grown up in, locked inside her father's compound. As the daughter of a human mother and a vampire king, she has all the

weaknesses of a vampire but none of their strengths. Anthony keeps her on a tight leash, ever vigilant against the constant imagined threats to her safety. But all she wants is to break free and start a real life. Noah Riley has lived in captivity for the past twenty years, so long he barely knows how to be a werewolf anymore. Even with a photographic memory, most of his past before the facility feels fuzzy at best. His strongest memories are of the little girl he protected during his childhood: Sydney. When he reaches his full power on his twenty-eighth birth moon, he'll have a chance to break free to find her and finally reunite with his family. But vampires and werewolves are mortal enemies. Even if Sydney is Noah's true mate, the vampire king would kill him before he ever let a filthy werewolf near her, especially one of questionable sanity.

Fast Ice Box Set Stephanie Julian,2021-05-06 They're the hottest men on ice...and they're falling fast. BYLINES & BLUE LINES A one-night stand hot enough to melt the hardest ice... Brody Mitchell is a damn good hockey player with the NHL contract to prove it. He loves the game but hates the hype, the spotlight and the puck bunnies trying to score an athlete husband. He's been burned before. He's

not looking to repeat that mistake. But one night with an anonymous beautiful brunette and it's game on. **HARD LINES & GOAL LINES** The odds are stacked against them... As the backup goalie for the Philadelphia Colonials, Tim Stanton earned his nickname "Tank" by being an immovable force in net. Hockey has always come first in his life but, at thirty-one, he has an expiration date practically stamped on his ass. It's time to make hard decisions about his future. Retire on his terms or play until his body gives out? And if he stays in net, will he miss his shot to pursue the woman he loves?

DEADLINES & RED LINES Looking to score love... Sugar Donahue is determined to live life on her own terms, even if that means working three dead-end jobs to make ends meet. The only bright spot in her day is the moment the hottest player on the Philadelphia Colonials hockey team walks into the diner where she works. Too bad he's so far out of her league he might as well be on another planet. RJ Mitchell wants Sugar any way he can have her—on a table, up against a wall, whatever he can get. He's at the top of his game and a fan favorite, but his life feels stuck in neutral. He's not willing to risk his heart, but he'll take whatever Sugar's willing to give. Three full-length, standalone hockey

romances sure to melt the hardest ice.

		Gone are the days of physically

flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Boxset&sortm books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of	Boxset&sortm books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Boxset&sortm versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental	impact associated with book production and transportation. Furthermore, Boxset&sortm books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-
---	---	---

specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content	appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Boxset&sortm books and manuals, several platforms offer an extensive collection of resources. One such platform is	Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Boxset&sortm books and manuals is Open
---	--	--

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.	Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course	materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
