Il bracciale di sterline Matteo Incerti,Valentina Ruozzi,2012-10-11 Da una storia vera un romanzo d'amore e di guerra romantico, drammatico, sorprendente La vera storia di cento uomini e donne che, da tutta Europa, scesero dal cielo e dai sentieri dell'Appennino Reggiano, guidati dalle magiche note di una cornamusa scozzese, per attaccare il quartier generale della Linea Gotica. Il loro coraggio contribuì ad accelerare l'avanzata degli Alleati e la fine della guerra e della dittatura. In quell'inferno due bambine ricevettero in dono due bracciali di sterline. Da Operazione Tombola - nome in codice dell'operazione segreta - nacquero cinque amori per la vita. Sessantasei anni dopo, grazie ad internet, il filo d'Arianna della storia riunisce dieci protagonisti di allora: si intrecciano così amori, ideali, sogni, e come in una favola quei bracciali rivelano alle due bambine di allora, diventate nonne, la storia di due coraggiosi soldati.

Rolex Passion Mondani Family, 2017-01-01 Today Rolex Passion is the most updated edition on Rolex wristwatches: a book that illustrates and describes all vintage and modern models, including timepieces introduced at Baselworld 2017. Rolex Passion also represents the first "social book" by Mondani, tradition combined with the future: the code QR on the cover of the book takes you directly to our page on Facebook ("Rolex Passion by Mondani"), which has more than half a million followers and is updated with images and information about different watches every day. On this page you can also find watches that are on sale at the most reliable and known retailers worldwide. Another important new element of this book is the large section entirely dedicated to the Rolex watches of our Clients and Followers from all over the world, with unpublished pictures, which arrive directly from the network profiles of our Clients and Followers. A unique opportunity to see wonderful timepieces in constantly different and original contexts. Furthermore, "Rolex Passion" is also the first book of the dealers, since it includes a large chapter on dealers, retailers and vendors worldwide, who are recommended to you by Mondani. This book is perfect for those who are approaching the world of Rolex watches. "Rolex Passion" takes the reader on a journey through the entire production of watches and illustrates the history and the main technical features of all the references. This volume should be present in the bookcase of our Clients, who already own other editions by Mondani, since it is a real novelty, which allows one to follow the most active and updated page about Rolex on Facebook. The preface of this book was written by Roman Sharf, a dealer of new and second wrist luxury watches in Philadelphia. He is esteemed throughout the world and has great experience in the watch market. **ROLEX PASSION TOPICS:** Rolex Passion describes on more than 350 pages the whole production of the Genevan Maison from the first models up to the present day. This book also illustrates important details, small differences, special features of bezels, dials and hands and a lot more. Rolex Passion is divided in categories in alphabetic order and represents a general guideline, which describes all the references, but also satisfies the demands of those who require more detailed information, for example: the customized Serpico y Laino dials, the chronographs, which were produced only in very small numbers, the characteristics of the Paul Newman models, watches with tropical dials, the calibers, the timepiece, which was called "Padellone," the evolution and the range

of dials of the Datejust and Day-Date, the Texano, the complications of the Sky-Dweller, the evolution of the diver's models from the James Bond up to the James Cameron, the Oysterflex, the ceramic bezel inserts (including those of the modern Daytona), etc. The last chapters describe all the models, which were presented at Baselworld, like for example the Sea-Dweller, ref. 126600 with red writing, the new Sky-Dweller in stainless steel with a blue dial, the Yacht-Master with a sapphire and diamond set bezel and a lot more. The chapter "Shots from the Web" is absolutely new. It illustrates photos of Rolex watches from all over the world: models, which are rare or common, modern or vintage, in good or less good condition, are presented on different and original backgrounds.

Leadership in the Time of Covid George Hays II, Milada Polišenská, Joshua M. Hayden, 2023-10-30 The Covid pandemic has put all modern societies to a serious test of resilience. The interdisciplinary research on which this book is based examined how four European governments behaved in these circumstances. During the months of the crisis, the team of experts coordinated by the editors of this volume took a close look at the decision-making processes in the Czech Republic, Hungary, Poland, and Slovakia – the so-called Visegrad Four. The inquiries focused on experiences from the academic, health, economic and social fields. The methods of comparison included surveys, interviews, discourse analysis, for which the adaptive leadership theory provided the conceptual framework. The conclusions are both academic and practical. Aside the description of the pandemic responses, the research had a formative dimension: how can an adaptive leadership approach better help societies manage the health and societal impacts of similar challenges? The spectrum of emerging anti-democratic tendencies in the region provided the specific context of the exercise. The four states face varying degrees of democratic backsliding as well as illiberal influences that have affected their response to the pandemic, which gives this research on the Visegrad Four a worldwide resonance.

The Horsemen: Inside Thoroughbred Racing As Never Told Before Jack Engelhard, 2017-04-20 It was 1973. It was the golden age of Secretariat and the days of Arcaro and Shoemaker... but it was one rider above them all who drew the racing world's rapt attention. That was Walter Blum. To count himself among the truly great he would have to win the 4,000th race of his career. He needed six more. That pursuit and so much more about the racetrack inspired international bestselling novelist Jack Engelhard to produce a factual journalistic account of what it's really like behind the scenes. His book, *The Horsemen*, became an instant classic. The New York Times devoted a full spread on its Sports front page to excerpt and celebrate the book. "Racing has found its laureate." Thus cheered famed New York Post racing writer Ray Kerrison writing for the pages of *The National Star*. *The Horsemen* continues to draw acclaim from readers throughout the racing world and from readers who simply enjoy a great book.
