Through an heirloom charm bracelet, three women will rediscover the importance of family and a passion for living as each charm changes their lives. On her birthday each year, Lolly’s mother gave her a charm, along with the advice that there is nothing more important than keeping family memories alive, and so Lolly’s charm bracelet would be a constant reminder of that love. Now seventy and starting to forget things, Lolly knows time is running out to reconnect with a daughter and granddaughter whose lives have become too busy for Lolly or her family stories. But when Arden, Lolly’s daughter, receives an unexpected phone call about her mother, she and granddaughter Lauren rush home. Over the course of their visit, Lolly reveals the story behind each charm on her bracelet, and one by one the family stories help Lolly, Arden, and Lauren reconnect in a way that brings each woman closer to finding joy, love, and faith. A compelling story of three women and a beautiful reminder of the preciousness of family, Viola Shipman’s The Charm Bracelet is a keepsake you’ll cherish long after the final page.

🔖 **THE HORSEMEN: INSIDE THOROUGHBRED RACING AS NEVER TOLD BEFORE** Jack Engelhard,2017-04-20 It was 1973. It was the golden age of Secretariat and the days of Arcaro and Shoemaker... but it was one rider above them all who drew the racing world’s rapt attention. That was Walter Blum. To count himself among the truly great he would have to win the 4,000th race of his career. He needed six more. That pursuit and so much more about the racetrack inspired international bestselling novelist Jack Engelhard to produce a factual journalistic account of what it’s really like behind the scenes. His book, The Horsemen, became an instant classic. The New York Times devoted a full spread on its sports front page to excerpt and celebrate the book. “Racing has found its laureate.” Thus cheered famed New York Post racing writer Ray Kerrison writing for the pages of The National Star. The Horsemen continues to draw acclaim from readers throughout the racing world and from readers who simply enjoy a great book.

The next day at school, a girl offers to teach Yoon how to jump rope, but for a price: she wants to borrow the jade bracelet. When Yoon tries to get her bracelet back, the girl swears it belongs to her. Yoon must use the lessons learned in her storybook and her shining wisdom to retrieve the precious keepsake. In this third book featuring Yoon, lush impressionistic dreamscapes evoke a simple and timeless message: it is possible to trick a tiger. Yoon and the Jade Bracelet is a 2009 Bank Street - Best Children’s Book of the Year.

🔖 **BRIDGING ART AND MECHANICS** Elizabeth Doerr,2015-05-18 Despite its trademark transparency, the Corum Golden Bridge is a wristwatch full of mystery. This new book describes the iconic linear timepiece’s fascinating history including the innovative mechanical invention conceived by a nonconformist autodidact and the difficult technical breakthroughs by two like-minded personalities needed to achieve the dream wristwatch. This story, chock-full of narrative substance, begins in Switzerland of the late 1970s, at a time when electronic timekeeping was threatening to overtake the magical mastery of mechanical ticks and tocks. The Golden Bridge, spanning the gap between mechanics and art, is an integral part of this era as luxury watchmaking teetered on the brink of extinction. The Golden Bridge additionally helped usher in the era of the independent watchmaker, as its very creation was rooted in shedding light on the work of the watchmaker in a way that no other timepiece before or after it ever would.
