The Perfect Storm Sebastian Junger,1999-10 A true story of men against the sea.

What Stands in a Storm Kim Cross,Kimberly Hisako Cross,2015-03-10 Immersive reporting and dramatic storytelling from the middle of the horrific superstorm of April 2011, a weather event that killed 348 people--
Provided by publisher.

Tornado Season Courtney Craggett,2020 TORNADO SEASON arrives as a storm is raging. Yet its stories urge us not to seek shelter, but to leave it. To walk out of our inner place of hiding and face the whirlwind. To recognize it. To acknowledge it and fight it. Ethnicity and culture alongside the U.S.-Mexico border; deportation and immigration; life in the U.S. foster care system--of these tumultuous subjects Courtney Craggett writes with honesty, a big heart, and a complete lack of sentimentality. She shows us ordinary people who suffer, dream, hope, and strive for something just a little bit better. And by doing so, she elevates these stories from the realm of the timely into that of the timeless. Long after the storm has passed, the stories in TORNADO SEASON will ring true and dear for they sing of the innermost yearning of the human heart for freedom, justice, and love. --

Rage in Storm Steven Paul Germane,2019-02-22 Revenge. That's what I wanted. I needed it for solace. I needed it to pay back Victor Grant for all the bullshit he put me through. My family through. People I cared and knew through. He was ruthless and he had one goal. That was to take everything my dad had away from him, whether it was his business, mom and most of all me. He wanted me. I loathed him with everything I had in me. However, there was something that was drawing me to his power, his hunger, his passion, his wealth. Him. I wanted to make him suffer. I had to come up with a plan to take him down. I would either do it alone or with Adam, Antonio, Julio or anyone else who would help me do it. I felt used and hurt but was it because deep inside, I felt something more for him than I realized? I could have the world because of his power and because of being on his side. Was I truly ready for this? I had to be. Victor kept telling me I belonged to him. But if I truly was his, why did he do the things he did to me? I kept remembering what he repeated over and over to me at times, What you actually see isn't always as it seems. I took that as nothing is ever what you truly see. There's always something added or missing. However, my goal, regardless of what has happened over the last year, months, days, that I wanted my revenge and I would stop at nothing to get it. I would have my revenge and it was going to be so sweet. I would show him a real Storm when I got through with him and he wouldn't know what happened during my rage.

Freak Storm Matt Pelfrey,2008-10 On a rainy night in Los Angeles, a young couple get an abrupt visit from two old friends. But they're not stopping by for pleasure but to warn them that someone, or something, from their past is coming for them all ... David Lynch, Amy Tan and The Man Show collide in FREAK STORM ... Matt Pelfrey's new one-act about the inscrutability of those we love juggles macabre comedy, relationship drama and political incorrectness ... Pelfrey is undeniably talented, demonstrating a flair for bilious ribaldry. David C Nichols, Los Angeles Times In the skilled hands of playwright Pelfrey, this is a classic, dramatic moral dilemma that goes ... right to the guts ... with primal force and power ... Add FREAK STORM to the list of fine works by Pelfrey. -Backstage West ... unsettling exploration of the human psyche ... this gripping morality play. -Martin Hernandez, L A Weekly The climactic scene with a garbage disposal is so shocking that some avert their eyes, others turn away, but all are riveted to the seats, wondering how it will resolve. You'll have to see the play to know what went down the disposal - prepare to be shocked! ... FREAK STORM is really freaky ... -Entertainment Today This domestic disturbance reveals very scary stuff about the world of men ... This unsettling drama which benefits from ... a lot of dark comic material from Pelfrey's bag of tricks. -K C R W (radio)

Storm Kings Lee Sandlin,2014-03-11 With 16 pages of black-and-white illustrations In Storm Kings, Lee Sandlin retraces America's fascination and unique relationship to tornadoes and the weather. From Ben Franklin's early experiments, to the great storm debates of the nineteenth century, to heartland life in the early twentieth century, Sandlin shows how tornado chasing helped foster the birth of meteorology, recreating with vivid descriptions some of the most devastating storms in America's history. Drawing on memoirs, letters, eyewitness testimonies, and numerous archives, Sandlin brings to life the forgotten characters and scientists that changed a nation and how successive generations came to understand and finally coexist with the spiraling menace that could erase lives and whole towns in an instant.
