The Story of Dan Bright Dan Bright,Justin Nobel,2016 Everybody knows New Orleans, but nobody knows this New Orleans. At sixteen years old, Dan Bright was the head of a New Orleans drug empire. As his operation grew, it was only a matter of time before he attracted the attention of the criminal justice system, which would stop at nothing--including framing Dan for murder--to get him off the streets. Dan's capital murder trial lasted only one day. The District Attorney's office used false testimony and fabricated evidence to lead the jury to their ultimate conclusion: Daniel Bright was guilty and deserved the death penalty. This incredible true story unflinchingly shows the injustice of the legal system, as well as the base corruption on display at Angola prison, where Dan spent ten years fighting his wrongful conviction and struggling for a right supposedly guaranteed to all Americans: a fair trial.

Night's Bright Darkness Sally Read,2016 A moving and beautifully written story about a British poet's conversion from staunch atheism to Catholicism in the space of nine electric months. In 2010, Sally Read was heralded as one of the bright young writers of the British poetry scene. Feminist, atheist and deeply anti-Catholic, she was writing a book about women's reproduction and sexuality when, during her research, she spoke with a Catholic priest. That mysterious encounter led Read on a dramatic journey of spiritual quest and discovery which ended up at the Vatican itself, where she was received into the Catholic Church in December of that year. This story is one that, unsurprisingly, has the vivid flavor and beauty of poetry. Read relates her encounters with the Father, the Spirit and then the Son, exactly in the way they were given to her--timely, revelatory and compelling. These transforming events throw new light onto the experiences of her past--her father's death, her work as a psychiatric nurse, her life as a single woman in London, as a mother and as a writer. She reveals how she developed a close intimacy with the new love that erupted into her life, Christ himself, and how she comes to embrace a doctrine she had previously rejected as bigoted and stifling. Sally Read's story is a testimony to the powerhouse of Christianity: divine love and the life-changing encounter with Christ.

And holy moly, are their presents extraordinary. The little angel wants to give a present too, but, what could she possibly offer that is as worthy as the others' gifts? At a loss for original ideas, she peeks over the side of her platform and spies something going on in the desert--a caravan of kings on camels, lost in the dark. And suddenly she knows she must do something, and does the only thing she can. Because the greatest gift of all? It can't be wrapped. It can't be bought. It can only be selflessly, joyfully given. And it ends up being the perfect gift for that little baby...the shiningest gift at all.

His Bright Light Danielle Steel,2009-02-25 At once a loving legacy and an unsparing depiction of a devastating illness, Danielle Steel's tribute to her lost son is a gift of life, hope, healing, and understanding to us all. "This is the story of an extraordinary boy with a brilliant mind, a heart of gold, and a tortured soul. It is the story of an illness, a fight to live, and a race against death. I want to share the story, and the pain, the courage, the love, and what I learned in living through it. I want Nick's life to be not only a tender memory for us, but a gift to others. . . . I would like to offer people hope and the realities we lived with. I want to make a difference. My hope is that someone will be able to use what we learned, and save a life with it."--Danielle Steel From the day he was born, Nick Traina was his mother's joy. By nineteen, he was dead. This is Danielle Steel's powerful, personal story of the son she lost and the lessons she learned during his courageous battle against darkness. Sharing tender, painful memories and Nick's remarkable journals, Steel brings us a haunting duet between a singular young man and the mother who loved him--and a harrowing portrait of a masked killer called manic depression, which afflicts between two and three million Americans.
