everything and suffers from nightly terrors. But years later, when sixteen-year-old Edgar finds a journal belonging to his novelist father, he becomes determined to confront his nightmares and the bullies who taunt him. After the horrific death of a schoolmate, Edgar becomes involved with an eccentric society at the urging of a mysterious professor who believes that monsters from famous works of literature are real and whose mandate is to find and destroy these creatures. With the aid of a rag-tag crew of friends, the fear-addled teen sets about on his dark mission, one that begins in the cemetery on the bleak Scottish moors and ends in a spine-chilling climax on the stage of the Royal Lyceum Theatre in London with Henry Irving, the infamous and magnetic actor, and his manager, Bram Stoker, the author of the most frightening and sensational novel of the day, Dracula. Can Edgar Brim truly face his terror and conquer his fears?

Brim E. Jerry Davies, 2016-02-04 Tom Brim, decorated Marine and Korean War veteran, faces his biggest challenge as a Miami-Dade police sergeant. A sword and hatchet carrying maniac has killed his partner and threatens to kill Brim and his family. The chief of police places security patrols at the homes of Brim's parents and fiancée, while Brim patrols Miami neighborhoods looking for the killer. A team from the police department is assigned to work with Brim to implement a sting operation that puts Brim face to face with the supposed killer. It culminates in a shootout that the police department has not seen on Miami streets since Prohibition. Federal investigators learn that the hatchet man is the leader of an international drug cartel known as T95Y, a gang that stretches from South America to Mexico, Cuba, and the United States. An international investigative team uncovers a plot that the intent of the gang is to deliver hundreds of tons of drugs to drop off points along both US coasts. A drug bust plan by the FBI and military is prepared to stop the delivery of the drugs. Hatchet Man and his gang are represented by a famous Miami defense lawyer

Sam Brighton. Brim watches Brighton closely, completes his college degree in Miami, and enters law school, pursuing a second career as a prosecuting attorney. Events collide leading to an action-packed conclusion.

The Dark Missions of Edgar Brim: Monster Shane Peacock, 2018-01-02 The pulse-pounding second book in a gripping gothic trilogy, featuring monsters from classic literary tales, secret societies and the fight between good and evil. After vanquishing the terrible creature that stalked the aisles of the Royal Lyceum Theatre, Edgar Brim and his unusual crew of friends return to their mentor only to discover that he has been brutally murdered by an unknown assailant. The group go into hiding, Edgar desperate to protect his friends and family from what may be a second horrific creature torn from the pages of literature. Meanwhile, Edgar's guardian, Alfred Thorne, forces him to pursue a trade, and so Edgar begins working with his uncle, Doctor Vincent Brim, and a renowned vivisectionist, the brilliant yet mysterious Doctor Godwin. The more time Edgar spends in the company of Godwin, the more he begins to wonder about Godwin's motives. And time is running out for Edgar and his friends. A monstrous creature is chasing them, a beast seemingly impervious to Thorne's weaponry. Can Edgar Brim once again defy the horrors that pursue him, and protect those dearest to his heart?

The Dark Missions of Edgar Brim: Demon Shane Peacock, 2019-10-22 The third and final book in a gripping Gothic YA trilogy, featuring monsters from classic literary tales, secret societies and the fight between good and evil. Having tracked the monstrous Godwin to the Arctic and barely escaped with their lives, Edgar Brim and his friends return to London. Edgar continues his work at London Hospital, now under the tutelage of the Chairman, the

affluent and charming Sir Andrew Lawrence. Edgar's night terrors begin increasing in intensity, and soon the group becomes aware of a new threat: they are being stalked by a new creature, an invisible assailant they are convinced is the Devil himself. In the hope of curing his affliction and combating his fears, Edgar confides in Dr. Berenice, a renowned yet enigmatic alienist who may somehow be involved in the mystery. Yet when the group suffers a fatal attack and a long-dead ally makes an appearance, Edgar begins questioning his own sanity. Can he and his friends truly defeat the most powerful villain imaginable if they can't even trust their own minds?

Poor Queer Studies Matt Brim, 2020-03-06 In *Poor Queer Studies* Matt Brim shifts queer studies away from its familiar sites of elite education toward poor and working-class people, places, and pedagogies. Brim shows how queer studies also takes place beyond the halls of flagship institutions: in night school; after a three-hour commute; in overflowing classrooms at no-name colleges; with no research budget; without access to decent food; with kids in tow; in a state of homelessness. Drawing on the everyday experiences of teaching and learning queer studies at the College of Staten Island, Brim outlines the ways the field has been driven by the material and intellectual resources of those institutions that neglect and rarely serve poor and minority students. By exploring poor and working-class queer ideas and laying bare the structural and disciplinary mechanisms of inequality that suppress them, Brim jumpstarts a queer-class knowledge project committed to anti-elitist and anti-racist education. *Poor Queer Studies* is essential for all of those who care about the state of higher education and building a more equitable academy.

First of All and the Awakenings Billye Brim, 2017-06-15 I exhort therefore, that, first

of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. (1 Timothy 2:1-2) At the admonition of the Lord to study the Awakenings in America in 2008, this unique book examines this directive, along with others. You will learn: The history of spiritual Awakenings, and the people and events that founded and preserved this special nation. How they relate to the next great Awakening; including the Revival and prayer roots of President Trump. The role of the Church in government affairs. Uniting the Body of Christ in the First of All campaign. The success of this or any future administration falls primarily upon the shoulders of the Body of Christ. Dr. Billye Brim has ministered this revelation thru the various platforms available to her and has now written about it, believing the body of Christ can unite in this prayer effort and overcome the enemy's plot to destroy us through division. America can finish her God-given course. America can, will, and must reach her destiny. And that depends upon the prayers of God's people. That depends on you and me. --Billye Brim

The New American Family Lauren Brim, 2016-09-22 Families formed by artificial insemination, surrogacy, same-sex couples, friends and other arrangements are becoming more mainstream and yet they are still surprisingly unrecognized and misunderstood. Many believe that it is impossible to have the family they desire in a culture that postpones marriage, prioritizes career and appears to be losing much of its so-called American values.

To the contrary, The New American Family illustrates how family in America is not disappearing but reawakening in a fascinating and healthy way. The stories of these new American families will challenge and enlighten those who listen and possibly open new doors for those who wonder what the future of family may hold for them.

Study Syllabus for the Book of Ezekiel Billye Brim,2015-09-15 Indeed the Prophet Ezekiel made dire warnings, and descriptions of Israel's dark sins. But Ezekiel was also a priest, and his ministry was priestly in consolation. The Lord gave him translations and visions that prophesied of the promised redemption. He prophesied the end of days return to their Land that we are witnessing now. He foresaw in detail the Millennial Temple, the division of the Land again to the returned Tribes of Israel. The Book ends with the wonderful proclamation that the Glory will be over earthly Jerusalem when its very name shall be Jehovah Shammah, The LORD is There.We are living in what the original Hebrew text of the Bible calls the end of days. The King James Version translates the phrase as the latter days.The Bible declares that there is a God-given light of revelation that shines upon the unknown--illuminating the darkness of these days and the days to come. This light is

written down for us, primarily in the Books of the Old Testament Prophets. We are advised to take heed unto them. For they are a light that shineth in the dark places of what is now past to us, and of the present, and the future. Yechezkel, Ezekiel, is one of the most enlightening of those Books of the Prophets. In it you will find brilliant light on these days and the days to come. And you will see a revelation of the Shechinah Glory you may never have seen. This study booklet, with outlines and comments by Dr. Billye Brim highlighting key passages of each chapter of The Book of Ezekiel, will bring light and understanding to this often misunderstood book of the Bible.
