**Castlereagh** John Bew,2012-09-01 Hardly is a figure more maligned in British history than Robert Stewart, Viscount Castlereagh. One of the central figures of the Napoleonic Era and the man primarily responsible for fashioning Britain's strategy at the Congress of Vienna, Castlereagh was widely respected by the great powers of Europe and America, yet despised by his countrymen and those he sought to serve. A shrewd diplomat, he is credited with being one of the first great practitioners of Realpolitik and its cold-eyed and calculating view of the relations between nations. Over the course of his career, he crushed an Irish rebellion and abolished the Irish parliament, imprisoned his former friends, created the largest British army in history, and redrew the map of Europe. Today, Castlereagh is largely forgotten except as a tyrant who denied the freedoms won by the French and American revolutions. John Bew's fascinating biography restores the statesman to his place in history, offering a nuanced picture of a shy, often inarticulate figure whose mind captured the complexity of the European Enlightenment unlike any other. Bew tells a gripping story, beginning with the Year of the French, when Napoleon sent troops in support of a revolution in Ireland, and traces Castlereagh's evolution across the Napoleonic Wars, the diplomatic power struggles of 1814-15, and eventually the mental breakdown that ended his life. Skillfully balancing the dimensions of Castlereagh's intellectual life with his Irish heritage, Bew's definitive work brings Castlereagh alive in all his complexity, variety, and depth.

Storm Surge John F. Banas,2021-06-16 All is not what it seems. A lot can happen to a person in a Disaster Area... Brenda Meyers is having a bad day. Her daughter is trapped somewhere in New Orleans right before Hurricane Katrina strikes. Her increasingly estranged husband may be on the verge of losing yet another job. To top it all off, her cheating former fiancé is claiming to have evidence that his wife and Brenda's husband are having an affair. But nothing matters more than finding and rescuing her daughter. Brenda insists that a rescue mission can be made before the storm hits. Her husband isn't so keen on the idea - he's heard that the city may flood, making the rescue even harder. So, when her former fiancé offers his boat and his help, Brenda reluctantly accepts, knowing full well that her husband and Ex cannot get along. Her worries prove correct; while racing the raging storm, she uncovers a fiendish plot to murder her well insured husband - who happens to harbor secrets of his own. Will she be able to survive the ravages of Katrina, find her daughter, and prevent a professional hit without painting a target on her own back?
