Bulbasaur's Big Journey Trilogy (an Unofficial Pokemon Go Diary Book for Kids Ages 6 - 12 (Preteen) Mark Mülle,2017-01-13 (An Unofficial Pokemon Go Diary Book for Kids Ages 6 - 12 (Preteen)Book 1: Where It All BeginsDue to his small size, the small Bulbasaur, coined as Leafy for his small size, has been constantly bullied by his brothers. While their mother, an aged Venusaur and his older Ivysaur siblings at his back, the smallest Bulbasaur has been taken cared of for the moment.Unfortunately, there safe haven is not at all perfect and Team Rocket has stumbled upon them. One by one, pokeballs were being thrown at his family. One of the Ivysaurs quickly guided him away from their home, only to be thwarted by a Growlithe. Our small Bulbasaur was able to escape with the help of a wandering Sudowoodo.Sad and alone, Leafy is left at the mercy of the woods. Thankfully, he''s not alone as he is saved by a wandering Sudowoodo and joined by a friendly Charmander. As he aims to venture out of the forest, Leafy must learn to be brave. Saving a family as he currently is was not possible. But with the help of his newfound friend, Flare, and the Sudowoodo who guided them. Leafy must learn to accept that

maybe it's not all about one's strength alone. But it's still quite a big journey to a young Bulbasaur. Will his small size get in the way? Or will he and his friends be able to get to the town in time? Leafy has quite a lot in store on his adventure to save his family. Book 2: Finding Team Rocket With Leafy finally starting out his journey to find his family, there are just a few things standing in his way. One would be where Team Rocket has hidden his family and two, would he be strong enough to fight them all off. With so many obstacles standing in his way, the young Bulbasaur has a lot on his plate. Thankfully Flare's still there to keep him company. The young Charmander would not stop to save his lost sibling as well as to help his leaf Pokémon friend. But being a secret organization has its perks, with their resiliency from being caught, it'll take some time before Red, Leafy and Flare can pinpoint the exact Team Rocket location. With the time given to him, Leafy has to train harder and with all his best. Thankfully, Red and his Pokémon companions are there to give the Bulbasaur a helping hand. Being the Pokémon champion, Red has provided both Leafy and Flare the opportunity to train as much as they could before the time comes. Yet, as the time to find his family stretches, will Leafy and Flare be able to find their kin before anything unspeakable happens? Will they be strong enough to fend off Team Rocket? Book 3: Turning to a New Leaf Leafy has come a long way to get to where Team Rocket has to be. Pure strength alone is not enough to get him through a long line of Team Rocket personnel. With the aid of his friend Flare and his temporary

trainer, Red, the young Bulbasaur has gone far and wide for his search. As more news of Team Rocket finds its way to the town they are currently in, the young Bulbasaur can't help but wonder if this is the right one. Long have the days gone since he had buried himself at his mother's side or the cacophony of taunts that his siblings would say at him. Once the conflict has been ended, will it go back to such a scenario? He truly hoped not. But he was not the same Bulbasaur from days before. He'd grown, stronger and in physique and he was sure that he could now be a stronger opponent if he wanted. Flare too is not too far as he has stuck to this Bulbasaur's side since they left the forest. The young Charmander has learned well from Red's fire-types, and more elated now that his younger sibling is safe at last. Let's hope their newfound strength can truly turn the odds into his team's favor.
