One would be where Team Rocket has hidden his family and two, would he be strong enough to fight them all off. With so many obstacles standing in his way, the young Bulbasaur has a lot on his plate. Thankfully Flare's still there to keep him company. The young Charmander would not stop to save his lost sibling as well as to help his leaf Pokemon friend. But being a secret organization has its perks, with their resiliency from being caught, it'll take some time before Red, Leafy and Flare can pinpoint the exact Team Rocket location. With the aid of his friend Flare and his temporary trainer, Red, the young Bulbasaur has gone far and wide for his search. As more news of Team Rocket finds its way to the town they are currently in, the young Bulbasaur can't help but wonder if this is the right one. He'd grown, stronger and in physique and he was sure that he could now be a stronger opponent if he wanted. The young Charmander has learned well from Red's fire-types, and more elated now that his younger sibling is safe at last. Let's hope their newfound strength can truly turn the odds into his team's favor. As each step they take brings them to Team Rocket's true whereabouts, Leafy must steel himself not only for the upcoming battles but for the greatest threat that he needs to overcome.
