In a series of funny, tender, and touching dialogues, former Saturday Night Live writer Zweibel recalls his buddy-and-almost-lover friendship with SNL actress Gilda Radner, who died of ovarian cancer. No punches pulled, no hilarities dodged, no meme unmangled! O Bunny you are sooo genius! —Margaret Atwood, via Twitter A wild, audacious and ultimately unforgettable novel. —Michael Schaub, Los Angeles Times Awad is a stone-cold genius. —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at

a Fat Girl and Rouge We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we? Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich girls who call each other Bunny, and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled Smut Salon, and finds herself inexplicably drawn to their front door--ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus Workshop where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. **Bunny Berigan** Robert Dupuis,2005-03-01 The accomplishments of seminal jazz trumpeter Bernard Bunny

Berigan have secured his place in the annals of American music history. In his short lifetime (1908--1942), Berigan performed on more than six hundred recordings and served as a direct link between Louis Armstrong and later musicians such as Dizzy Gillespie, Clifford Brown, and Wynton Marsalis. Berigan lent his uninhibited jazz style to the big bands of Benny Goodman, Hal Kemp, and Tommy Dorsey, and he was in demand as a studio musician for vocalists Billie Holiday, Bing Crosby, and Mildred Bailey. In addition to playing for the music industry's giants, Berigan became one himself by forming his own band in 1937 and recording his most famous hit and theme song, *I Can't Get Started*. In the first comprehensive biography of Berigan, Robert Dupuis draws on hundreds of interviews with family, friends, and colleagues to present a fascinating and entertaining look at the fast-paced career and personal life of this jazz great.

*Look at the Bunny* Dominic Pettman, 2013-03-29 Are totems merely a thing of the distant past? Or might it be that our sleek new machines are producing totemic forces which we are only beginning to recognize? This book asks to what degree today's media technologies are haunted by a Freudian ghost, functioning as totems or taboos (or both). By isolating five case-studies (rabbits in popular culture, animated creatures that go off-program, virtual lovers, jealous animal spirit guides, and electronic paradises), *Look at the Bunny* highlights and explores today's techno-totemic environment. In doing so, it explores how nonhuman avatars are increasingly expected to shepherd us beyond our land-locked identities, into a risky - sometimes ecstatic - relationship with the Other. ,

Here is a children's book to delight everyone—the continuing saga of *The Bunnies*, told by someone young enough to know it, old enough to spoof it. And the family of bunnies in the little house that we're talking about is no ordinary family.

**Bloomsbury's Outsider** Sarah Knights, 2015-05-21

Shortlisted for the James Tait Black Prize for best biography 2016  
Book of the Year 2015 Sunday Times Book of the Year 2015 Times  
Literary Supplement Book of the Year 2015 Evening Standard  
Book of the Year 2015 New Zealand Listener Shortlisted for the  
Slightly Foxed Best First Biography Prize 2015 Literary  
Sensation, Lover, Libertine, Family Man Award-winning novelist  
and towering figure of the 20th century British literary landscape,  
David Garnett was a Bloomsbury insider ultimately pushed to the  
margins. In this, the first biography of Garnett, (known as Bunny),  
author Sarah Knights - who has had unprecedented access to  
Garnett's papers - goes beyond stereotype and myth to present a  
clear sighted account of this often contradictory figure. Trained  
as a scientist, Garnett worked as a novelist and wrote exquisite  
prose. *Lady into Fox* was made into a Rambert ballet and *Aspects  
of Love* into an Andrew Lloyd Webber musical. In the First World  
War, he was a conscientious objector whereas in the Second he  
worked for British intelligence. A free love enthusiast, he  
nevertheless married. He loathed literary criticism but became a  
leading literary critic. Born into the Victorian period, Garnett's  
life spanned two World Wars, the Swinging Sixties and beyond.  
From pre-Revolutionary Russia, by way of Indian Nationalists in  
London and carefree Neo-Paganism, Garnett's early life was  
packed with adventure. Propelled by a desire to be constantly in  
love, he dazzled men and women, believing the person mattered,  
irrespective of gender. An overnight literary sensation in the  
1920s he was at the centre of literary London. Confidante and

mentor of many writers, T. E. Lawrence, Rupert Brooke, D. H. Lawrence, Joseph Conrad and H. G. Wells, were among his friends. Garnett felt most at home with the Bloomsbury Group, in particular with Vanessa Bell and Duncan Grant, his lover, with whom he lived during the First World War. Their long friendship was threatened, however, when Garnett's cradle-side prophecy to marry their daughter Angelica came true. David 'Bunny' Garnett is brought to life by Ben Lloyd-Hughes and Jack Davenport in the BBC series 'Life in Squares'.
