*Catherine's Cadeau* Ann Davidson,Terry M Thibodeaux,2014-07-10 When Monique LeBlanc disappears from Nova Scotia, her cousin Michelle is panic-stricken. Their summer vacation has taken an ominous turn, and a search begins. At the site of Monique's disappearance in Grand-Pre Historic Park, police find a picture of her mother, Catherine, who passed away years ago, near Evangeline's statue. Michelle knows that Monique is visiting the park to honor the dream she shared with her mother of visiting their Canadian homeland. What she doesn't know is that Monique has gone back in time to her ancestors' exile, actually living through the horrific deportation of thousands of Acadians to Louisiana in 1755.

**More than a Massacre** Sabine F. Cadeau,2024-04-04 More than a Massacre is a history of race, citizenship, statelessness, and genocide from the perspective of ethnic Haitians in Dominican border provinces. Sabine F. Cadeau traces a successively worsening campaign of explicitly racialized anti-Haitian repression that began in 1919 under the American Occupiers, accelerated in 1930 with the rise of Trujillo, and culminated in 1937 with the slaughter of an estimated twenty thousand civilians. Relatively unknown by contrast with contemporary events in Europe, the Haitian-Dominican experience has yet to feature in the broader literature on genocide and statelessness in the twentieth century. Bringing to light the massacre from the perspective of the ethnic Haitian victims themselves, Cadeau combines official documents with oral sources to demonstrate how ethnic Haitians interpreted their changing legal status at the border, as well as their interpretation of the massacre and its aftermath, including the ongoing killing and land conflict along the post-massacre border.

**Cadeau** Connie Olvera,Jonathan Wintz,Randy Haertling,Lyon Richardson,Robert Nelson,Clayton Richardson,Lauren Svatos,Kris Blais,2014-09-01 A millennium has passed since humans arrived to colonize the planet Cadeau only to find several indigenous species with higher intellect and psionic abilities peacefully cohabiting on the world. Fighting soon broke out over land and resources across the continent of Mardeaux.An ancient telepathic people from another dimension brought peace once again when they developed a symbiotic relationship with the alien humans. This cooperation between the species had lasted hundreds of years, however, bigoted human factions now seek to profit by eliminating all who stand in their way. The tenacious young duchess, Naomi, is trying to save her territory and the species that live there from these partisan forces.Raised as a sagoron prince, behind the guardian border, Tobin's life as a half-breed--or graftling as the sagoron children taunted him--was lost and friendless. At the age of fifteen he ventures beyond the protection of the sagoron's forest, out of a hunger to know his human mother who abandoned him. His search breaks the carefully erected barrier between the sagoron and human realms, and leads him to join the divergent group of resistance fighters supporting Naomi.Finding themselves without trustworthy leadership, the survival of a centuries old treaty, the destiny of the planet, and the salvation of species on the precipice of extinction is in the hands of these youth.

**Catherine's Cadeau** Ann Davidson,Terry Mark Thibodeaux,2008 When Monique LeBlanc disappears from Nova Scotia, her cousin Michelle is panic-sticken. What Michelle doesn't know is that Monique has gone back in time to her ancestor's exile and is living through the horrific deportation of thousands of Acadians to Louisiana in 1755.

**A Curious Christmas Circumstance: A Holiday Pride and Prejudice Variation** Lucy Cadeau, This is not the holiday Elizabeth Bennet expected... After the tragic passing of her sister, Lydia, Elizabeth Bennet has become the guardian of Lydia's daughter, Helena. With a child and a pleasant (enough) fiancé by her side, Christmas at her childhood home promises to be one filled with joy. However, when she happens upon an old acquaintance, Elizabeth is shocked to find that this season may have a surprise or two in store for her yet, Fitzwilliam Darcy did not plan to spend his Christmas in Meryton... Following a series of unexpected and deeply unpleasant events at home, Fitzwilliam Darcy is more than happy to accept an invitation to visit his old friend Charles Bingley at his country home for Christmas. He is looking forward to rest, relaxation, and most of all... quiet. But when he arrives, he is quickly swept up into the holiday revelry of the Bennet family, Charles's in-laws. What starts as nuisance slowly turns into a pleasing distraction, especially when he is in the company of Elizabeth Bennet, a woman he once could hardly tolerate. But what has changed? Can two former enemies with little in common find friendship and perhaps, love, this holiday season? 'A Curious Christmas Circumstance' is a 'Pride and Prejudice' variation filled with holiday romance, twists, and of course, a HEA for ODC!

**Snow Falls on Longbourn: A Holiday Pride and Prejudice Variation** Lucy Cadeau,2020-12-01 Well, this is a fine holiday mess that Mrs. Bennet has gotten her daughter into! Mere days before Christmas, Elizabeth Bennet's mother makes the mistake of telling an entire Meryton assembly that her second eldest daughter is the most exceptional cook in all of England. Much to the family's surprise, Mr. Bingley takes that as a holiday invitation to Longbourn. Elizabeth suddenly finds that she is preparing a Christmas feast for the Bennets, Charles and Caroline Bingley, and the haughty Fitzwilliam Darcy, when she has not cooked a day in her life. Overwhelmed and afraid that her inexperience will be discovered, Elizabeth finds an unlikely ally in Mr. Darcy, who is more than willing to help her craft the perfect holiday dinner. But what is the reason for the generally unpleasant gentleman to be so jolly? And why is Elizabeth enjoying their time together even though she disliked him only days ago? Snow Falls on Longbourn is a sweet and clean holiday Pride and Prejudice variation steeped in holiday joy, sprinkled with magic, and filled to the brim with romance!

**Ping-pong** Khazin Valeriy,2018-01-12 If you reach the page 15 of the play- you won't be able to break away. A young ambitious table tennis coach, nicknamed Tops, in order to win the sympathy of the young national team' players comes up with a detective game, which, according to his plan, should enthrall his young charges for a month of training in a country-camp. However, the game gets out of the control eventually, subjugates the players and becomes unexpectedly dramatic. Seemingly unharmed and cozy world of adolescent ping pong players explodes. The amusing Treasure Hunt turns into something much more serious. How far are the adults willing to go to in their desire to manipulate the teenagers and to govern their lives? What is the price of a social success? How far are the teenagers willing to go in their controversial efforts to resist the grownups and, at the same time, to "reach for the secret" and to grow up as soon as possible? The swift and irreversible vicissitudes make you feel sometimes that it is not the characters who collide in the search for magic paddle, but the magic paddle itself decides their fate. The game embroils the players in a series of betrayals and real crimes leading to an unpredictable denouement.

**Placeholder** Charmaine Cadeau,2013 Poetry. Provisional, roaming, obsessed with remnants and deferrals, the poems in Charmaine Cadeau's second collection navigate flexible and shifting terrains where the speaker's emotional directness tethers us as we dare to read on. Though Cadeau is capable of some stunning acrobatics--somersaulting mid-line, the imagery defying gravity, the language a series of wows--she isn't in the business of showing off; instead, she goes subtly beyond the quotidian in search of that which saves the day or ruins the souffle or makes us all squirm in self-recognition. She dares the extraordinary to become a part of everyday. To read PLACEHOLDER is to enter a mesmerizing stream of consciousness response to a world that is rarely in the same spot in the morning as we left it the night before.

*Subject Inversion in Romance and the Theory of Universal Grammar* Aafke Hulk,Jean-Yves Pollock,2001-09-20 The Romance Languages document remarkable variations in subject word order in different constructions, and have various restrictions in their occurrence. No consensus has emerged on what the paramaters are for such variations. This volume does not attempt to create a consensus, but tries to represent and bring into dialogue the different sides of the debate.

Remaking the Readymade Adina Kamien-Kazhdan,2018-05-11 Replication and originality are central concepts in the artistic oeuvres of Marcel Duchamp and Man Ray. Remaking the Readymade reveals the underlying and previously unexplored processes and rationales for the collaboration between Duchamp, Man Ray, and Arturo Schwarz on the replication of readymades and objects. The 1964 editioned replicas of the readymades sent shock waves through the art world. Even though the replicas undermined ideas of authorship and problematized the notion of identity and the artist, they paradoxically shared in the aura of the originals, becoming stand-ins for the readymades. Scholar-poet-dealer Arturo Schwarz played a crucial role, opening the door to joint or alternate authorship—an outstanding relationship between artist and dealer. By unearthing previously unpublished correspondence and documentary materials and combining this material with newly conducted exclusive interviews with key participants, Remaking the Readymade details heretofore unrevealed aspects of the technical processes involved in the (re)creation of iconic, long-lost Dada objects. Launched on the heels of the centenary of Duchamp's Fountain, this new analysis intensifies and complicates our understanding of Duchamp and Man Ray' initial conceptions, and raises questions about replication and authorship that will stimulate significant debate about the legacy of the artists, the continuing significance of their works, and the meaning of terms such as creativity, originality, and value in the formation of art.

*Crosslinguistic Facets of the Subjunctive* Liane Ströbel,2023-11-20 No other grammatical phenomenon causes as many problems in teaching and learning as the subjunctive. Most grammars devote as many pages to the presentation of the rules as to the exceptions. This becomes even more frustrating when dealing with the differences, not only between different language families, but even within the Romance language family alone, since it seems that each language shapes the functional area of the subjunctive individually. The aim of this volume is therefore to reconsider the representation of the subjunctive in Romance languages in a crosslinguistic and contrastive way. First, an overview of research in this area from the beginnings to the latest neurolinguistic findings will explore the complexity of the issue. Next, specific phenomena of the subjunctive at the interface of its functional domain with the indicative will be illustrated by means of appropriate case studies. On this basis, an attempt is made to trace the polyfunctionality and the differing uses in the Romance languages and beyond to a common pattern with language-specific margins. This allows us to explain, not only contrastive differences, but also the decline of the subjunctive in some domains and languages, as well as demonstrate the range of substitution possibilities. Finally, the view is extended to other language families and new impulses for foreign language teaching are presented. With contributions from: Tobias Gretenkort, Sebastian Buchczyk, Ingo Feldhausen, Michel Favre, Helene Rader, Liane Ströbel, Aurélie Scheffer
