

# Cadillac

Maurice D. Hendry

*The Cadillac Story* Thomas E. Bonsall,2004 The Cadillac story is more than the story of a car company. It is, in many ways, the story of the American automobile industry itself—which, as much as any industry, drove America’s growth in the twentieth century and defined who we are as a people. For generations of Americans, Cadillac epitomized expansive prosperity. This illustrated history of Cadillac presents all the triumphs and failures of the marque’s last sixty years; from the good times, through the disastrous 1980s, and up to the current reconstitution of the brand.

**More Cadillac V-16s Lost and Found** Christopher W. Cummings,2021-01-15 In 1930, Cadillac rolled out a line of new cars of unsurpassed elegance and craftsmanship that would launch the company into the top tier of luxury carmakers. While competitors produced models with eight or twelve-cylinder engines, Cadillac offered the smooth, powerful performance of a V-16. Over the next 11 years, each of the more than 4000 V-16s was as close to hand-made as a commercial auto manufacturer could come. Their drivers included statesmen, celebrities, businessmen and, sometimes, well-heeled ne'er-do-wells. Many of the cars survived wartime scrap drives, obsolescence, lack of replacement parts, neglect and the elements. This follow-up volume to Cadillac V-16s Lost and Found (2014) documents the individual stories of 67 more of these magnificent machines.

**Cadillac, Standard of the World** Maurice D. Hendry,1977

*The Cadillac Northstar V-8* Anthony Young,2017-02-02 Cadillac has had a long history in the automotive marketplace as General Motors' luxury car division. During the 1980s, Cadillac's management wanted to reestablish the brand as a leader in sophistication, innovation, refinement and prestige. Engineers conceived a new dual-overhead cam, four-valve-per-cylinder V-8 engine--the Northstar. This power plant was the heart of Cadillac's Northstar System, which included a greatly improved suspension and braking system. The division redesigned its entire line to incorporate these new technologies for the 1990s and beyond. The Northstar was the last engine designed and built by Cadillac before the 2005 establishment of GM Powertrain, which took over engine design for all GM divisions. This history of the Northstar V-8 and the cars it powered covers the first generation front-wheel drive Northstar, the second generation rear-wheel drive model, and the supercharged version, along with racing history and the most collectible Northstar-powered Cadillacs.

**Cadillac Motor Car Division** General Motors Corporation. Cadillac Motor Car Division,1947

**The Cadillac That Followed Me Home** Christopher W. Cummings,2006-09-21 The Cadillac V-16 was conceived in secrecy in the middle of the Roaring Twenties, when incomes were rising, prosperity seemed endless and the car business was beginning to break from a traditional emphasis on function over form. But by the time the Cadillac V-16 reached showrooms in 1930, the nation was falling headlong into the Great Depression, and it soon became a rare relic of the boom before the crash. That is why in the mid-1960s, when Christopher Cummings was an adolescent car enthusiast, the oldest Cadillac V-16s were a dream just out of reach. This memoir tells the story of a boy who grew up loving cars, learned everything he could about them, and acquired quite a few impressive models for himself, while always looking forward to the day he would, by surprising circumstance, find the automobile of his dreams. Early chapters reveal the adventure Cummings underwent renovating his first car at age 13. Over the course of his teenage years he would work to acquire three classic Cadillacs: a 1941 Cadillac Series 7523 seven-passenger touring sedan, a 1941 Cadillac Series 61 coupe, and a 1931 Cadillac Series 355A Fleetwood Cabriolet. Later chapters recount the painstaking effort he put into renovating and maintaining those coveted vehicles. The story culminates with Cummings' unexpected acquisition of the car that earned the motto Standard of the World, the 1930 V-16 Imperial Sedan limousine. In all, this memoir bears witness to an elegant sample of the best that the Classic era of automotive history had to offer.

**Cadillac Desert** Marc Reisner,1993-06-01 “I’ve been thinking a lot about Cadillac Desert in the past few weeks, as the rain fell and fell and kept falling over California, much of which, despite the pouring heavens, seems likely to remain in the grip of a severe drought. Reisner anticipated this moment. He worried that the West’s success with irrigation could be a mirage — that it took water for granted and didn’t appreciate the precariousness of our capacity to control it.” – Farhad Manjoo, The New York Times, January 20,2023 The definitive work on the West's water crisis. --Newsweek The story of the American West is the story of a relentless quest for a precious resource: water. It is a tale of rivers diverted and dammed, of political corruption and intrigue, of billion-dollar battles over water rights, of ecological and economic disaster. In his landmark book, Cadillac Desert, Marc Reisner writes of the earliest settlers, lured by the promise of paradise, and of the ruthless tactics employed by Los Angeles politicians and business interests to ensure the city's growth. He documents the bitter rivalry between two government giants, the Bureau of Reclamation and the U.S. Army Corps of Engineers, in the competition to transform the West. Based on more than a decade of research, Cadillac Desert is a stunning expose and a dramatic, intriguing history of the creation of an Eden--an Eden that may only be a mirage. This edition includes a new postscript by Lawrie Mott, a former staff scientist at the Natural Resources Defense Council, that updates Western water issues over the last two decades, including the long-term impact of climate change and how the region can prepare for the future.

*Cadillac V-16s Lost and Found* Christopher W. Cummings,2014-01-29 For eleven years prior to World War II, Cadillac defied the norms of practicality and produced an extravagant supercar, a 16-cylinder luxury automobile that could be tailored to the customer's every want. Big, thirsty and lavish, it cemented Cadillac's place in the top tier of motoring magnificence. Each of the cars has its own colorful and fascinating story to tell. Driven by a life-long love of the V-16 and an interest in the history of his own car, the author has assembled more than 65 of these tales, gleaned from interviews, books, periodicals and documents, into a liberally illustrated book. Each story is shaped by the people a particular car touched, and the events they lived through together. All are an important part of our automotive and cultural history.

**Cadillac at 100** Maurice D. Hendry,2008 Cadillac at 100: Legacy of Leadership is an authoritative, intimately fascinating story no Cadillac enthusiast can do without. More than 230 full-color photographs of Cadillacs through model-year 2008, with every model, every event and every period painstakingly covered, promises much for the Cadillac lover. This updated edition of the previously titled Cadillac: Standard of the World provides an unprecedented look at the company that has truly set the standard in terms of luxury, performance and craftsmanship. Read how founder Henry Leland, with his obsession over precision, planed the course for the manufacturer that has not only survived volatile market conditions and changing consumer demand, but thrived in its position as the standard bearer for GM. In this two-volume set, readers will discover the people and programs that continue to make Cadillac a name associated with success.

**The Gold Cadillac** Mildred D. Taylor,1998-02-01 Another powerful story in the Logan Family Saga and companion to Mildred D. Taylor's Newbery Award-winning Roll of Thunder, Hear My Cry. A drive South becomes dangerous for 'lois and her family. 'Lois and Wilma are proud of their father's brand-new gold Cadillac, and excited that the family will be driving it all the way from Ohio to Mississippi. But as they travel deeper into the rural South, there are no admiring glances for the shiny new car; only suspicion and anger for the black man behind the wheel. For the first time in their lives, Lois and her sister know what it's like to feel scared because of the color of their skin. A personal, poignant look at a black child's first experience with institutional racism.--The New York Times

**Cadillac 1948-1958 Performance Portfolio** R.M. Clarke,2004-09-30 During the '50s, Cadillac celebrated its 50th Anniversary and enjoyed the reputation of being America's favorite luxury car and this book traces the progress of the post-war 60, 61, 62 and 70 Series models. Covers the Cadillac Series 60 Special, Series 61, Series 62, Series 70, Eldorado, Brougham and Convertible. Reveals

road tests, new model introductions, consumer analysis, specifications and performance data. This Performance Portfolio replaces our earlier 100 page book, which is now out of print 47 articles are sourced from Autocar, Car Life, Classic American, Hop Up, Modern Motor, Motor Age, Motor, Motor Life, Motor Sport, Motor Trend, NZ Classic Car, Popular Mechanics, Popular Science, Science and Mechanics, Special Interest Autos and Wheels. Articles include: 'The high compression Cadillacs', 'Convertible converts - Series 62', 'Road testing the 50th anniversary Cadillac - Series 62', 'Cadillac - America's favourite luxury car', 'Cadillac: El Camino, Park Avenue & La Espada', 'A new Cadillac for 1956 - Eldorado Brougham', 'A Barris bonanza', 'Buying a Cadillac for economy? - 60', 'Upscale Cadillac - Fleetwood Sixty special '58.

**Cadillac Participation in the World War** Cadillac Motor Car Company, 1919

**Cadillac** Angelo Van Bogart, 2003-11-06 Cadillac - Captures important names and dates in Cadillac genealogy- Features 200 color photographs depicting the unmistakable style of America's luxury vehicle- Plus, Cadillac's culture-songs, the Cadillac Ranch, Elvis, Cadillac in Hollywood, and more.

*Cadillac Chronicles* Brett Hartman, 2012 Sixteen year-old Alex Riley's top priorities in life are to find his long-absent father and a girl with a decent set of breasts. But his mother has a knack for sabotaging his plans. To advance her political career, she takes in an elderly black man named Lester Bray. Lester arrives with a vintage Cadillac and an old man's personality. It takes only a week for Alex's mother to ask Lester to leave. That makes Alex angry. On the morning of his eviction, Lester and Alex set out on a road trip, ostensibly to find the boy's father in Fort Lauderdale. But the two don't just head south. They also cross through un-navigated political, racial, and personal territory. A wild ride, Cadillac Chronicles explores what it means to--finally--find a real friend. Brett Hartman lived an unremarkable life in Fort Lauderdale until May 18, 1983, when he was arrested for aggravated battery. While away at Auburn University, he suffered a psychotic breakdown and months of intensive treatment. Though he made a full recovery, the events of that period never left him. He continued his education at Indiana State, where he received a doctorate in clinical psychology; he has worked as a psychologist ever since. His memoir Hammerhead 84 covers his journey through the mental health industry. Cadillac Chronicles is his debut novel. He lives in Albany, New York, with his wife and their two sons.

**Cadillac at 100** Maurice D. Hendry, Jeffrey I. Godshall, 2007-11 Cadillac at 100: Legacy of Leadership is an authoritative, intimately fascinating story no Cadillac enthusiast can do without. More than 230 full-color photographs of Cadillacs through model-year 2008, with every model, every event, and every period painstakingly covered, promises much for the Cadillac lover. This updated edition of the previously titled Cadillac: Standard of the World provides an unprecedented look at the company that has truly set the standard in terms of luxury, performance and craftsmanship. Read about how founder Henry Leland, with his obsession over precision, planned the course for the manufacturer that has not only survived volatile market conditions and changing consumer demand, but thrived in its position as the standard-bearer for GM. Inside this 560-page, two-volume set, readers will discover the people and the programs that continue to make Cadillac a name associated with success. Intimate interviews with the major players – from the days of Henry Leland and the Thirty to the days of Mark LaNeve and the Escalade – accompany a litany of technological milestones and model descriptions. Cadillac at 100: Legacy of Leadership is destined to become the bible for researchers and casual enthusiasts, a cornerstone for any collector's library. Joining primary author Maurice D. Hendry are Jeffrey I. Godshall, Tracy Powell and the late Dave Holls.

*Cadillac Jack: A Novel* Larry McMurtry, 2019-01-15 From dusty flea markets in Texas to parties in Washington, DC, crawling with political hacks, Cadillac Jack is a classic American novel, timelier than ever. Larry McMurtry's "big hearted" fiction has been lauded for "taking us places we hadn't known existed" (Joyce Carol Oates, New York Review of Books). Cadillac Jack does exactly that, inviting readers into the passenger seat of a pearl-colored Caddy with peach velour-covered seats, joining a rodeo-bulldogger-turned-antique- scout at the wheel. "Superbly comic" (Newsday), this rollicking tale echoes the cultural climate of America today, with the cagey yet charming Jack grappling with the capitol's pretentious elite. As he cruises through relationships with distinctively appealing women—including socialite boutique owner Cindy and discreet mother-of-two Jean—Jack realizes home for him will always be simply barreling down freeways in his Cadillac, wandering the country in search of another obscure treasure. Bolstered with its cast of unforgettable characters, Cadillac Jack entices with the prospect of undiscovered riches around that next bend in the road.

**Cadillac** Rob Leicester Wagner, 2002 In celebration of Cadillac's 100th anniversary, this handsome volume pays just tribute in words and pictures to the stylish design, refined comfort, and precision engineering for which Cadillac is renowned. Stunning photography illustrates automotive historian Rob Leicester Wagner's thoughtfully written history of the famous marque, known as the Standard of the World. -- Large format book showcases more than 150 exquisite full-color photographs plus rare archival pictures of the classic Model 30 engine stripped to the chassis, ever-evolving hood ornaments, and classic advertisements -- Includes revealing sidebars that profile Cadillac's pioneering visionaries as well as celebrities who owned this classic marque -- An ideal gift for the aficionado, whose automotive book collection would be incomplete without this thorough history of Cadillac's time-honored fleet
