The Lemon Tree Café – Part Two Cathy Bramley,2017-04-25 This is Part Two in a four-part serial from Sunday Times Top Ten bestseller Cathy Bramley. The full novel is now available to buy. Things couldn't have changed more for Rosie Featherstone over the last month. There's simply no place she'd rather be now than at The Lemon Tree Café – and as its new manager, no less! There's love in the air too, as a budding romance could be on the cards with Gabe, although Rosie isn't quite ready to open her heart again completely. The secret she's kept hidden for years still haunts her... Then something happens to threaten everything that Rosie holds dear, and she has to spring into action to save both the café and her fledgling relationship. But there's another surprise in store . . . a shock confession from a family member. Who would have thought that Rosie is not the only one with a secret? The Lemon Tree Cafe is an irresistibly charming novel told in four parts – following the adventures of Rosie Featherstone in friendship, family and second chances. This is the second part. The Last Cafe Kevin Cahill,2021-11-13 The Last Café sits beside a long-forgotten highway near the tiny, remote town of Spruce, Colorado. Presiding is poet laureate, Morton Poom, Spruce's most famous native – actually, its only famous native. Despite his lofty literary achievements, Poom aspires to write pulp mysteries, an ambition to which he is not well suited. As well, he discusses philosophy with his dog and claims he was once abducted by aliens who journeyed to Earth to find out why its inhabitants prey upon each other. Poom introduces us to The Last Café's collection of meddlesome Sprucites, and relates an epic tale about the time not long ago when a killer blizzard stranded a group of travelers for two memorable days. Together, the travelers held hostage to the raging storm are forced to stop and examine their lives, sometimes laughing and sometimes crying at what they find.Poom details the many goings-on that transpire during the storm, but more importantly he tells us a little about life and the souls who populate it. It's The Last Café; that's simply how it is.
