Wise Craft Blair Stocker, 2014-03-11 *Wise Craft* is a guide to the homemade life, turning old things into special new objects that enhance the home. Based on the popular blog of the same name, this guide focuses on creating a homemade atmosphere that reflects your family, without spending a fortune. Instead of throwing away old shirts and boring dishes, or passing up thrift store finds that aren't quite right, author Blair Stocker teaches how to remake, adding special touches to make them work for her home—and yours. The book is divided into four seasonal chapters, with designs that

reflect different holidays and the changing seasons, allowing you to update your home according to the weather outside. Many projects are portable or perfect to do during a family movie night, making the Wise Craft lifestyle an easy one to attain. Sixty projects include May Day cones and recycled floral mirror frames—perfect for a teenager’s room—plus throw pillow updates, a picnic blanket made from a pile of men’s shirts, spooky Halloween dishes, advent calendars, and recycled gift jars. Beautiful photography and illustrations make each project a snap, no matter your crafting background.
