Pie in the Sky Remy Lai,2019-06 El Deafo meets *Inside Out* and *Back Again* in this funny, emotional illustrated middle-grade debut about immigrating to Australia, being upstaged by an annoying little brother, baking cakes and overcoming loss. When Jingwen moves to Australia, he feels like he's landed on Mars. Making friends is impossible, since he doesn't speak English, and he's stuck looking after his little brother Yanghao. But Jingwen knows how to make everything better. If he can just make all of the cakes on the menu of the bakery his father had planned to open-and complete the dream he didn't have time to finish-then everything will be okay. Sure, he'll have to break his mother's most important rule about not using the oven when she's at work, keep his little brother from spilling his secret, and brush up on his baking skills, but some things are worth the risk. In her debut novel, Remy Lai captures with humour and heart, what it means to want desperately to belong and just how powerful one wish can be.
