**Galveston's Summer of the Storm** Julie Anne Lake, 2003 When fourteen-year-old Abby Kate boards the train in Austin to spend three weeks with her grandmother in Galveston, she's full of excitement--about the train ride and the prospect of days on the beach, exploring Galveston with her cousin Jane,

family picnics, and her grandmother's good food. But things go wrong even before she gets to her grandmother's house. Abby Kate gets off the train briefly in Houston--and the train leaves without her. Stranded in the railroad station, she is befriended by a man traveling with his two sons and eventually reaches Galveston safely. Then word comes that Abby Kate's young brother, Will, has diphtheria, and she will have to stay in Galveston indefinitely. Abby Kate is still in Galveston on September 8 when a massive hurricane strikes the city. At first the prospect of a storm is exciting. But as Abby Kate takes an ill-advised trip to watch the waves crash on the beach, the storm turns into a terrifying monster. Unable to make it back to Grandmother Linden's house, Abby Kate, her older cousin Ellen, and Ellen's friend Ian take refuge in the home of one of Ian's teachers. When the house falls apart, Abby Kate is on her own, clinging to a plank in swirling waters with the wind howling around her head. With vivid descriptions, Julie Lake plunges the reader into the storm right along with Abby Kate. The Galveston hurricane of September 8, 1900, remains the worst national disaster to hit the United States. And Abby Kate? She's spunky, mischievous, kind and caring, courageous when she has to be, and absolutely irresistible!

**We Speak in Storms** Natalie Lund, 2019-09-03 A powerful and haunting debut novel about friendship, acceptance, and learning to let go as the balance between the living and the dead is upended, perfect for fans of *We Were Liars*. It's been more than 50 years since a tornado tore through a drive-in movie theater in tiny Mercer, Illinois, leaving dozens of teens -- a whole generation of Mercerites -- dead in its wake. So when another tornado touches down in the exact same spot on the anniversary of this small-town tragedy, the town is shaken. For Brenna Ortiz, Joshua Calloway, and Callie Keller, the

apprehension is more than just a feeling. Though they seem to share nothing more than a struggle to belong, the teens' paths continue to intersect, bringing them together when they least expect it, and perhaps, when they need it most. Both the living and the dead have secrets and unresolved problems, but they may be able to find peace and move forward--if only they work together. A beautifully told, haunting yet hopeful novel about pushing past the pain, facing the world, and finding yourself. Praise for *We Speak in Storms*: A hauntingly atmospheric coming-of-age story . . . with fully realized characters, an empowering message, and a highly satisfying conclusion. --SLJ A lingering, quietly paced story about the echoes of trauma and the persistence of hope. --Booklist This suspenseful novel . . . immediately grabs the reader's attention . . .
