Storm Faerywolf

Candle in the Storm Morgan Howell, 2009-10-27 The malign shadow of the Devourer has darkened the land, extinguishing life and hope. The followers of the benevolent goddess Karm are hunted mercilessly and cut down by an army of bewitched slayers led by Lord Bahl, the Devourer's flesh-and-blood incarnation. Only two people stand in the way of an apocalyptic bloodbath that will literally bring hell to earth: a man and a woman linked by a love as strong as it is unlikely—Honus, a grim-faced warrior dedicated to Karm, and Yim, a beautiful former slave with the divine power to stop Lord Bahl. But that power will prove a terrible curse as Yim is called upon to make a costly sacrifice—a sacrifice that will not only put her love for Honus to the test but call into question her very faith. As the evil storm descends, can the flame of hope endure?

A Candle in a Hurricane Wendell, 2011-11-29 What could have led to that first clandestine sexual tryst between his wife and the least imagined partner, was a mystery that emasculated Craig Lowe, leaving him as sexless as a gutted snowbird. Only able to contend through the numbing of hard liquor leading to an almost continuous thirst during his waking hours. With opportunities for sexual encounters, while the need was present, the physical response was not. Change came through a series of first time circumstances when he met an attractive woman he had known in their childhood. With their fathers employed in a mobile occupation, they changed areas and schools

several times, causing a clinging and closeness of a sibling relationship. Shirley was no longer thought of as a gangling, knobby kneed sibling, but an appetizingly attractive woman. Through a relaxed familiarity of having lived and slept together, and skinny dipped in horse troughs as children, although knowing little about each other, they soon regained the closeness of their earlier years, but with the additional wants and need of the adult world. They soon found that each was the missing link in the others life, but when each others past caught up with them, all did not end well.

Candles in the Storm Rita Bradshaw,2007-03 Daisy Appleby is born in a storm, and 15 years later another storm alters her fate. Her father and brothers are lost at sea, and the same night Daisy saves William, a wealthy local heir, and falls in love. Separated by their families, many years of turmoil pass before she finds happiness.

Shadow of the Storm Candle Sutton,2017-05-27 Call me Stormy. For today, anyway. Because tomorrow I might be someone else.I can't tell you my real name, because I don't know what it is. The truth of the matter is that I don't know who I am. You might be wondering how that can be. Join the club.My memories begin with overhearing two men planning my murder. You heard me, my murder. I get away from them, but just barely. The only things in my possession are a duffel bag with obscene amounts of cash and a wallet with four driver's licenses. All with my picture. Don't ask me how or why I have them - or even if any of them are real - because I don't know.I don't know

much of anything. All I know is those men want me dead. For reasons still unknown to me. So I'll run. And I'll keep running until I can piece my fractured mind back together. But how do you go about remembering the things that most people already know?

Candles In The Storm Rita Bradshaw, 2010-03-04 The storm that's raging when fisherman's daughter Daisy Appleby is born in a village just north of Sunderland could be taken as a warning of a turbulent life ahead. It's during another storm fifteen years later that her father and brothers are lost and Daisy rescues William, heir of a wealthy Southwick family, with whom she falls in love. Soon, as her reward for saving him, Daisy is working for William's irascible aunt, while local lad Alf continues to court her. Warned off by Daisy's grandmother, William denies his own feelings and so it will be many years later, after much hardship and turmoil, that Daisy finds the happiness she deserves, amidst the drama of the Great War.

A World Turned Over Lorian Hemingway, 2003-07-08 Documents the events surrounding the March 1966 tornado in Jackson, Mississippi, that claimed fifty-seven lives, presenting portraits of the storm's victims and recounting

the changes that it made to the region where the author spent her childhood.

House of Storm Mignon G. Eberhart, 2012-05-29 On a storm-ravaged Caribbean isle, a woman confronts love and murder After her father's death, there is nothing for Nonie to do but come to Beadon Island. Royal Beadon, plantation owner and descendent of the man who first settled this windswept spit of tropical land, was her father's closest friend, and he asks Nonie for her hand. As she prepares for her wedding, though, Nonie feels uneasy. The marriage is rational, but there is nothing rational about her sudden feelings for Jim Shaw. The heir to one of the neighboring plantations, Jim is the only person who makes Nonie feel at home on the island. But when his aunt and benefactor is murdered, suspicion falls on Jim. Caught between a suspected killer and a man she does not love, Nonie fights to keep her sanity. A storm is coming to Beadon Island, and if she is not careful, the tropical winds might sweep her away.

Sudden Storm Diane Carey, 2014-04-14 When Abbey Sutton left her home in the wild Wyoming frontier, she expected to find a civilized, subdued life as a governess back East. But a storm was brewing over the quaint clapboard houses and cobblestone streets of Nantucket Island. And the darkest cloud of suspicion hung over Jake Ross, the rugged lighthouse keeper with sun-bleached hair and a notorious past. The locals called him a criminal—a thieving smuggler—but Abbey scorned their accusations. Could a criminal's embrace melt away a woman's doubts? Would a thief make an impassioned plea for justice in the young American colonies? As the tempest began to roar, its blustery squall threatened the lives of every man, woman, and child on the island. Abbey found herself face to face with an unscrupulous murderer...and the

chilling blade of a slave trader's knife. If the rumors were true, Jake was tied to these nefarious cutthroats. Even Abbey could see he was no stranger to death, violence and the scent of danger. But hero or hellion, he was her soul-mate, the man she would follow to the ends of the earth, and smack into the eye of this sudden storm.

Leave a Candle Burning Lori Wick, 2006-06-01 Lori Wick's bestselling Tucker Mills trilogy concludes with *Leave a Candle Burning* about a widowed physician, Danner MacKay, who creates a new life for his daughter but longs for the faith to love again.

Hurricane Alvin Adam Walters, 2008-02 A powerful category five hurricane is making its way toward the Florida coast. A small city that lies in the path of the hurricane has been completely abandoned-except for two hospital patients: Alvin, a depressed, stoic young man recuperating from a failed suicide attempt, and Erin, a forgotten, wheelchair-bound young woman in desperate need of medical attention. Alvin must decide whether he will postpone another suicide attempt and endure his unending misery to save Erin. Influenced by her emotional appeal, he reluctantly agrees. With the hurricane scheduled to make landfall in just a few hours, the two set out to find the storm shelter. They brave the intensifying wind and rain from the seats of a tandem bicycle-Alvin pedals from the front while Erin holds on from the back. They travel down the roads of the abandoned city, encountering many obstacles along the way; but, together, they just might survive the storm.

A candle for snow Rida Sedrati, 2020-12-31 The sight of the author is a full observation of the world. For him the soul of the human being is in deep connection with nature. Doing photography by hobby, he had the chance to staring at the natural elements having that feeling, sometimes, he describes as “passing the nature’s borders”. As a result, the poems he gives us are his construction of landscapes, turning of seasons and all the natural elements such as wind, water, sun, rain that appear to be the mirror of inner feelings. Going deeply in the reading we discover a dichotomy between light and darkness. The described world appears to be the product of supernatural forces.
