Our Wounded Wilderness Jim Cordes,2000 Describes the wind and rain storm which devastated the BWCA July 4,5, 1999.

**Hurricane Canoe** Richard M. Brock,2023-06-20 An exhilarating exercise in suspense. . . Playing out against the majestic peaks and lush valleys of the Adirondack Mountains, [Hurricane Canoe is] a devilish, terrifying game of cat and mouse . . . maintaining the intensity at a fever pitch from its arresting start to a shocking conclusion. - KIRKUS REVIEWSTwo men paddle into the wild, each with his own secrets.Gilbert Willards is a socially awkward professional poker player with no interest in camping or canoeing. His would-be brother-in-law, Trent, on the other hand, is a capable outdoorsman-but one with a shadowy past and volatile psyche.A freak storm lurks beyond the mountains.When the pouring rain and flash floods of a wayward Atlantic hurricane threaten to strand the two men deep in the Adirondack wilderness, their only escape looks to be a perilous mountain trek through increasingly severe weather.Waters and tensions rise.With their lives on the line, and escalating conflicts between them, the pair must put the past and future aside and find a way to work together in a harrowing race against time and the elements-and their own worst natures.But how far is each man willing to go to survive? And what dark motivations led to this strained excursion in the first place?With warm summer lakes, cold calculations, and a relentlessly challenging wilderness, Hurricane Canoe delivers a wildly entertaining, suspense-filled adventure perfect for a backcountry lean-to.

*Canoeing the Great Plains* Patrick Dobson,2015-05

Tired of an unfulfilling life in Kansas City, Missouri, Patrick Dobson left his job and set off on foot across the Great Plains. After two and a half months, 1,450 miles, and numerous encounters with the people of the heartland, Dobson arrived in Helena, Montana. He then set a canoe on the Missouri and asked the river to carry him safely back to Kansas City, hoping this enigmatic watercourse would help reconnect him with his life. In *Canoeing the Great Plains*, Dobson recounts his journey on the Missouri, the country's longest river. Dobson, a novice canoeist when he begins his trip, faces the Missouri at a time of dangerous flooding and must learn to trust himself to the powerful flows of the river and its stark and serenely beautiful countryside. He meets a cast of characters along the river who assist him both with the mundane tasks of canoeing—portaging around dams and reservoirs and finding campsites—and with his own personal transformation. Mishaps, mistakes, and misadventures plague his trip, but over time the river shifts from being a frightening adversary to a welcome companion. As the miles float by and the distinctions blur between himself and what he formerly called nature, Dobson comes to grips with his past, his fears, and his life beyond the river.

Freshwater Fury Frank Barcus, 1986 Up and down the Great Lakes, wherever captains and seamen met, one of the chief topics of conversation is still the Great Storm—the worst disaster in Great Lakes history. By men of the Lakes, November 9, 1913 will always be remembered as Black Sunday, for it brought death to hundreds of their companions and destruction to scores of ships of the Lakes fleet. Each man who survived the Storm has a fascinating story to tell. *Freshwater Fury* is the first comprehensive history of the Great Storm. Author Frank Barcus, who has met and talked with many survivors during his trips on

Lakes freighters over the past twenty years, presents here their vivid eye-witness accounts. The many drawings, maps, and diagrams executed by the author add pictorial interest to the story of this dramatic struggle between men and the elements.

**The Treasures of Minnesota's North Shore and Gunflint Trail** Jim Cordes, 2008-06 On July 4 and 5, 1999, northern Minnesota and southwestern Ontario experienced devastating wind and rainstorms. This is the story of the storm as told by the survivors and clean-up crews.

**Ghost Canoe** Will Hobbs, 2009-10-13 Award-winning author and master of adventure Will Hobbs delivers a breathless mystery that will have readers on the edge of their seats! After a sailing ship breaks up on the rocks off Washington's storm-tossed Cape Flattery, Nathan McAllister, the fourteen-year-old son of the lighthouse keeper, refuses to believe the authorities, who say there were no survivors. Unexplained footprints on a desolate beach, a theft at the trading post, and glimpses of a wild mystery man convince Nathan that someone is hiding in the remote sea caves along the coast. With his new friend, Lighthouse George, a fisherman from the famed Makah whaling tribe, Nathan paddles the fierce waters of the Pacific searching for clues. And once alone in the forest, Nathan may have found some: a ghostly canoe and a skeleton that may unlock the mystery of ancient treasure, betrayal . . . and murder. This thrilling middle grade adventure from Will Hobbs, a former teacher and the author of beloved books such as *Far North*, was chosen for Georgia's Children's Book Award Masterlist.

**Red Eric; Or, The Whaler's Last Cruise** Robert Michael Ballantyne, 1861

**Coldhearted River** Kim Trevathan, 2006 Coldhearted River recounts the canoe odyssey of Kim Trevathan and

photographer Randy Russell down the Cumberland River—almost 700 miles—from Harlan, Kentucky, through Middle Tennessee and Nashville, then back into western Kentucky, where it spills into the Ohio. Entertaining and nostalgic, *Coldhearted River* will put readers at the bow of Trevathan and Russell's journey as the river controlled it—at its own pace, sometimes slow, sometimes fast and turbulent, but never dull, and never disappointing. Book jacket.

Out of the Storm Carol Ashe, 2016-02-18 Detective Isabelle Carte is in love—with her job. It's all she needs and all she has time for. A dedicated and capable detective, she knows how to get the job done, regardless of the risk. Or so she thinks. When a stalker becomes obsessed with Isabelle and murders women to get her attention, her confidence is shaken. Isa takes refuge at her family's lake cabin in rugged Northwestern Ontario. Little does she know how much her life is about to change. Alec Reed is at the lake to rebuild his family's cabin and to make peace with a family tragedy that had happened years before. He's on track—finishing up with the remodel, and ready to return to his flourishing business in Calgary—until a pesky female shows up with her lovable dog at the cabin on the other side of the lake. She manages to capsize her canoe, blame him for ungentlemanly behaviour, and then throws everything off kilter. Falling in love with a cop was not on his agenda, especially a cop who can't seem to stay out of trouble. When Isa goes missing, Alec realizes there is only one thing he can do: find her. But in doing so, they have to face their feelings for each other. Can they overcome their differences?

*Take Me to the River* Will Hobbs, 2011-02-15 Deep in trouble, Deep in the canyons Fourteen-year-old Dylan Sands has come all the way from North Carolina to Big Bend National Park, on the Texas/Mexico border, to paddle

the fabled Rio Grande. His partner in adventure is a local river rat, his cousin Rio. As the two are packing their boats for ten days in the canyons, six Black Hawk helicopters appear overhead and race across the river into Mexico. The army won't tell the boys what's happening, but they are given a weather advisory: A hurricane is approaching the Gulf of Mexico. Dylan and Rio have their hearts set on their trip and can't give it up. Rio believes that their chances of running into border troubles or a major storm are slim to none. By canoe and raft, Dylan and Rio venture into the most rugged and remote reaches of the U.S./Mexico border. You may well not see another human being during the duration of your trip, the guidebook tells them. They don't, until a man stumbles into camp with a seven-year-old boy. A storm is brewing as the man who calls himself Carlos begs for help . . . and the boy is trembling with fear.

*Paddle and Portage, from Moosehead Lake to the Aroostook River, Maine* Thomas Sedgwick Steele,2024-04-06 Reprint of the original, first published in 1882.

Na Shawa J P Ronan,2018-11-27 Time in early America when the Indian Nations lived undisturbed by European intervention comes alive. A great lake fixes an assortment of native traditions and cultures. Forested hills, open grassy meadows, green river valleys and rocky mountain retreats bound this great body of water. These natural boundaries form the secluded homelands of neighboring tribes that circumvent the perimeter of a large lake. The

rite of passage into manhood of a young Indian is followed. The saga of a boy becoming a warrior unfolds in a series of adventurous episodes. The ensuing encounters reveal the variety of spiritual beliefs, living standards and tribal practices among the first nations. The young hero is led upon a journey directed by the foretelling from the spirit world. An assortment of native characters appears to reveal the details of life passing long ago in the wilderness. The fullness of living free in the woods and forests of America is shared. The reader fully participates through transportation into primitive rustic American existence.
