Pamela Leigh Starr

Extreme Dust Storms May Exist Rj Mirabal,2015-07-16 Five years after Don Vargas'

disappearance in the alternate reality of the Valle Abajo after he brought down The Tower of Il Serrohe, his sixteen-year-old cousin, Esther, living in the Rio Grande Valley, suffers a mysterious accident and begins having strange dreams. Nightwing-the wily bat who brought Don to the Valle Abajo-tells Esther of the return of the evil Soreyes. After sharing these details with her best friend, Markey, they both wonder if she is losing her mind. Astounding news upon her return from visiting the Valle Abajo through the portal in Don's casita convinces her to take on the new quest using her intelligence and resourcefulness against the Soreyes. New dangers threaten with rumors of evil in the far away Mountains of Sky and beyond the western horizon. Meanwhile, a mysterious presence makes itself known.

Hurricane Season Fernanda Melchor, 2020-10-06 The English-language debut of one of the most thrilling and accomplished young Mexican writers Winner of the Queen Sofía Spanish Institute's Translation Prize Longlisted for the National Book Award Shortlisted for the Booker Prize Winner of the Internationaler Literaturpreis New York Public Library Best Books of 2020 Chicago Public Library Best Book of 2020 The Witch is dead. And the discovery of her corpse has the whole village investigating the murder. As the novel unfolds in a dazzling linguistic torrent, with each unreliable narrator lingering on new details, new acts of depravity or brutality, Melchor extracts some tiny shred of humanity from these characters—innies whom most people would write off as irredeemable—forming a lasting portrait of a damned Mexican village. Like Roberto Bolaño's 2666 or Faulkner's novels, Hurricane Season takes place in a world saturated with mythology and violence—real violence, the kind that seeps into the soil, poisoning everything around: it's a world that becomes more and more terrifying the deeper you explore it.

Carrie and the Great Storm Jessica Gunderson,2019-08 Includes a note by the author, with a glossary and discussion questions.

The Night of the Hurricane's Fury Candice F. Ransom,2011-01-01 In 1900, while visiting his aunt in Galveston, Texas, ten-year-old Robert Pettibone is washed into swirling floodwaters when a hurricane takes the town by surprise.

Devil Storm Theresa Nelson,2017-03-14 “The great hurricane that devastated Galveston in 1900 is the centerpiece of [this] tightly knit novel. The writing is powerful. A fine work, integrating nature with character.” —The Horn Book, starred review “Nelson’s strong sense of place, poetic style and inspired characterization make this far more than just an enthralling adventure.” —Kirkus Reviews

Hurricane Audrey Post, Cathy Cagle,2007-04-30 This narrative re-creates Hurricane Audrey through the eyes of the survivors in a combination of suspense, family drama, and the struggle for life over death. In the midnight hours of June 27, 1957, the hurricane exploded in intensity and speed,

slamming into the sleeping coast at dawn 12 hours ahead of its predicted landfall. Many unsuspecting residents woke that morning to find water already inside their homes. Their ordeal transports the reader back to 1957 with a new appreciation and understanding of how Cameron Parish residents clung to life during the category-four storm.

Storm Pamela Leigh Starr, 2008 After Hurricane Katrina destroys their city and uproots their lives, two lifelong friends profess their love for each other and begin to build a life together in the aftermath of the storm. Original.

Tornado Season Courtney Craggett, 2020 TORNADO SEASON arrives as a storm is raging. Yet its stories urge us not to seek shelter, but to leave it. To walk out of our inner place of hiding and face the whirlwind. To recognize it. To acknowledge it and fight it. Ethnicity and culture alongside the U.S.-Mexico border; deportation and immigration; life in the U.S. foster care system--of these tumultuous

subjects Courtney Craggett writes with honesty, a big heart, and a complete lack of sentimentality. She shows us ordinary people who suffer, dream, hope, and strive for something just a little bit better. And by doing so, she elevates these stories from the realm of the timely into that of the timeless. Long after the storm has passed, the stories in **TORNADO SEASON** will ring true and dear for they sing of the innermost yearning of the human heart for freedom, justice, and love. --Miroslav Penkov

The Storm Tomas Gonzalez,2018-12-04 A riveting family drama set on the lush and dangerous Colombian coast. By one of Colombia's most acclaimed contemporary novelists, **The Storm** is an atmospheric, gripping portrait of the tensions that devastate one family. Twins Mario and Jose do not know how to cope with the hatred they feel for their father, an arrogant man whose pride seems to taint everything he touches. Over the course of a fateful fishing trip straight into the heart of a storm, father and sons are confronted with the unspoken secrets and resentments that are destroying them.

The Great Hurricane, 1938 Cherie Burns,2007-12-01 “Before there was the Perfect Storm, there was the Great Hurricane of 1938. A riveting and wonderfully written account.” —Nathaniel Philbrick On

the night of September 21, 1938, news on the radio was full of the invasion of Czechoslovakia. There was no mention of any severe weather. By the time oceanfront residents noticed an ominous color in the sky, it was too late to escape. In an age before warning systems and the ubiquity of television, this unprecedented storm caught the Northeast off guard, obliterated coastal communities on Long Island and in New England, and killed nearly seven hundred people. The Great Hurricane, 1938 is a spellbinding hour-by-hour reconstruction of one of the most destructive and powerful storms ever to hit the United States. With riveting detail, Burns weaves together countless personal stories of loved ones lost and lives changed forever—from those of the Moore family, washed to sea on a raft formerly their attic floor, to Katharine Hepburn, holed up in her Connecticut mansion, watching her car take to the air like a bit of paper. “A very good book.” —The Washington Post

Storm of the Century Stephanie True Peters, 2009 When Hurricane Katrina threatens New Orleans, Louisiana, 14-year-old Ricky Thompson and his family must flee the city. Unfortunately, traffic is backed up for miles, and there's no way out. As a last resort, the family takes shelter inside the

Superdome, a football stadium turned into a rescue shelter for thousands of residents.

The Silent Storm Sherry Garland, 2018-09-15 Thirteen-year-old Alyssa has not spoken since witnessing her parents drown at sea during a storm. Now, three years later, a hurricane is headed for Galveston Island, threatening to unleash Alyssa's memories of the horrific storm that ripped her family apart. When Hurricane Berta hits, Alyssa is desperately trying to find a way to get home to her grandfather and his mustang horses. Finding the old man injured, Alyssa realizes that to help her grandfather, she must first confront the silent storm of memories locked deep within her.

Annie's Storm Beverly Hirsch, 1996-01-01 Annie and her family prepare for a hurricane by stockpiling food, water, and ice, and by putting up storm shutters. After the storm, Annie is frightened by the devastation in her back yard, until she finds her friend Mrs. Mockingbird.

The Great Storm Lisa Waller Rogers, 2002 A teenage boy keeps a diary of events during the devastating hurricane which struck Galveston, Texas, in 1900, and of the rescue operations that followed.

Hurricane Izzy – An OBX Story Greg Smrdel, 2018-03-07 Hurricane Izzy starts innocently enough as a tropical wave off the coast of Africa. She quickly gains strength and speed as she fights her way across the Atlantic on a direct path to North Carolina's Outer Banks. It's also a story of man losing his dog and girl prior to the storm. The story keeps track of all 3 during the hurricane.
