The Very Hungry Caterpillar Eric Carle,2018-10-09 This mini hardcover edition of Eric Carle's classic story begins one sunny Sunday, when the caterpillar was hatched out of a tiny egg. He was very hungry. On Monday, he ate through one apple; on Tuesday, he ate through three plums--and still he was hungry. Strikingly bold, colorful pictures and a simple text in large, clear type tell the story of a hungry little caterpillar's progress through an amazing variety and quantity of foods. Full at last, he made a cocoon around himself and went to sleep, to wake up a few weeks later wonderfully transformed into a butterfly! Brilliantly innovative designer and artist Eric Carle has dramatized the story of one of Nature's commonest yet loveliest marvels, the metamorphosis of the butterfly, in a picture book to delight as well as instruct the very youngest reader or listener. Cleverly die-cut pages show what the caterpillar ate on successive days, graphically introducing sets of up to 10 objects and also the names of the days of the week in rotation, as well as telling the central story of the transformation of the caterpillar. The final, double-page picture of the butterfly is a joyous explosion of color, a vibrant affirmation of the wonder and beauty of Nature. Watch a Video

Inside, the child is taken on a wonderful journey through nature where they meet Bees, Snails, Ladybugs and Spiders. Hope For the Flowers Trina Paulus, 2017-07-13 Hope for the Flowers: A must read during this time of the corona virus and civil unrest in 2020. Caterpillars, Butterflies, Life & a real Hope Revolution THE WORLD HAS BEEN COCOONING; LET US EMERGE WITH HOPE. We have all lived through months of strange relationships with ourselves and the world around us. Virtual gatherings have become the norm, while the pain, uncertainty and injustice goes on. What will our new normal possibly become? What new work? How can we do our part to heal the world from whatever limited space we have? How can our United States truly be one nation under God with liberty and JUSTICE FOR ALL? "What might I do to help others during this global crisis? Is likely still your question as well as still mine. I will continue to offer my e-book for \$2.99 with my hope that it can strengthen hope and courage in each of you and your children. We will need all we can get! If inspired, please join our Facebook group - Hope (For the Flowers) Revolution. Maybe we can inspire each other to build the better world that's possible. My hope for us is that, like our caterpillar heroes, Stripe and Yellow, we transform in the darkness of the cocoon to something new and totally unexpected. May we each find a way to use this time of darkness to light the way to justice and peace in the world. May we discover our own new beauty as we discover the beauty in our differences. May we each discover our purpose and live with passion this thing called life, while we

still can. “How does one become a butterfly” Yellow asks pensively. “You must want to fly so much That you are willing to give up being a caterpillar.” I can't think of anything more transformational and radical than the change that happens when a lowly caterpillar worm becomes a flying beautiful butterfly. And it doesn't end with flying! They find their true purpose, to carry the pollen of love from one flower to another and receive in return the sweet nectar that keeps them alive. What wondrous exchange! Sharing is the answer to so much! I'm so grateful the story seems to reach every culture, and over 3 million have loved and shared the paper version in English and countless more in other languages for 50 years. May each of us and the world flourish after this strange dark cocoon of isolation.
