**Managing to Change the World** Alison Green, Jerry Hauser, 2012-04-03 Why getting results should be every nonprofit manager's first priority A nonprofit manager's fundamental job is to get results, sustained over time, rather than boost morale or promote staff development. This is a shift from the tenor of many management books, particularly in the nonprofit world. Managing to Change the World is designed to teach new and experienced nonprofit managers the fundamental skills of effective management, including: managing specific tasks and broader responsibilities; setting clear goals and holding people accountable to them; creating a results-oriented culture; hiring, developing, and retaining a staff of superstars. Offers nonprofit managers a clear guide to the most effective management skills Shows how to address performance problems, dismiss staffers who fall short, and the right way to exercising authority Gives guidance for managing time wisely and offers suggestions for staying in sync with your boss and managing up This important resource contains 41 resources and downloadable tools that can be implemented immediately.

**Nobody Hugs a Cactus** Carter Goodrich, 2019-04-16 Celebrated artist and lead character designer of Brave, Ratatouille, and Despicable Me, Carter Goodrich, shows that sometimes, even the prickliest people—or the crankiest cacti—need a little love. Hank is the prickliest cactus in the entire world. He sits in a pot in a window that faces the empty desert, which is just how he likes it. So, when all manner of creatures—from tumbleweed to lizard to owl—come to disturb his peace, Hank is annoyed. He doesn't like noise, he doesn't like rowdiness, and definitely does not like hugs. But the thing is, no one is offering one. Who would want to hug a plant so mean? Hank is beginning to discover that being alone can be, well, lonely. So he comes up with a plan to get the one thing he thought he would never need: a hug from a friend.

**Center Center** James Whiteside, 2022-08-16 “James Whiteside is an electrifying performer, an incredible athlete, and an artist, through and through. To know James is to love him; with Center Center, you are about to fall in love.” –Jennifer Garner “A frank examination and celebration of queerness.” –Good Morning America A daring, joyous, and inspiring memoir-in-essays from the American Ballet Theatre principal dancer-slash-drag queen-slash-pop star who's redefining what it means to be a man in ballet There's a mark on every stage around the world that signifies the center of its depth and width, called center center. James Whiteside has dreamed of standing on that very mark as a principal dancer with the prestigious American Ballet Theatre ever since he was a twelve-year-old blown away by watching the company's spring gala. The GLAMOUR. The VIRTUOSITY. The RIPPED MEN IN TIGHTS! In this absurd and absurdist collection of essays, Whiteside tells us the story of how he got to be a primo ballerino—stopping along the way to muse about the tragically fated childhood pets who taught him how to feel, reminisce on ill-advised partying at summer dance camps, and imagine fantastical run-ins with Jesus on Grindr. Also in these pages are tales of the two alter egos he created to subvert the strict classical rigor of ballet: JbDubs, an out-and-proud pop musician, and Ühu Betch, an over-the-top drag queen named after Yoohoo chocolate milk. Center Center is an exuberant behind-the-scenes tour of Whiteside's triple life, both on- and offstage—a raunchy, curious, and unapologetic celebration of queerness, self-expression, friendship, sex, creativity, and pushing boundaries that will entertain you, shock you\*, inspire you, embolden you . . . and maybe even make you cry. \*THIS IS NOT A BOOK FOR CHILDREN.

*The Complete Learning Center Book* Rebecca Isbell, Rebecca T. Isbell, 1995 An illustrated guide for 32 different Early Childhood Learning Centers.
