The Shadow of El Centro Jessica Ordaz,2021-01-29 Bounded by desert and mountains, El Centro, California, is isolated and difficult to reach. However, its location close to the border between San Diego and Yuma, Arizona, has made it an important place for Mexican migrants attracted to the valley's agricultural economy. In 1945, it also became home to the El Centro Immigration Detention Camp. The Shadow of El Centro tells the story of how that camp evolved into the Immigration and Customs Enforcement Service Processing Center of the 2000s and became a national model for detaining migrants—a place where the policing of migration, the racialization of labor, and detainee resistance coalesced. Using government correspondence, photographs, oral histories, and private documents, Jessica Ordaz reveals the rise and transformation of migrant detention through this groundbreaking history of one detention camp. The story shows how the U.S. detention system was built to extract labor, to discipline, and to control migration, and it helps us understand the long and shadowy history of how immigration officials went from detaining a few thousand unauthorized migrants during the 1940s to confining hundreds of thousands of people by the end of the twentieth century. Ordaz also uncovers how these detained migrants have worked together to create transnational solidarities and innovative forms of resistance.

Il Bel Centro Michelle Damiani,2020-08-09 A witty and warm-hearted memoir of abandoning fast-paced American days in favor of discovering the Italian secrets of food, community, and life. Moving across the globe meant Michelle Damiani soon found herself untangling Italian customs, delighting in glorious regional cuisine (recipes included), and creating lasting friendships. From grandmothers eager to teach the ancient art of pasta making, to bakers tossing bread into fiery ovens with a song, to butchers extolling the benefits of pork fat, Il Bel Centro is rich with captivating characters and cultural insights. Throw in clinking glasses of Umbrian red with the local communists and a village all-nighter decorating the cobblestone streets with flower petals; as well as embarrassing language minefields and a serious summons to the mayor's office, and you have all the ingredients for a spellbinding travel tale. Exquisitely observed, Il Bel Centro is an intimate celebration of small town Italy, as well as a thoughtful look at raising a family in a new culture and a fascinating story of finding a home. Ultimately though, this is a story about how travel can change you when you're ready to let it. With laugh-out-loud situations and wanderlust-inspiring storytelling, Il Bel Centro is a joyous and life-affirming read that will have readers rushing to renew their passports. "This is one of the most beautiful book I've ever read." "I absolutely couldn't get enough of this book." "This book made me want to pack my bags." "I loved, loved this book. Fabulously written, engaging, and entertaining." "A magical read."

El delantero centro fue asesinado al atardecer Manuel Vázquez Montalbán,1988 El club de fútbol más rico del mundo recibe en sus oficinas un anónimo en el que se amenaza de muerte al recién fichado delantero centro del equipo, Jack Mortimer. Los directivos del club contratan al detective Carvalho para que inicie la investigación, haciéndose pasar por psicólogo para poder andar a sus anchas por el mundo deportivo sin levantar las sospechas de la prensa. Las pistas apuntan a un asunto de especulación inmobiliaria en el que están mezclados el presidente de un club de división regional y el delantero centro de su equipo, una vieja gloria venida a menos. Esta serie de coincidencias complican aún más, si cabe, la búsqueda del autor de las amenazas.

Financial Mathematics Bruno Biais, Centro internazionale matematico estivo, 1997-03-20 Financial Mathematics is an exciting, emerging field of application. The five sets of course notes in this book provide a bird's eye view of the current state of the art and directions of research. For graduate students it will therefore serve as an introduction to the field while researchers will find it a compact source of reference. The reader is expected to have a good knowledge of the basic mathematical tools corresponding to an introductory graduate level, and sufficient familiarity with probabilistic methods, in particular stochastic analysis. Seattle's El Centro de la Raza Bruce E. Johansen, 2020-01-15 From its beginnings in Seattle nearly fifty years ago, El Centro de la Raza has been translated as "The Center for People of All Races." In Seattle's El Centro de la Raza: Dr. King's Living Laboratory, Bruce E. Johansen, with valuable aid from Estela Ortega, executive director, and Miguel Maestas, Housing and Development director at El Centro, explores how the center has become part of a nationally significant work in progress on human rights and relations based on Dr. Martin Luther King Jr.'s concept of a "Beloved Community" that crosses all ethnic, racial, and other social boundaries. Johansen's examination of the history of the center highlights its mission to consciously provide intercultural communication and cooperation as an interracial bridge, uniting people on both a small and a large scale, from neighborhood communities to international relations. Scholars of Latin American studies, race studies, international relations, sociology, and communication will find this book especially useful.
